ESSKA is celebrating its 40th anniversary this year!

We have lots of presents and surprises planned throughout the year. The first is for all our loyal renewing members: Members who renew by 31 January 2022 could win 1 of 40 presents! The drawing will be held on 15 February 2022 and the 40 winners can collect their prizes at the ESSKA booth, during our Congress in Paris.

ESSKA: Fabulous at 40! This milestone marks four decades of medical science, education and excellence and we hope you will help us celebrate at the ESSKA Congress in April! read more

Are you an ESSKA member and carrying out a survey? Then ESSKA offers you the opportunity to post a request for survey participation on our website. read more

Congratulations to the KSSTA Best Reviewer for 2021: Edna Iordache read more

Congratulations to the JEO Best Reviewer for 2021: Nobuaki Miyaji read more

KSSTA Editor-in-Chief Jón Karlsson
Editor's Pick:

- Meniscus repair with simultaneous ACL reconstruction demonstrated similar clinical outcomes as isolated ACL repair: a result not seen with meniscus resection
- Anterior cruciate ligament reconstruction with lateral extraarticular tenodesis better

JEO Editor-in-Chief Stefano Zaffagnini
Editor's Pick:

- Intact PCL is a potential predictor of ACL graft size in the skeletally immature knee and other anatomic considerations for ACL reconstruction.
- Unacceptable failure of osteochondral glenoid allograft for biologic resurfacing of...
restores native knee kinematics in combined ACL and meniscal injury of the glenoid.

20TH ESSKA CONGRESS
