From: Russell Noack, Public Policy Advocates

Re: FIRE Legislative Report – Week Ending May 15, 2020

Governor's Press Conference on Wildfire Preparedness 05/13/2020

Yesterday, Governor Newsom held a press conference to discuss wildfire safety, focusing on IOU's, CPUC, and his May Revise with a mention of Earthquake safety.

Regarding IOU's, he discussed their \$500 billion requirement to invest and spend on wildfire/public safety measures.

Regarding the Public Utilities Commission, he announced a Wildfire Advisory Committee of 106 members. More detail will be shared in his May Revise.

Announcements for his May Revise included:

- \$127 million increase for Cal OES above their baseline budget
- \$17.3 million for early warning system for Earthquakes
- \$2.2 million enhancement for Seismic Safety committee into Cal OES
- \$38.2 million disaster assistance enhancements
- \$50 million for PSPS Grants to Local Counties
- CAL FIRE will receive a \$85.7 million enhancement over their baseline for surge capacity and critical personnel (approx. 600)

He announced 450 new acres have been prepared for wildfire season in California, but still urged the need for more preparation/mitigation.

Highlights of Governor's May Revise Budget 05/14/2020

Governor Newsom's new \$203.3 billion budget proposal would cut funding for schools, cancel a planned boost in public pensions spending, draw down reserves and borrow money from internal accounts to make up for a projected \$54.3 billion budget deficit brought on by the coronavirus pandemic. Highlights of the May Revise are outlined below.

USING CARES ACT FUNDS STRATEGICALLY

The May Revision proposes to use federal CARES Act funds to support schools, strengthen local public health preparedness and response, and support health and human services at the local level in response to the COVID-19 pandemic.

Specifically, the May Revision proposes to:

- Use \$4.4 billion for schools to run summer programs and other programs that address equity gaps that were widened during the school closures.
- Direct \$3.8 billion to protect public health and public safety; \$1.3 billion to counties for public health, behavioral health and other health and human services programs; and \$450 million to cities for public safety and to support homeless individuals.

PROTECTING PUBLIC HEALTH, PUBLIC SAFETY AND PUBLIC EDUCATION

The May Revision protects public health and public safety. It provides needed funds to contain the spread of COVID-19 and its effects. To that end, the May Revision proposes, among other things, to:

- Invest in wildfire prevention and mitigation as well as other emergency response capabilities.

ENHANCING EMERGENCY RESPONSE AND PREPAREDNESS

The May Revision continues the Administration's prioritization of enhancing emergency response and preparedness.

OFFICE OF EMERGENCY SERVICES

The May Revision reflects \$127 million for Office of Emergency Services (Cal OES) to enhance the state's emergency preparedness and response capabilities.

- Community Power Resiliency—Maintain \$50 million one-time General Fund to support additional preparedness measures that bolster community resiliency. Building on the state's 2019-20 power resiliency investments, these measures will support critical services still vulnerable to power outage events, including schools, county election offices, and food storage reserves. This proposal will support a matching grant program to help local governments prepare for, respond to, and mitigate the impacts of power outages.
- California Disaster Assistance Act (CDAA)—A total of \$38.2 million one-time General Fund (maintaining \$16.7 million included in the Governor's Budget and an additional \$21.5 million) to increase the amount of funding available through the CDAA, which is used to repair, restore, or replace public real property damaged or destroyed by a disaster or to reimburse local

governments for eligible costs associated with emergency activities undertaken in response to a state of emergency proclaimed by the Governor. This augmentation increases total CDAA funding available in the Budget to \$100.8 million.

- California Earthquake Early Warning Program—Maintain \$17.3 million to operate this new innovative program that uses science, monitoring, and technology to alert people, businesses, and transit agencies via devices before the anticipated strongest seismic activity arrives. The May Revision proposes to switch the fund source for the loan from the General Fund to the School Land Bank Fund.
- California Cybersecurity Integration Center—Maintain \$7.6 million General Fund and 12 positions for Cal OES (a total of \$11.1 million General Fund and 22 positions across various agencies) to enhance the state’s critical cybersecurity infrastructure. This investment will provide a full-time Joint Incident Response Team to bolster the state’s capabilities in preventing, mitigating, and responding to cyberattacks.
- Disaster Planning, Preparedness, and Response—Maintain \$9.4 million (\$9.2 million General Fund) and 50 positions to enhance Cal OES’s ability to prepare for, respond to, and assist the state in recovering from disasters while maximizing eligible federal reimbursements.
- Seismic Safety Commission Transfer—Maintain \$2.5 million (\$503,000 General Fund) to transfer the Seismic Safety Commission to Cal OES. These resources will be critical to supporting the effective integration of the Seismic Safety Commission into Cal OES, resulting in increased coordination, earthquake preparedness and seismic safety benefits. The May Revision reduces this proposal by \$446,000 General Fund.
- Wildfire Forecast and Threat Intelligence Integration Center—Maintain \$2 million General Fund to enhance the state’s emergency response capabilities through improved forecasts for tracking and predicting critical fire weather systems, which improves situational awareness of fire threat conditions in real-time, consistent with Chapter 405, Statutes of 2019 (SB 209). The May Revision proposes to reduce this proposal by \$6.8 million General Fund across various departments.

GENERAL FUND SOLUTIONS

The May Revision proposes to withdraw \$101.8 million (\$26.8 million General Fund) for Cal OES and Department of Forestry and Fire Protection (CAL FIRE) for implementation of the home hardening pilot grant program authorized by Chapter 391, Statutes of 2019 (AB 38). Infrastructure investments to improve the resiliency of vulnerable communities will be considered as part an overall infrastructure plan.

The May Revision maintains \$8.3 million Greenhouse Gas Reduction Fund for CAL FIRE to meet defensible space-related and other requirements pursuant to AB 38.

DEPARTMENT OF FORESTRY AND FIRE PROTECTION

Recent forecasts indicate that 2020 is likely to be an active fire year given lower than average precipitation, snowpack, and fuel moisture levels.

Despite the significant budget shortfall, the May Revision reflects an additional \$90 million General Fund (\$142.7 million ongoing) to further enhance CAL FIRE's fire protection capabilities for the 2020 fire season and beyond.

- CAL FIRE Relief Staffing and Early Ramp-Up of 2020 Fire Season Surge Capacity—Maintain \$85.6 million General Fund (\$135.1 million ongoing) for permanent firefighting positions to provide CAL FIRE with operational flexibility throughout the peak fire season and beyond as fire conditions dictate. These resources will be leveraged to provide relief for frontline firefighting staff, which will directly benefit employee health and wellness. Additionally, these resources will serve as an immediate resource pool to be deployed strategically, based on fire risk, to build CAL FIRE's surge capacity by staffing additional engines during the late fall, winter, and early spring, and adding a fourth firefighter on a portion of engines. Given the urgent needs associated with preparing for the upcoming 2020 peak fire season, CAL FIRE will utilize seasonal firefighters and other surge capacity resources and begin phasing in permanent firefighting staff later in the year.
- Innovation Procurement Sprint—An increase of \$4.4 million General Fund (\$7.6 million ongoing) to enable CAL FIRE to implement the new pioneering wildfire prediction and modeling technology that was procured through the Innovation Procurement Sprint process initiated through Executive Order N-04-19. The recently-executed contract will enable CAL FIRE to access a wildfire predictive software program that can perform hundreds of millions of simulations daily, over large geographic areas, and generate predictions and wildfire forecasts based on simulated or reported ignition points throughout the state. The data from this software program will be used to inform fire pre-positioning and suppression tactical operations, with the intent to more readily control and contain wildfires, and to protect people and assets at risk.

GENERAL FUND SOLUTIONS

The following proposals are withdrawn from the Governor's Budget:

- Direct Mission Support—\$34.3 million General Fund.
- Wildland Firefighting Research Grant Program—\$5 million General Fund.

WILDFIRE MITIGATION EFFORTS

The May Revision continues to build on the California Public Utilities Commission's emergency response and preparedness efforts and includes an additional 11 positions for the Commission to further improve its Wildfire Mitigation Plan guidelines and performance metrics. Overall, the

Governor's Budget and May Revision together contain 106 new positions and \$30 million for the Commission to address issues related to utility-caused wildfires.

PUBLIC SAFETY

DEPARTMENT OF CORRECTIONS AND REHABILITATION

To reduce costs, the May Revision also proposes efficiencies, as follows:

- **Consolidate Fire Camps**—The May Revision proposes the consolidation of fire camps that are currently not at capacity. The May Revision assumes the closure of eight camps, that will be selected in coordination with the California Department of Forestry and Fire Protection (CAL FIRE). The locations selected will take into consideration proximity to other fire camps in an effort to minimize impacts to communities that rely on the services provided by inmate fire crews. CDCR's savings are estimated to be \$7.4 million General Fund in 2020-21 and \$14.7 million ongoing.

ENVIRONMENTAL PROTECTION

CAP AND TRADE EXPENDITURE PLAN

The Governor's Budget proposed a \$965 million Cap and Trade Expenditure Plan, which continued support for several existing ongoing programs while prioritizing community air protection, where emissions have a disproportionate impact on disadvantaged populations in both urban and rural communities.

The May Revision maintains the Governor's Budget Cap and Trade Expenditure Plan and establishes a "pay-as-you-go" budget mechanism to authorize budget act expenditures based on actual proceeds received at each quarterly auction. This proposed budget mechanism will prioritize initial auction proceeds for the following programs:

- **Air Quality in Disadvantaged Communities:** AB 617 Community Air Protection Program and agricultural diesel emission reduction.
- **Forest Health and Fire Prevention,** including implementation of the requirements of Chapter 391, Statutes 2019 (AB 38).
- **Safe and Affordable Drinking Water.** Departments would be directed to prioritize non-discretionary costs, such as salaries and wages, and any remaining auction proceeds would be allocated to other programs proportionally.

DEPARTMENT OF TOXIC SUBSTANCES CONTROL REFORM

The May Revision maintains the Administration's commitment to governance and fiscal reform for the Department of Toxic Substances Control.

GOVERNANCE

The May Revision maintains the proposal to establish a new Board of Environmental Safety to enhance the department's management structure, reflecting stakeholder input and addressing longstanding concerns about the department. Specifically, the new five-member Board will:

- Set and review fees through a public process;
- Provide an appeal forum for permit decisions; and
- Provide strategic guidance for the department director on key issues, including the hazardous waste permitting process and prioritization of site cleanup. The Board will also have an independent ombudsperson to serve as an impartial resource to the public for the evaluation of suggested actions the department should undertake.

FISCAL REFORM

The May Revision also maintains the proposal to establish a sustainable funding source to enable the Department to meet its statutory requirements, as well as eliminate the need for a General Fund backfill in future years. This proposal is comprised of three elements:

- **Fee Authority**—Statutory changes to authorize the Board to go through a public fee-setting process, with spending levels subject to the budget process. This will create fiscal stability into the future as circumstances change.
- **Hazardous Waste Fee Restructure**—Statutory language that will streamline the existing fee structure to provide the Board with the ability to set fees through a public process to distribute the cost of managing hazardous waste more equitably and support the polluter-pays principle.
- **Toxic Substances Control Account**—Statutory changes to authorize the Board to adjust the Environmental Fee through a public process.

CLIMATE RESILIENCE

The following proposal is withdrawn from the Governor's Budget:

- **Climate Catalyst Fund**—\$250 million General Fund

Since the Governor's Budget was released, climate leaders both inside and outside the Administration have identified more than 700 climate-related projects seeking more than \$5.8 billion in near-term capitalization. These include projects in transportation emission reduction, sustainable agriculture and forestry, circular economy, and clean power market expansion. While

budget realities preclude the use of General Fund to provide low-interest loans and loan guarantees for these projects, the Administration remains committed to leveraging private capital to support a Climate Catalyst Fund.

OTHER ADJUSTMENTS

DEPARTMENT OF TOXIC SUBSTANCES CONTROL

To reduce costs, the May Revision proposes fund shifts as follows:

- Funding from the Air Pollution Control Fund—\$59 million in expenditures from the General Fund to Air Pollution Control Fund penalty revenues on a one-time basis.
- Stringfellow Superfund Site—\$5.5 million in expenditures from the General Fund to existing special funds specifically dedicated for this purpose.

The following proposal is withdrawn from the Governor's Budget:

- New Clean up at Orphan Sites—\$4.2 million General Fund.

OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT

The following proposal is withdrawn from the Governor's Budget:

- Evaluating Unassessed Chemicals Using Precision Prevention Methodologies—\$6 million General Fund.

NATURAL RESOURCES

DEPARTMENT OF WATER RESOURCES

The May Revision maintains the following critical flood and water quality projects proposed in the Governor's Budget:

- American River Common Features Flood Control Project—\$46 million one-time General Fund for the 2020-21 cost associated with a Sacramento region flood control project that leverages \$1.5 billion in federal funding. The total state share for this project is \$277 million, and the remaining state share will be considered for inclusion in future infrastructure investments.
- New River Improvement Project—\$18 million one-time General Fund and \$10 million Proposition 68 bond funds to support the New River Improvement Project, which will address solid waste and pollution exposure challenges in the City of Calexico, and support health, recreation, and economic benefits in the area.

- Salton Sea Management Plan—\$19.3 million Proposition 68 bond funds to address the air quality and habitat restoration objectives at the Salton Sea through implementation of the North Lake Pilot Project.

GENERAL FUND SOLUTIONS

The following proposals are withdrawn from the Governor's Budget:

- Sustainable Groundwater Management Act Implementation—\$40 million General Fund. The state remains committed to supporting local communities' transition to sustainable groundwater use, and the Department of Water Resources will allocate \$26 million of existing Proposition 68 bond funds to local agencies in critically overdrafted basins to help defray the cost of implementation projects. In addition, a state interagency team will be created to work with stakeholders to identify tools and strategies to address the economic, environmental, and social effects of changing land use and agricultural production. Additional funding for SGMA-related projects may be considered for inclusion in future infrastructure investments.
- Tijuana River Project—\$35 million General Fund given potential alternative sources of funding which may be allocated for this purpose.

STATE PARKS

The May Revision maintains funding for the following projects to enhance the state park system.

- Establishing a New State Park—\$5 million General Fund, reduced from \$20 million in the Governor's Budget, to create a new state park that is inclusive and supports equitable access for all Californians. The Department will work with various philanthropic, conservation, and park interest groups to secure a property and design the vision and operations for the new park.
- Acquiring Lands to Expand Parks—\$4.6 million from various bond funds to acquire inholding properties that expand existing state parks and provide other co-benefits such as protecting biodiversity.
- Improving Facilities in Urban Areas—\$6.1 million Proposition 68 bond funds to expand access to state parks in urban areas and make other improvements to parks that serve disadvantaged communities.
- Enhancing Access Programming—\$8.8 million Proposition 68 bond funds to expand both technological and physical access to parks, as well as culturally inclusive enhancements to park programming and interpretive exhibits.

GENERAL FUND SOLUTIONS

To reduce costs, the May Revision proposes fund shifts as follows:

- Indian Heritage Center—\$95 million from the General Fund to lease revenue bonds. State Parks is in the process of completing the preliminary plans for the project. Once the plans are finalized, the state can explore the option of financing the project from lease revenue bonds.
- Deferred Maintenance—\$45 million from the General Fund to Proposition 68 bond funds for deferred maintenance projects in the state parks system.

The following proposal is withdrawn from the Governor's Budget:

- Outdoor Equity Grants Program—\$20 million General Fund to establish the outdoor equity grants program under Chapter 675, Statutes of 2019 (AB 209). The state remains committed to working with stakeholders to keep access to parks for all communities a priority.

Absent additional federal funds, the COVID-19 Recession makes the following reduction necessary to balance the state budget. This reduction will be triggered off if the federal government provides sufficient funding to restore it:

- Base Reductions—\$30 million ongoing General Fund beginning in 2021-22. State Parks will work with stakeholders to work on a reduction plan that maintains equity and regional access. The Department is collaborating regionally with local and federal park operators to ease current use restrictions and adapt park operations to updated public health conditions as informed by state and local public health orders, particularly as they relate to physical distancing. The Department will monitor fiscal impacts of recent and ongoing restricted park operations and any budget adjustments necessary from these modified operations will be addressed at a later time.

DEPARTMENT OF FISH AND WILDLIFE

The May Revision prioritizes funding for the following purposes:

- Cutting Green Tape—\$4 million to increase the scale and pace of restoration work, incorporate efficiencies into grant programs, and incorporate the use of programmatic permitting options.
- Land Management—\$2.2 million to improve the management of more than one million acres of wildlife areas and ecological reserves owned by the Department.

The following proposal is withdrawn from the Governor's Budget:

- Advancing Biodiversity Protection—\$13.8 million General Fund.

Absent additional federal funds, the COVID-19 Recession makes the following reduction necessary to balance the state budget. This reduction will be triggered off if the federal government provides sufficient funding to restore it:

- Baseline General Fund Reduction and Repurpose of the Habitat Conservation Fund—\$33.7 million General Fund to reduce the Department’s state operations General Fund expenditure level. This reduction will be partially offset by a \$18.9 million shift from the Habitat Conservation Fund to the new Biodiversity Protection Fund to support the Department's core biodiversity conservation and enforcement programs.

LABOR AND WORKFORCE DEVELOPMENT

ENFORCEMENT OF LABOR LAWS

Chapter 296, Statutes of 2019 (AB 5) established a new statutory employment test to determine whether a worker may be classified as an independent contractor instead of an employee. The May Revision maintains the Governor's Budget proposal to enforce compliance with AB 5, including \$17.5 million for the Department of Industrial Relations, \$3.4 million for the Employment Development Department, and \$780,000 for the Department of Justice.

STATE SUPPORT FOR RENTERS AND HOMEOWNERS

The May Revision proposes to expend \$331 million in National Mortgage Settlement funds for housing counseling, mortgage assistance and renter legal aid services as follows: the California Housing Financing Agency will administer \$300 million for housing counseling and mortgage assistance, and the remaining \$31 million to the Judicial Council to provide grants to legal aid services organizations.

STATE FUNDING FOR HOUSING

The May Revision maintains the \$500 million in low-income housing state tax credits in the Governor's Budget. This program will continue to expedite housing development throughout the state by leveraging federal bonding capacity to create more opportunities for tax-exempt building of affordable housing. The state also continues ongoing investments including a real estate transaction fee (estimated at \$277 million for 2020-21) for affordable housing, ongoing revenue from cap and trade auction proceeds (estimated at \$452 million for 2020-21) for infill development that also reduces vehicle miles traveled and greenhouse gas emissions, and \$4 billion in Proposition 1 bonds for veterans and affordable housing programs. The Administration will work to expedite allocation of these bond funds.

The May Revision includes \$1.1 billion in available federal funds through the Community Development Block Grant Program for critical infrastructure and disaster relief related to the 2017 and 2018 wildfires.

Additionally, California is estimated to receive a total of \$532 million in federal funds for housing and homeless programs under the CARES Act. These funds will assist the state and local jurisdictions in acquiring housing for people experiencing homelessness, as well as securing low- and moderate-income housing in response to the COVID-19 pandemic. The state intends to utilize these funds to continue bolstering necessary housing production in the aftermath of the COVID-19 pandemic. Given the increased federal funds and anticipated future actions to support jobs and infrastructure, as well as the effects of the COVID-19 Recession, the following funds are proposed for reversion:

- \$250 million in mixed-income development funds over the next three years.
- \$200 million in infill infrastructure grant funds.
- \$115 million in other housing program funds.

These funds have not been allocated or dedicated to specific projects.

IMPROVING STATE HOUSING PROCESSES AND PROCEDURES

The May Revision proposes to leverage federal funds and existing state programs and properties to implement a comprehensive strategy to increase housing supply and to support preservation, protection, and production of housing. This includes:

- Preserving existing subsidized affordable housing stock by stabilizing existing deed-restricted affordable housing and guarding against private sector actors buying up distressed assets;
- Seeking strategies to stabilize tenants in existing units;
- Significantly streamlining, upzoning and producing new housing units, especially on excess and surplus lands, in transit-oriented infill areas and on public land; and
- Building a workforce development strategy to support a skilled and trained housing workforce pipeline with high-road wage rates and promoting innovative alternative construction methods.

ENHANCING GOVERNMENT EFFICIENCY

Nearly all state operations will be reduced over the next two years. Nonessential contracts, purchases, and travel are suspended. Departments have been directed to fill only the most essential vacant positions.

Legislative Update

The following bills of significance were heard this week and passed out of their first committee:

[Assembly Bill 1945 \(Salas\)](#) would define first responder to include a peace officer, firefighter, paramedic, emergency medical technician, public safety dispatcher, public safety telecommunicator or emergency response communication employee.

[Assembly Bill 2054 \(Kamlager\)](#) would require Cal OES to establish guidelines for grant opportunities for community organizations supporting emergency response activities.

[Assembly Bill 2107 \(Rodriguez\)](#) would authorize a special district to issue securitized limited obligation notes for the acquisition of land, facilities or equipment.

[Assembly Bill 2178 \(Levine\)](#) would include a public safety power shutoff within the conditions constituting a state of emergency or local emergency.

[Assembly Bill 2213 \(Limón\)](#) would require Cal OES to develop model guidelines for local government and community-based organizations to track and coordinate community resources during a disaster.

[Assembly Bill 2421 \(Quirk\)](#) would require local agencies to adopt approval procedures for an application to install an emergency standby generator at cell tower sites.

[Assembly 3074 \(Friedman\)](#) would require a structure owner to use more intensive fuel reduction ember resistance in the area between 5 and 30 feet of the structure.

[Assembly Bill 3164 \(Friedman\)](#) would establish an advisory work group to consult with CAL FIRE and to establish a wildfire model risk for communities.

[Assembly Bill 3256 \(E. Garcia\)](#) would place a \$6.98 Billion bond act on the ballot to finance projects for wildfire prevention, safe drinking water, climate resistance, drought preparation and flood protection.

[Assembly Bill 3267 \(Smith\)](#) would require Cal OES to complete an after-action report within 180 days after a declared disaster.

[Senate Bill 884 \(Dodd\)](#) would add public safety power shutoffs to the local emergency list.

[Senate 1199 \(McGuire\)](#) would establish a Commission on Home Hardening to include the Insurance Commissioner, State Fire Marshal, Executive Director of the Building Standards Commission and the Director of Cal OES to develop a three-tiered system of fire prevention within the Wildland Urban Interface environment.

1st House				2nd House								

Summary: Current law requires the Department of Housing and Community Development to propose building standards to the California Building Standards Commission, and to adopt, amend, or repeal rules and regulations governing, among other things, apartment houses and dwellings, as specified. This bill would require the department to propose small home building standards governing accessory dwelling units smaller than 800 square feet, junior accessory dwelling units, and detached dwelling units smaller than 800 square feet, as specified, and to submit the small home building standards to the California Building Standards Commission for adoption on or before January 1, 2021.

1st House				2nd House							

Summary: Current law establishes a program within all cities and all counties and portions thereof located within seismic zone 4, as defined, to identify all potentially hazardous buildings and to establish a mitigation program for these buildings. The mitigation program may include, among other things, the adoption by ordinance of a hazardous buildings program, measures to strengthen buildings, and the application of structural standards necessary to provide for life safety above current code requirements. Current law requires the Alfred E. Alquist Seismic Safety Commission to report annually to the Legislature on the filing of mitigation programs relating to building construction standards from local jurisdictions. This bill would require the commission, by specified deadlines, to identify funding and develop a bidding process for hiring a third-party contractor to create an inventory of potentially vulnerable buildings, as defined.

1st House				2nd House							

Summary: The Mitigation Fee Act requires a local agency that establishes, increases, or imposes a fee as a condition of approval of a development project to, among other things, determine a reasonable relationship between the fee's use and the type of development project on which the fee is imposed. This bill would prohibit a local agency from imposing a housing impact requirement adopted by the local agency on a housing development project, as defined, unless specified requirements are satisfied by the local agency, including that the housing impact requirement be roughly proportional in both nature and extent to the impact created by the housing development project.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law, until January 1, 2026, authorizes a development proponent to submit an application for a multifamily housing development, which satisfies specified objective planning standards, that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit. Current law requires a local government to notify the development proponent in writing if the local government determines that the development conflicts with any of those objective standards by a specified time; otherwise, the development is deemed to comply with those standards. Current law provides that if a local government approves a project pursuant to that process, that approval will not expire until a specified period of time depending on the nature of the development. This bill would, notwithstanding those provisions, authorize a development proponent to submit an application for a development to be subject to a streamlined, ministerial approval process provided that development meet specified objective planning standards, including that the development provide housing for persons and families of low or moderate income

Summary: Would require the California Building Standards Commission, by June 30, 2021, to assemble a functional recovery working group comprised of certain state entities and members of the construction and insurance industries, as specified. The bill would require the working group, by June 30, 2023, to consider whether a "functional recovery" standard is warranted for all or some building occupancy classifications, using specified criteria, and to investigate the practical means of implementing that standard, as specified. The bill would require the working group to advise the appropriate state agencies to propose the building standards, as specified. The bill would authorize the commission to adopt regulations based upon the recommendations from the working group for nonresidential occupancies. The bill would define "functional recovery" for purposes of these provisions, as specified.

Calendar: 5/22/2020 9 a.m. - John L. Burton Hearing Room (4203) SENATE JUDICIARY, JACKSON, Chair

Summary: Current law prescribes various requirements to be satisfied before the exercise of a power

of sale under a mortgage or deed of trust and prescribes a procedure for the exercise of that power. With regard to the exercise of a power of sale under a mortgage or deed of trust, current law requires the sale to be held in the county where the property or some part of it is situated and to be made at auction, to the highest bidder, as specified. Current law generally requires that if the property consists of several lots or parcels, they are to be sold separately unless the deed of trust or mortgage provides otherwise. This bill, for purposes of the exercise of a power of sale as described above, would prohibit a purchaser from buying more than 3 properties at any auction regardless of the seller of the property.

Location: 4/6/2020-S. E. U., & C.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires the Office of Emergency Services to develop a plan and timeline of target dates for the testing, implementation, and operation of a Next Generation 911 emergency communication system, including text to 911 service, throughout California. Current law requires the Next Generation 911 emergency communication system to incorporate certain elements, including public safety communications, as specified. The bill would expressly authorize the office to establish requirements for the Next Generation 911 emergency communication system, including the costs, services, and terms and conditions for contractors selected by the office to provide Next Generation 911 services. The bill would authorize the office to direct the Public Utilities Commission to implement the terms of service requirements for those contractors selected by the office to provide Next Generation 911 services.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law authorizes each county, including a city and county, to enter into an agreement to access the contact information of resident accountholders through the records of a public utility or other agency responsible for water service, waste and recycling services, or other property-related services for the sole purpose of enrolling county residents in a county-operated public emergency warning system. Current law requires any county that enters into such an agreement to include procedures to enable any resident to opt out of the warning system and a process to terminate the receiving agency's access to the resident's contact information. Current law prohibits the use of the information gathered for any purpose other than for emergency notification. This bill would expand these provisions to authorize a city to enter into an agreement to access the contact information of resident accountholders through the records of a public utility, as specified.

Summary: The California FAIR Plan Association is a joint reinsurance association formed by state insurers licensed to write and engaged in writing basic property insurance within this state to assist persons in securing basic property insurance and to formulate and administer a program and FAIR Plan for the equitable apportionment among insurers of basic property insurance. Existing law requires each insurer to participate in the writings, expenses, and profits and losses of the association in the proportion that its premiums written bear to the aggregate premiums written by all insurers in the program, as specified, but requires the plan to provide for a method for insurers who voluntarily write basic property insurance on risks located in areas designated as brush hazard areas to be proportionately relieved of the liability to participate in the plan. This bill would add to the insurers that are proportionately relieved of the liability to participate in the FAIR Plan those voluntarily writing basic property insurance on risks in high or very high fire hazard severity zones, as determined and mapped by the Department of Forestry and Fire Protection.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current property tax law requires, for property to be eligible for reassessment under specified provisions, that damage or destruction be caused by one of 3 specified occurrences, including a major misfortune or calamity in an area or region subsequently proclaimed by the Governor to be in a state of disaster if the property was damaged or destroyed by the misfortune or calamity that caused the Governor to proclaim the region to be in a state of disaster. Current property tax law generally requires that an application for reassessment be filed within the later of the time specified in the county's ordinance or within 12 months of the misfortune or calamity and be executed under penalty of perjury. This bill would expand these provisions to include damage to or destruction of property due to a misfortune or calamity in an area or region subsequently proclaimed by the Governor to be in a state of emergency if the property was damaged or destroyed by the misfortune or calamity that caused the Governor to proclaim the area to be in a state of emergency.

Summary: Under current law, a person injured in the course of employment is generally entitled to receive workers' compensation on account of that injury. Current law provides that, in the case of certain state and local firefighting personnel and peace officers, the term "injury" includes various medical conditions that are developed or manifested during a period while the member is in the service of the department or unit, and establishes a disputable presumption in this regard. This bill would provide, for injuries occurring after January 1, 2021, that in the case of private sector emergency medical services personnel contracted with a state, local, tribal, or special district to provide emergency medical services, the term "injury" also includes post-traumatic stress that develops or manifests itself during a period in which the injured person is providing emergency medical services pursuant to a contract with the state agency, local agency, tribe, or special district.

Summary: Current law, until July 1, 2022, imposes a penalty of \$4 until July 1, 2020, upon every conviction for a violation of the Vehicle Code or a local ordinance adopted pursuant to the Vehicle Code, other than a parking offense. The act requires the county or court that imposed the fine to transfer the revenues collected to the Treasurer for deposit into the Emergency Medical Air Transportation and Children's Coverage Fund. Existing law requires the assessed penalty to continue to be collected, administered, and distributed until exhausted or until December 30, 2021, whichever occurs first. This bill would extend the above-specified dates by 2 years. By extending the length of time a county is required to collect and transfer the fines imposed, the bill would impose a state-mandated local program.

Status: 5/5/2020-Re-referred to Com. on HEALTH.

Location: 4/24/2020-A. HEALTH

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Medi-Cal Emergency Medical Transportation Reimbursement Act imposes a quality assurance fee for each emergency medical transport provided by an emergency medical transport provider subject to the fee in accordance with a prescribed methodology. Current law exempts an eligible provider from the quality assurance fee and add-on increase for the duration of any Medi-Cal managed care rating during which the program is implemented. Current law requires each applicable Medi-Cal managed care health plan to satisfy a specified obligation for emergency medical transports and to provide payment to noncontract emergency medical transport providers, and provides that this provision does not apply to an eligible provider who provides noncontract emergency medical transports to an enrollee of a Medi-Cal managed care plan during any Medi-Cal managed care rating period that the program is implemented. The bill would provide that during the entirety of any Medi-Cal managed care rating period for which the program is implemented an eligible provider shall not be an emergency medical transport provider, as defined, who is subject to a quality assurance fee or eligible for the add-on increase, and would provide that the program's provisions do not affect the application of the specified add-on to any payment to a nonpublic emergency medical transport provider.

Summary: Current law requires every county to apply to the Secretary for Environmental Protection to be certified to implement the unified program, and authorizes a city or local agency that meets specified requirements to apply to the secretary to be certified to implement the unified program, as a certified unified program agency, or CUPA. Current law authorizes the UPA, if the UPA determines that a person has committed, or is committing, a violation of any law, regulation, permit, information request, order, variance, or other requirement that the UPA is authorized to enforce or implement, to issue an administrative enforcement order requiring that the violation be corrected and imposing an administrative penalty. Current law authorizes a UPA to suspend or revoke any unified program facility permit, or an element of a unified program facility permit, for not paying the permit fee or a fine or penalty associated with the permit in accordance with specified procedures. This bill would revise specified requirements to explicitly require noncompliance with a written notice before a permit or permit element may be suspended or revoked, and would additionally authorize the UPA to withhold issuance of the permit or permit element if a unified program facility does not comply with a written notice.

Current Text: Introduced: 2/21/2020 [html](#) [pdf](#)

Introduced: 2/21/2020

Status: 5/13/2020-From committee: Do pass and re-refer to Com. on APPR. with recommendation: To Consent Calendar. (Ayes 20. Noes 0.) (May 12). Re-referred to Com. on APPR.

Location: 5/12/2020-A. APPR.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Would require the Office of Emergency Services to, by January 1, 2022, establish best practices for counties developing and updating a county emergency plan. The bill would require the office to, by January 1, 2022, establish a review process for a county to request the office to review a county's emergency plan. The bill would require that review process to provide technical assistance and feedback regarding, among other things, an emergency plan's consistency with the office's proposed best practices.

Introduced: 1/28/2019

Status: 7/10/2019-Failed Deadline pursuant to Rule 61(a)(10). (Last location was G.O. on 5/30/2019) (May be acted upon Jan 2020)

Location: 7/10/2019-A. 2 YEAR

Desk	Policy	Fiscal	Floor	Desk	2 year	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered	
1st House				2nd House								

Summary: The Elder California Pipeline Safety Act of 1981 requires the State Fire Marshal to administer provisions regulating the inspection of intrastate pipelines that transport hazardous liquids. The act requires a pipeline operator to make available to the State Fire Marshal, or any officers or employees authorized by the State Fire Marshal, upon presentation of appropriate credentials, any records, maps, or written procedures that are required by the act to be kept by the pipeline operator and which concern accident reporting, design, construction, testing, or operation and maintenance. This bill would revise and recast specified provisions and would authorize the State Fire Marshal, for purposes of carrying out the requirements of state or federal law relating to hazardous liquid pipeline safety, to require the owner or operator of a pipeline to establish and maintain records, make reports, and provide any information that the State Fire Marshal reasonably requires, as provided.

1st House				2nd House							

Summary: Current law requires the planning agency to review and, if necessary, revise the safety element upon each revision of the housing element or local hazard mitigation plan, but not less than once every 8 years to identify new information relating to flood and fire hazards and climate adaptation and resiliency strategies applicable to the city or county that was not available during the previous revision of the safety element. Current law requires that the Office of Planning and Research, among other things, coordinate with appropriate entities, including state, regional, or local agencies, to establish a clearinghouse for climate adaptation information for use by state, regional, and local entities, as provided. This bill would require the safety element, upon the next revision of the housing element or the hazard mitigation plan, on or after January 1, 2020, whichever occurs first, to be reviewed and updated as necessary to include a comprehensive retrofit strategy to reduce the risk of property loss and damage during wildfires, as specified, and would require the planning agency to submit the adopted strategy to the Office of Planning and Research for inclusion into the above-described clearinghouse.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	2 year	Conf. Conc.	Enrolled	Vetoed	Chaptered	
1st House				2nd House								

Summary: Existing law requires a public water system with 10,000 or more service connections to undertake specified actions, including, among other things, to review and revise its disaster preparedness plan to ensure that it is sufficient to address possible disaster scenarios and, following a declared state of emergency, to furnish an assessment of its emergency response within 6 months thereafter and implement related recommendations in a timely manner. Existing law also requires the Office of Emergency Services to establish emergency response and recovery plans in coordination with public water systems. This bill would instead require an urban water supplier, as defined, to review and revise its emergency response plan as required by federal law. The bill would require the Office of Emergency Services to establish emergency response and recovery plans in coordination with urban water suppliers. Because the bill would require local agencies to perform additional duties, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary: The California Community Care Facilities Act provides for the licensure and regulation of community care facilities by the State Department of Social Services, including, among others, adult day programs, group homes, enhanced behavioral support homes, and crisis nurseries. Current law requires a residential care facility for the elderly to have an emergency and disaster plan that includes specified components, including evacuation procedures. Current law requires the facility to train employees on the plan, conduct emergency drills at least quarterly, review and update the plan, and make the plan available to certain individuals upon request. Existing law also requires the facility to have specified information readily available to staff during an emergency and to have specified emergency precautions in place. Current law requires the State Department of Social Services Community Care Licensing Division to confirm during annual licensing visits that the plan is on file and includes required content. This bill would make the emergency and disaster preparedness provisions that are applicable to a residential care facility for the elderly, as described above, applicable to an adult residential facility and certain types of a children's residential facility licensed under the California Community Care Facilities Act, a residential care facility for persons with chronic life-threatening illness, and a child daycare facility.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Emergency Services Act includes various provisions intended to mitigate the effects of emergencies and to generally protect the health and safety and preserve the lives and property of the people of the state. Among other things, the act authorizes the Governor to expend any appropriation for support of the act to carry out its provisions. This bill would require the Governor to submit a copy of any contract executed with moneys authorized for expenditure, as described above, to the Joint Legislative Budget Committee and members of the Senate Committee on Budget and Fiscal Review and the Assembly Committee on Budget within 72 hours of the contract becoming final.

Summary: Current law requires every peace officer to participate in expanded training prescribed by the Commission on Peace Officer Standards and Training that includes and examines evidence-based patterns, practices, and protocols that make up racial and identity profiling, including implicit bias. Once basic training is completed, current law requires specified peace officers to complete a refresher course on racial and identity profiling at least every 5 years. This bill would require those peace officers

currently required to take the refresher course every 5 years, and additional peace officers, as specified, to instead take refresher training on racial and identity profiling, including the understanding of implicit bias and the promotion of bias-reducing strategies, at least every 2 years.

	1st House				2nd House						

Summary: Current law creates the Division of Labor Standards Enforcement, which is headed by the Labor Commissioner, and commits to it the general authority to enforce the requirements of the Labor Code. Current law generally authorizes people who believe that they have been discharged or otherwise discriminated against in violation of any law enforced by the Labor Commissioner to file a complaint with the Division of Labor Standards Enforcement within 6 months after the occurrence of the violation. Existing law generally requires the Labor Commissioner to commence actions to enforce labor standards within 3 years of their accrual, as specified. This bill would extend the period of time within which people may file complaints subject to the 6-month deadline, described above, to within

one year after the occurrence of the violations.

1st House				2nd House							

Summary: The Firefighters Procedural Bill of Rights Act grants certain employment rights to firefighters, as defined. Among other things, the act requires that, when a firefighter is under investigation and is interrogated by the firefighter's commanding officer, or another member of the employing agency, on matters that could lead to punitive action, the interrogation be conducted pursuant to certain requirements. Current law defines "punitive action" for these purposes as any action that may lead to dismissal, demotion, suspension, reduction in salary, written reprimand, or transfer for purposes of punishment. This bill would include in the definition of "firefighter" a temporary, seasonal firefighter employed by the Department of Forestry and Fire Protection.

1st House				2nd House							

Summary: Current law establishes a workers' compensation system, administered by the Administrative Director of the Division of Workers' Compensation, to compensate an employee for injuries sustained in the course of employment. Current law requires the administrative director to contract with an outside, independent research organization on or after March 1, 2019, to evaluate the impact of the provision of medical treatment within the first 30 days after a claim is filed, for a claim filed on or after January 1, 2017, and before January 1, 2019. Current law requires the report to be provided to the administrative director, the Senate Committee on Labor and Industrial Relations, and the Assembly Committee on Insurance before January 1, 2020. This bill, instead, would require the evaluation to cover a claim filed on or after January 1, 2017, and before January 1, 2021, and would require the report to be submitted to the administrative director and those legislative committees before January 1, 2022.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law provides, only until January 1, 2025, that, for certain state and local firefighting personnel and peace officers, the term "injury" includes post-traumatic stress that develops or manifests during a period in which the injured person is in the service of the department or unit, but applies only to injuries occurring on or after January 1, 2020. Current law requires the compensation awarded pursuant to this provision to include full hospital, surgical, medical treatment, disability indemnity, and death benefits. This bill would make that provision applicable to active firefighting members of the State Department of State Hospitals, the State Department of Developmental Services, and the Military Department, and to additional peace officers, including security officers of the Department of Justice when performing assigned duties as security officers and the officers of a state hospital under the jurisdiction of the State Department of State Hospitals or the State Department of Developmental Services, among other officers.

1st House				2nd House							

Calendar: 5/14/2020 1:30 p.m. - John L. Burton Hearing Room (4203) SENATE LABOR, PUBLIC EMPLOYMENT AND RETIREMENT, HILL, Chair

Summary: Current law, including the Meyers-Milias-Brown Act, the Ralph C. Dills Act, the Trial Court Employment Protection and Governance Act, the Trial Court Interpreter Employment and Labor Relations Act, and the Los Angeles County Metropolitan Transportation Authority Transit Employer-Employee Relations Act, provisions commonly referred to as the Educational Employment Relations Act, and the Higher Education Employer-Employee Relations Act, among others, regulates the labor relations of the state, the courts, and specified local public agencies and their employees. Current law requires these public employers to provide certain labor representatives with the names and home addresses of newly hired employees, as well as their job titles, departments, work locations, telephone numbers, and personal email addresses, within 30 days of hire or by the first pay period of the month following hire. Current law also requires the public employers to provide this information for all employees in a bargaining unit at least every 120 days, except as specified. This bill would generally authorize an exclusive representative to file a charge of an unfair labor practice with the Public Employment Relations Board, as specified, alleging a violation of the above-described requirements.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California FAIR Plan Association is a joint reinsurance association formed by state insurers licensed to write and engaged in writing basic property insurance within this state to assist persons in securing basic property insurance and to formulate and administer a program and FAIR Plan for the equitable apportionment among insurers of basic property insurance. Existing law requires each insurer to participate in the writings, expenses, and profits and losses of the association in the proportion that its premiums written bear to the aggregate premiums written by all insurers in the program, as specified, but requires the plan to provide for a method for insurers who voluntarily write basic property insurance on risks located in areas designated as brush hazard areas to be proportionately relieved of the liability to participate in the plan. This bill would add to the insurers that are proportionately relieved of the liability to participate in the FAIR Plan those voluntarily writing basic property insurance on risks in high or very high fire hazard severity zones, as determined and mapped by the Department of Forestry and Fire Protection.

Location: 2/20/2020-S. RLS.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chapters
1st House				2nd House							

Summary: Current law, until January 1, 2025, authorizes local agencies, as defined, to use the design-build procurement process for specified public works projects with prescribed cost thresholds. Current law states that it is the intent of the Legislature that existing law provides general authorization for local agencies to use design-build for certain projects. Current law establishes procedures for a contract awarded under these provisions on the basis of best value, including a requirement that competitive proposals be evaluated by using only the criteria and selection procedures specifically identified in the request for proposals. Current law further requires that prescribed minimum factors be weighted as the local agency deems appropriate. This bill would modify the intent of the Legislature to specify that design-build for these purposes includes conventional, progressive, and target price. The bill, with regard to best value evaluation, would require the prescribed minimum factors be included only if applicable to the delivery method.

1st House				2nd House							

Summary: The Meyers-Milias-Brown Act requires the governing body of a public agency to meet and confer in good faith regarding wages, hours, and other terms and conditions of employment with representatives of recognized employee organizations. Under the act, if the representatives of the public agency and the employee organization fail to reach an agreement, they may mutually agree on the appointment of a mediator and equally share the cost. Current law provides that after any applicable mediation and factfinding procedures have been exhausted, but no earlier than 10 days after the factfinders' written findings of fact and recommended terms of settlement have been submitted to the parties, a public agency that is not required to proceed to interest arbitration may, after holding a hearing regarding the impasse, implement its last, best, and final offer.

Summary: The Information Practices Act of 1977 prescribes a set of requirements, prohibitions, and remedies applicable to public agencies, as defined, with regard to their collection, storage, and disclosure of personal information. The act specifically requires an agency to establish rules of conduct for persons involved in the design, development, operation, disclosure, or maintenance of records containing personal information and to instruct these people with respect to the rules and the requirements of the act. This bill would require that the above-described rules of conduct include security awareness and training policies and procedures.

Summary: The Community Services District Law authorizes the establishment of community services districts to provide various public facilities and services. That law establishes procedures for forming zones within specific areas of a community services district to provide different services, different levels of service, different facilities, or additional revenue. The law, among other things, requires a public hearing on the formation of a zone, at which the board of directors is required to hear protests of the formation of the zone, as specified. This bill would make nonsubstantive changes to this public hearing provision.

Summary: The Ralph M. Brown Act requires meetings of the legislative body of a local agency to be open and public and also requires regular and special meetings of the legislative body to be held within the boundaries of the territory over which the local agency exercises jurisdiction, with specified exceptions. Current law authorizes a person to request that a copy of an agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. This bill would require, if the local agency has an internet website, a legislative body or its designee to email a copy of, or website link to, the agenda or a copy of all the documents constituting the agenda packet if the person requests that the items be delivered by email. The bill would require, where the local agency determines it is technologically infeasible to send a copy of all documents constituting the agenda packet or a website link containing the documents by electronic mail or by other electronic means, the legislative body or its designee to send by electronic mail a copy of the agenda or a website link to the agenda and mail a copy of all other documents constituting the agenda packet in accordance with the mailing requirements.

Summary: The Joint Exercise of Powers Act generally authorizes 2 or more public agencies to agree to jointly exercise a common power. Current law specifically authorizes 2 or more public agencies that have the authority to invest funds in their treasuries to agree to jointly exercise that common power and describes how funds subject to that agreement may be invested. This bill would authorize a joint powers authority formed as described above to establish the terms and conditions pursuant to which agencies may participate and invest in pool shares. The bill would specify that a federally recognized Indian tribe is eligible to participate in a joint powers authority formed for this purpose, consistent with its status as a public agency under the Joint Exercise of Powers Act, or to otherwise invest in pool shares consistent with the terms and conditions established by the joint powers authority.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Constitution prohibits a county, city, town, township, board of education, or school district from incurring a debt or liability in any manner or for any purpose exceeding in any year the income and revenue provided for the year, without approval by 2/3 of the voters of the public entity voting at an election to be held for that purpose, except for certain debts issued for public schools, as specified. Current case law has qualified this prohibition by creating certain exceptions that have been judicially deemed not to implicate it, including for revenue bonds and for obligations imposed by law. The California Constitution generally authorizes the Legislature to provide maximum property tax rates and bonding limits for local governments. Current law authorizes a local agency that intends to issue refunding bonds to do so without submitting the question of the issuance to a vote of the qualified electors of the local agency. This bill would require that refunding bonds to be used to refund pension obligation bonds with specified characteristics be approved by 55 percent of the voters of the local agency voting on the proposition that authorizes the indebtedness.

1st House				2nd House							

Summary: The Planning and Zoning Law requires each county and city to adopt a comprehensive, long-term general plan for its physical development, and the development of certain lands outside its boundaries, that includes, among other mandatory elements, a housing element. This bill, the Neighborhood Homes Act, would deem a housing development project, as defined, an authorized use on a neighborhood lot that is zoned for office or retail commercial use under a local agency’s zoning code or general plan. The bill would require the density for a housing development under these provisions to meet or exceed the density deemed appropriate to accommodate housing for lower income households according to the type of local jurisdiction, including a density of at least 20 units per acre for a suburban jurisdiction.

Summary: The Proposition 218 Omnibus Implementation Act prescribes specific procedures and parameters for local jurisdictions to comply with these requirements and, among other things, authorizes an agency providing water, wastewater, sewer, or refuse collection services to adopt a schedule of fees or charges authorizing automatic adjustments that pass through increases in wholesale charges for water, sewage treatment, or wastewater treatment or adjustments for inflation under certain circumstances. Current law defines, among other terms, the term “water” for these purposes to mean any system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water from any source. This bill would specify that “water” for purposes of the Proposition 218 Omnibus Implementation Act also includes the public fixtures, appliances, and appurtenances connected to an above-described system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water from any source.

Summary: Current law requires administration of PERS by the Board of Administration of PERS. Current law creates the Public Employees' Retirement Fund as a trust fund to be expended only for purposes related to the system and its administration, as specified, and provides that the fund is continuously appropriated for these purposes. Existing law, the California Public Employees' Pension Reform Act of 2013 (PEPRA), on and after January 1, 2013, generally requires a public retirement system, as defined, to modify its plan or plans to comply with the act, as specified. Under current law, data filed with the board by any member, retired member, beneficiary, or annuitant is confidential. This bill would make various technical and clarifying changes to these provisions, including specifying that data filed on behalf of any member, retired member, beneficiary, or annuitant is also confidential and that data may be divulged to other retirement systems that provide reciprocal benefits to members of PERS.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Public Employees' Medical and Hospital Care Act, which is administered by the Board of Administration of the Public Employees' Retirement System, governs the funding and provision of postemployment health care benefits for eligible retired public employees and their beneficiaries. The act deems a surviving spouse or other eligible family member of certain firefighters or peace officers, whose deaths occur as a result of injury or disease arising out of their official duties, to be an annuitant, as specified, for purposes of enrollment in a health benefit plan, if the spouse or family member is uninsured. Current law requires the employer of the deceased firefighter or peace officer to notify the board within 10 business days of the death of the employee, among other things, if that spouse or family member may be eligible for enrollment. This bill would reduce the period within which an employer is to provide notice to the board, as described above, to within 7 calendar days.

Summary: Would revise the provision of pension and other benefits to members of all state or local public retirement systems. The bill would apply its provisions prospectively to any member of a state or local public retirement system who is employed upon the date of its enactment and to any person who may be employed and become a member thereafter. The bill would void any limit on a pension that prohibits the pension from exceeding a percentage of final compensation, as specified. The bill would prohibit a local entity from establishing a deferred retirement option program, as described, and if a local entity has established a deferred retirement option program, whether or not the program is closed to new participants, it would be required to disenroll any participating employees and close the program.
