

ESSKA-EKA Closed Meeting

22-23 March 2019
Lyon, France

Scientific Programme

EKA Closed Meeting in Lyon, France

22-23 March 2019, Warwick Reine Astrid Hotel

“Metal in Knee Arthroplasty”

Friday 22/03/2019

Lunch will be served between 12:00-13:30 in the Warwick Reine Astrid Restaurant

13:45-14:00: WELCOME by local hosts: *Guillaume Demey, Elvire Servien* and EKA Chairman: *Nanne Kort*

Scientific structure: each presentation 8 min followed by 7 min discussion time
Great Debate: 8 min each followed by 14min discussion time

1. Bone Loss & TKA 14:00 – 15:30

Moderators: *Elvire Servien, Roland Becker*

-Bone loss after TKA: Etiologies, classification and problematic
(14:00-14:15) Speaker: *Trifon Totlis*

-Bone Substitutes and allograft for management of bone loss: is it still an option?
(14:15-14:30) Speaker: *Pawel Skowronek*

-Metaphyseal sleeves and cones for management of bone loss: state of the art
(14:30-14:45: Speaker: *Jean Louis Briard* / 14:45 – 15:00: *Michael Liebensteiner*)

-Great debate: short stem/ metaphyseal fixation or long stem/distal fixation
(Two speakers mini-battle, 15:00-15:30: Speaker 1: *Francesco Giron* Speaker 2: *Reha Tandogan*)

Coffee break & Exhibition 15:30 – 16:00

2. Metal & TKA 16:00 – 17:30

Moderators: *Guillaume Demey, Michael Hirschmann*

-History of metal in TKA: from Cr-Co to new materials
(16:00-16:15) Speaker: *Guillaume Demey*

-Great Debate: Metal allergy does exist or does not?
(Two speakers, mini-battle, 16:15-16:45: Speaker 1: *Daniel Guenter* Speaker 2: *Simon Donell*)

-TKA in suspected metal hypersensitive patient: Recommendations in 2019
(16:45-17:00) Speaker: *Antonia Chen*

-Revision TKA for metal allergy: how to treat? For which results?
(17:00-17:15) Speaker: *Artur Kröll*

-The “heavy metal” total knee arthroplasty: mega prostheses cases
(17:15-17:30) Speaker: *Michael Liebensteiner*

3. EKA Board Meeting 17:30 – 19:00

4. EKA Members dinner 20:00 @ Brasserie le Nord

Saturday 23/03/2019

1. EKA Members Meeting 08:30 – 10:00

Coffee break 10:00 – 10:20

2. Free paper session (abstracts) 10:20 – 12:00

Moderators: *Nanne Kort, Reha Tandogan*

Scientific structure: Free papers on TKA or revision TKA
Each presentation 6 min followed by 4 min discussion time

- All Poly tibia vs metal backed - *Gian Luigi Canata*
- Tivanium PS for Nichel intolerance - *Gian Luigi Canata*
- Strut Onlay Allograft in Revision Arthroplasty: Osseous union and clinical outcome - *Michael Liebensteiner*
- Navigation and Patient Specific Instrumentation in Failed UKR revision - *Alfonso Manzotti*
- UKA: Modes of Failure and Conversion to TKA - *Michele Vasso*
- Cone in metaphyseal bone loss: state of the art - *Alfredo Schiavone Panni*
- Cemented and non-Cemented stem in Primary and Revision Knee Arthroplasty - *Bruno Violante*

3. Short summary of meeting 12:00 – 12:20

Light lunch & Farewell 12:30
