Sign in to Whova

1. Once you have registered, you will receive an email from Whova with instructions for logging into the site. The link looks like https://whova.com/portal/webapp/xxxx/. Click “Sign up here” if you don’t have an account yet and fill in your email and password. Make sure to use the email address you used when registering for the event. When logging in, you will automatically be taken to the conference main page.

2. Edit your profile. Other attendees will use this to network with you if you choose to be included in the attendee list.

View the agenda and plan your schedule

1. Find the agenda tab on the side of the screen. You should see a list of sessions for that day.
2. You can move through different days by selecting the date you want to view on the calendar at the top of the agenda.
3. Browse or search for sessions on the top bar.
4. Once you find the session you want to access, click on it.
5. If the session hasn’t occurred yet, you can click “Add to My Agenda” to put the session on your own personal agenda.
Access Pre-Recorded Videos
1. From the agenda list, click the session you want to watch.
2. Below the session description is a list of Presentation Titles. If a pre-recording is available for that abstract, a green camera icon will be displayed to the left of the title.
3. To view the pre-recorded material, click on the Presentation Title under the Subsessions header.

Access Live Sessions
1. From the agenda list, click the session you want to watch.
2. To watch a live stream, click the link provided in the session description labeled “Click Here to Join the Zoom Meeting”.
