Summary: Current law regulates real property acquired and operated by the state as wildlife management areas, and requires the Department of Fish and Wildlife, when income is directly derived from that real property, as provided, to annually pay to the county in which the property is located an amount equal to the county taxes levied upon the property at the time it was transferred to the state. Current law further requires the department to pay the assessments levied upon the property by any irrigation, drainage, or reclamation district, and requires all of those payments to be made from funds available to the department. This bill would authorize, instead of require, the department to make these payments and only from funds appropriated to the department for those purposes.

Status: 7/6/2015-Chaptered by Secretary of State - Chapter 53, Statutes of 2015.
Current Location: 7/6/2015-A. CHAPTERED

Summary: All workers employed on public works projects are required to be paid not less than the general prevailing rate of per diem wages for work, except as specified. Current law governing public works does not apply to specified work performed by a volunteer, a volunteer coordinator, or a member of the California Conservation Corps or a community conservation corps. These provisions are effective only until January 1, 2017, and as of that date are

repealed. This bill would extend those provisions until January 1, 2024, at which date those provisions would be repealed. The bill would also delete an obsolete provision.

Status: 10/1/2015-Chaptered by Secretary of State - Chapter 399, Statutes of 2015.

Current Location: 10/1/2015-A. CHAPTERED

Summary: The California Emergency Services Act, until July 1, 2019, prescribes a method for funding state and local costs for carrying out radiological emergency preparedness and response plan activities that are not reimbursed by federal funds, with the costs borne by utilities operating nuclear powerplants with a generating capacity of 50 megawatts or more. This bill, operative July 1, 2019, would extend, until August 26, 2025, the method for funding state and local costs for emergency service activities associated with a nuclear powerplant, as described above, with respect to a utility operating a nuclear powerplant with a generating capacity of 50 megawatts or more, thereby extending an amount, as specified, available for disbursement for local costs for the Diablo Canyon site.

Current Location: 5/15/2015-A. 2 YEAR

Summary: Current property tax law generally requires the county auditor, in each fiscal year, to allocate property tax revenues to local jurisdictions in accordance with specified formulas and procedures, and generally requires that each

jurisdiction be allocated an amount equal to the total of the amount of revenue allocated to that jurisdiction in the prior fiscal year, subject to certain modifications, and that jurisdiction's portion of the annual tax increment, as defined. This bill would make a nonsubstantive change to that provision.

Summary: Current law regulates real property acquired and operated by the state as wildlife management areas, and requires the Department of Fish and Wildlife, when income is directly derived from that real property, as provided, to annually pay to the county in which the property is located an amount equal to the county taxes levied upon the property at the time it was transferred to the state. Current law further requires the department to pay the assessments levied upon the property by any irrigation, drainage, or reclamation district, and requires all of those payments to be made from funds available to the department. This bill would authorize, instead of require, the department to make these payments and only from funds appropriated to the department for those purposes.

Current Location: 5/15/2015-S. 2 YEAR

Summary: The Public Employees' Retirement Law governs the rate of employer contributions to the Public Employees' Retirement System. The law requires, among other things, that all assets of an employer be used in the determination of the employer contribution rate for the membership comprising the basis of the computation and that those assets held be recognized over the same funding period used to amortize unfunded accrued actuarial obligations, as specified. This bill would make nonsubstantive changes to that provision.

Status: 10/8/2015-Chaptered by Secretary of State - Chapter 608, Statutes of 2015.
Current Location: 10/8/2015-S. CHAPTERED

Summary: The Planning and Zoning Law requires the legislative body of a city or county to adopt a comprehensive, long-term general plan that includes various elements, including, among others, a safety element for the protection of the community from unreasonable risks associated with the effects of various geologic hazards, flooding, and wildland and urban fires. This bill would, upon the next revision of a local hazard mitigation plan on or after January 1, 2017, or, if the local jurisdiction has not adopted a local hazard mitigation plan, beginning on or before January 1, 2022, require the safety element to be reviewed and updated as necessary to address climate adaptation and resiliency strategies applicable to that city or county.

Current Location: 5/15/2015-S. 2 YEAR

Summary: Current law, the California Child Day Care Facilities Act, provides for the licensure and regulation of child day care facilities, as defined, by the State Department of Social Services. Current law requires that the maximum licensed capacity for those facilities be based on 35 square feet of indoor activity space per child. This bill would exempt those facilities from the 35 square footage requirement if the facility is located in an office building.

Status: 9/15/2015-Enrolled and presented to the Governor at 9:30 a.m.
Current Location: 9/15/2015-S. ENROLLED

Summary: Current law requires, subject to the identification of funding by January 1, 2016, various entities, including the Office of Emergency Services, through a public-private partnership, to develop a comprehensive statewide earthquake early warning system in California that includes certain features, including the installation of field sensors. Current law repeals this early warning system requirement on January 1, 2016, if the funding is not identified. It also requires the office to file with the Secretary of State a determination that funding was not identified by January 1, 2016. This bill would instead require the identification of funding for the earthquake early warning system to occur by July 1, 2016, and would make conforming changes.

Summary: Current law authorizes certain ground emergency medical transportation providers to receive supplemental Medi-Cal reimbursement in addition to the rate of payment that the provider would otherwise receive for those services. Current law provides that participation in the supplemental reimbursement program by an eligible provider is voluntary, and requires the nonfederal share of the supplemental reimbursement to be paid only with funds from specified governmental entities. This bill would authorize the department to provide supplemental reimbursement under these provisions for the cost of paramedic services at a rate of payment equal to cost. Status: 10/4/2015-Chaptered by Secretary of State - Chapter 495, Statutes of 2015.

Current Location: 10/4/2015-S. CHAPTERED

Summary: Current law prohibits Members of the Legislature, state, county, district, judicial district, and city officers or employees from being financially interested in any contract made by them in their official capacity, or by any body or board of which they are members. Current law identifies certain remote interests in contracts that are not subject to this prohibition and other situations in which an official is not deemed to be financially interested in a contract. This bill would include in the definition of "remote interest" the interest of a person who is an owner or partner of a firm serving as an appointed member of an unelected board or commission of the contracting agency, if the owner or partner recuses himself or herself from providing any advice to the contracting agency regarding the contract between the firm and the contracting agency, and from all participation in reviewing a project that results from that contract.
