

## Our Leadership Curriculum Emphasizes Inside-Out Development.

### What will you gain?

- A clearer sense of what **grounds you as a leader** and a more powerful and **engaging leadership presence**
- **A greater sense of resilience** and adaptability to the shifting requirements and complexities of your ever-expanding role
- **New skills** for navigating change and leading teams through periods of transition
- An opportunity to **develop deep trusted relationships** with other professionals who share similar experiences, challenges and successes

### The Leadership Journey learning modules include:

- Exploring Your Individual Leadership Style
- Optimizing Emotional and Social Intelligence
- Managing Stress and Cultivating Resilience
- Building a Strong Leadership Presence
- Crucial Conversations and Managing Conflict
- Managing Change and Transition

The EWF Leadership Journey is a comprehensive virtual leadership development program that helps you optimize your individual strengths, authentic leadership presence and your organizational impact—while achieving new levels of confidence and success.

- Group coaching, action learning & peer support
- A year long virtual program
- 90 minute monthly teleconferences
- Earn 18 CEU's

**NEXT ENROLLMENT CLASS LAUNCHES JANUARY 2020!**
