

Thank  
You!

Dear Mrs. Duchak,

It was really cool to  
have you at our school. I loved  
the way you took students to make  
the verdict instead of adults.  
The trial was awesome and  
we hope to see you again.

Dear Mrs. Duchak,

I thank you so much for  
helping us have a mock  
trial. I loved it so much  
because it was educational  
and funny at the same  
time!

Sincerely,

Zaina

Thank you for organizing the  
mock trial. I enjoyed the wolf and  
the pig deciding who was right or  
wrong. I hope you can come and put  
together another mock trial soon.

Sincerely,

Aimee

Dear Ms. Duchak,

I had a wonderful time at the play. I think you did a wonderful job and really enjoyed it. How long have you been a lawyer? Have you been involved in any major cases? I think you should do lots more mock trials like this for other schools and kids. Once again I loved the show and please write back soon.

Sincerely,

Arjun Aneja.

Dear Ms. Duchak,

Thank you for coming! I really enjoyed the mock trial. I learned quite a lot! It was very nice of you, Ms. Lipp, Mr. Leonard and Judge O'Flaherty to come and do the Pig vs. Wolf trial for us! 😊 I honestly think that the Wolf was innocent. Anyways, thank you again for coming!

Sincerely,

Emilie Deadman 😊

Dear Mrs. Duchak,

Thank you for coming to  
our school and showing us  
what a trial is like. I really enjoyed  
it. I now even more than before  
want to be a lawyer. I liked the  
witnesses they made the decision  
for some of the jury (me) to come  
to the verdict. I learned that  
you can object in the middle  
of someone's sentence I always  
thought you had to do it at the  
end. Well thank you for doing  
the mock trial,

Sincerely,

Norah

Dear Mrs. Duchak,

I learned so much from you. I liked the play a lot. It was awesome! Do you like your job a lot? It seems like your job is really hard. The play was very informative. You had props & a lot of expression in your voice. It was such a good play! You should actually perform for more children! Thank you so much!

Sincerely,  
Rachel

Dear Ms. Duchak,

Thank you for coming and performing a mock trial. It was a wonderful one too. I like how you would let students go up and be jurors and express their opinions. I also like watching assemblies because it is not done very often. I liked this assembly a lot because it taught me plenty of things about trials, juries, and court.

One other reason I liked this mock trial is because how the theme connected to how the way the actual trials work. I like how some parts are a little detailed and funny. My favorite part was when the wolves were talking and made fake names. The trial was very fun to watch. Thanks again!

Sincerely,

Irina
