Re: FIRE Legislative Report – Week Ending May 29, 2020

2020-21 Budget

The Budget Committees of both Houses got to work in earnest this week. Holly Mitchell, the Senate Budget Chair has proposed an [alternative](#) State Budget, which reduces many of the Governor's cuts, particularly in the education, health, and welfare sectors. The Senator stated that her Budget recommendation "uses the Governor's framework but adds a couple of differences to safeguard support systems for California's most vulnerable residents." It would utilize more of the Reserve Fund (\$8 Billion) and provide for a similar amount through various borrowing methods. Legislative hearings on the State Budget will continue next week.

Legislative Update

Bills of interest, which moved out of their committees of origin include:

[Assembly Bill 2107 \(Rodriguez\)](#) to extend the securitized limited obligation note program providing affordable financing options for special districts.

[Senate Bill 1069 \(Jackson\)](#) would require telecommunications providers to report real time information on the location and status of their infrastructure and performance of emergency alert messages to local and state emergency management offices.

[Senate Bill 1120 \(Skinner\)](#) would modify the Subdivision Map Act by expanding the deployment of ministerial review for duplex development and subdivision of a parcel into two equal parts.

[Senate Bill 1312 \(McGuire\)](#) would require increased oversight activities by the PUC of electrical utility companies' programs to reduce fire risks and their reliance on public safety power

shutoffs. The bill would also revise the existing tariff agreement to provide for timelier under grounding of electric and communication lines in high fire threat areas.

[Senate Bill 1448 \(Bradford\)](#) would require an electrical corporation's wildfire mitigation plan to include a description of how it is going to utilize a diverse workforce in its contracting for hardening and vegetative management services.

FIRE Legislative Status Report
Report Date: 5/29/2020

Building Permits/Standards

[AB 69](#) (Ting D) Land use: accessory dwelling units.

Current Text: Amended: 6/20/2019 [html](#) [pdf](#)

Introduced: 12/3/2018

Last Amend: 6/20/2019

Status: 9/15/2019-Failed Deadline pursuant to Rule 61(a)(15). (Last location was INACTIVE FILE on 9/5/2019)(May be acted upon Jan 2020)

Location: 9/15/2019-S. 2 YEAR

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	2 year	Conf. Conc.	Enrolled	Vetoed	Chaptered	
1st House				2nd House								

Summary: Current law requires the Department of Housing and Community Development to propose building standards to the California Building Standards Commission, and to adopt, amend, or repeal rules and regulations governing, among other things, apartment houses and dwellings, as specified. This bill would require the department to propose small home building standards governing accessory dwelling units smaller than 800 square feet, junior accessory dwelling units, and detached dwelling units smaller than 800 square feet, as specified, and to submit the small home building standards to the California Building Standards Commission for adoption on or before January 1, 2021.

1st House				2nd House								

Summary: Current law establishes a program within all cities and all counties and portions thereof located within seismic zone 4, as defined, to identify all potentially hazardous buildings and to establish a mitigation program for these buildings. The mitigation program may include, among other things, the adoption by ordinance of a hazardous buildings program, measures to strengthen buildings, and the application of structural standards necessary to provide for life safety above current code requirements. Current law requires the Alfred E. Alquist Seismic Safety Commission to report annually to the Legislature on the filing of mitigation programs relating to building construction standards from local jurisdictions. This bill would require the commission, by specified deadlines, to identify funding and develop a bidding process for hiring a third-party contractor to create an inventory of potentially vulnerable buildings, as defined.

Summary: Would require the California Building Standards Commission, by June 30, 2021, to assemble a functional recovery working group comprised of certain state entities and members of the construction and insurance industries, as specified. The bill would require the working group, by June 30, 2023, to consider whether a "functional recovery" standard is warranted for all or some building occupancy classifications, using specified criteria, and to investigate the practical means of implementing that standard, as specified. The bill would require the working group to advise the appropriate state agencies to propose the building standards, as specified. The bill would authorize the commission to adopt regulations based upon the recommendations from the working group for nonresidential occupancies. The bill would define "functional recovery" for purposes of these provisions, as specified.

Calendar: 5/29/2020 #10 SENATE SENATE BILLS - SECOND READING FILE

Summary: Current law prescribes various requirements to be satisfied before the exercise of a power of sale under a mortgage or deed of trust and prescribes a procedure for the exercise of that power. With regard to the exercise of a power of sale under a mortgage or deed of trust, current law requires the sale to be held in the county where the property or some part of it is situated and to be made at auction, to the highest bidder, as specified. Current law generally requires that if the property consists of several lots or parcels, they are to be sold separately unless the deed of trust or mortgage provides otherwise. This bill, for purposes of the exercise of a power of sale as described above, would prohibit a purchaser from buying more than 3 properties at any auction regardless of the seller of the property.

Summary: Current law requires the Office of Emergency Services to develop a plan and timeline of target dates for the testing, implementation, and operation of a Next Generation 911 emergency communication system, including text to 911 service, throughout California. Current law requires the Next Generation 911 emergency communication system to incorporate certain elements, including public safety communications, as specified. The bill would expressly authorize the office to establish requirements for the Next Generation 911 emergency communication system, including the costs, services, and terms and conditions for contractors selected by the office to provide Next Generation 911 services. The bill would authorize the office to direct the Public Utilities Commission to implement the terms of service requirements for those contractors selected by the office to provide Next Generation 911 services.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law authorizes each county, including a city and county, to enter into an agreement to access the contact information of resident accountholders through the records of a public utility or other agency responsible for water service, waste and recycling services, or other property-related services for the sole purpose of enrolling county residents in a county-operated public emergency warning system. Current law requires any county that enters into such an agreement to include procedures to enable any resident to opt out of the warning system and a process to terminate the receiving agency's access to the resident's contact information. Current law prohibits the use of the information gathered for any purpose other than for emergency notification. This bill would expand these provisions to authorize a city to enter into an agreement to access the contact information of resident accountholders through the records of a public utility, as specified.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current property tax law requires, for property to be eligible for reassessment under specified provisions, that damage or destruction be caused by one of 3 specified occurrences, including a major misfortune or calamity in an area or region subsequently proclaimed by the Governor to be in a state of disaster if the property was damaged or destroyed by the misfortune or calamity that caused the Governor to proclaim the region to be in a state of disaster. Current property tax law generally requires that an application for reassessment be filed within the later of the time specified in the county's ordinance or within 12 months of the misfortune or calamity and be executed under penalty of perjury. This bill would expand these provisions to include damage to or destruction of property due to

a misfortune or calamity in an area or region subsequently proclaimed by the Governor to be in a state of emergency if the property was damaged or destroyed by the misfortune or calamity that caused the Governor to proclaim the area to be in a state of emergency.

1st House				2nd House				Conf. Conc.			

Calendar: 6/2/2020 9 a.m. - Assembly Floor ASSEMBLY APPROPRIATIONS, GONZALEZ, Chair

Summary: Would require an emergency ambulance provider to inform each emergency ambulance employee, upon initial employment and subsequently on an annual basis, of the employee's right to request safety devices and safeguards, as defined, at the beginning of the employee's shift. By creating a new duty for emergency ambulance providers, a violation of which would be a crime, the bill would impose a state-mandated local program. The bill would not apply to the state or a political subdivision of the state.

Summary: Current law, until July 1, 2022, imposes a penalty of \$4 until July 1, 2020, upon every conviction for a violation of the Vehicle Code or a local ordinance adopted pursuant to the Vehicle Code, other than a parking offense. The act requires the county or court that imposed the fine to transfer the revenues collected to the Treasurer for deposit into the Emergency Medical Air Transportation and Children's Coverage Fund. Existing law requires the assessed penalty to continue to be collected, administered, and distributed until exhausted or until December 30, 2021, whichever occurs first. This bill would extend the above-specified dates by 2 years. By extending the length of time a county is required to collect and transfer the fines imposed, the bill would impose a state-mandated local program.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Calendar: 6/2/2020 9 a.m. - Assembly Floor ASSEMBLY APPROPRIATIONS, GONZALEZ, Chair

Summary: Current law, upon a declaration of a shelter crisis by specified local jurisdictions, specifies additional provisions applicable to a shelter crisis declared by one of those jurisdictions. Current law exempts from the California Environmental Quality Act specified actions by a state agency or a city, county, or city and county relating to land owned by a local government to be used for, or to provide financial assistance to, a homeless shelter constructed pursuant to these provisions, and provides that homeless shelters constructed or allowed pursuant to these shelter crisis declarations are not subject to specified laws, including the Special Occupancy Parks Act. Current law also defines a "homeless shelter" as a facility with overnight sleeping accommodations, the primary purpose of which is to provide temporary shelter for the homeless that is not in existence after the declared shelter crisis. Current law requires a city, county, or city and county that declares a shelter crisis pursuant to these provisions to develop a plan to address the shelter crisis on or before July 1, 2019, or July 1, 2020, as

applicable, and to annually report to specified committees of the Legislature on or before January 1, 2019, or on or before January 1 of the year following the declaration of the shelter crisis, as applicable, and annually thereafter until January 1, 2023. Current law repeals these additional provisions as of January 1, 2023. This bill would instead apply those additional provisions to a shelter crisis declared by any county or city.

Desk	Policy	Fiscal	Floor	Desk	2 year	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Elder California Pipeline Safety Act of 1981 requires the State Fire Marshal to administer provisions regulating the inspection of intrastate pipelines that transport hazardous liquids. The act requires a pipeline operator to make available to the State Fire Marshal, or any officers or employees authorized by the State Fire Marshal, upon presentation of appropriate credentials, any records, maps, or written procedures that are required by the act to be kept by the pipeline operator and which concern accident reporting, design, construction, testing, or operation and maintenance. This bill would revise and recast specified provisions and would authorize the State Fire Marshal, for purposes of carrying out the requirements of state or federal law relating to hazardous liquid pipeline safety, to require the owner or operator of a pipeline to establish and maintain records, make reports, and provide any information that the State Fire Marshal reasonably requires, as provided.

Summary: Current law requires the planning agency to review and, if necessary, revise the safety element upon each revision of the housing element or local hazard mitigation plan, but not less than once every 8 years to identify new information relating to flood and fire hazards and climate adaptation and resiliency strategies applicable to the city or county that was not available during the

previous revision of the safety element. Current law requires that the Office of Planning and Research, among other things, coordinate with appropriate entities, including state, regional, or local agencies, to establish a clearinghouse for climate adaptation information for use by state, regional, and local entities, as provided. This bill would require the safety element, upon the next revision of the housing element or the hazard mitigation plan, on or after January 1, 2020, whichever occurs first, to be reviewed and updated as necessary to include a comprehensive retrofit strategy to reduce the risk of property loss and damage during wildfires, as specified, and would require the planning agency to submit the adopted strategy to the Office of Planning and Research for inclusion into the above-described clearinghouse.

Summary: Existing law requires a public water system with 10,000 or more service connections to undertake specified actions, including, among other things, to review and revise its disaster preparedness plan to ensure that it is sufficient to address possible disaster scenarios and, following a declared state of emergency, to furnish an assessment of its emergency response within 6 months thereafter and implement related recommendations in a timely manner. Existing law also requires the Office of Emergency Services to establish emergency response and recovery plans in coordination with public water systems. This bill would instead require an urban water supplier, as defined, to review and revise its emergency response plan as required by federal law. The bill would require the Office of Emergency Services to establish emergency response and recovery plans in coordination with urban water suppliers. Because the bill would require local agencies to perform additional duties, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Calendar: 5/29/2020 9 a.m. - Senate Chambers SENATE TRANSPORTATION, BEALL, Chair

Summary: Current regulations of the California Highway Patrol define a "hi-lo" to be a nonsiren sound alternating between a fixed high and a fixed low frequency and require the "hi-lo" function to be disabled on any siren manufactured after January 1, 1978. This bill would authorize an emergency vehicle to be equipped with a "hi-lo" audible warning sound and would authorize the "hi-lo" to be used solely for the purpose of notifying the public of an immediate need to evacuate. This bill would declare that it is to take effect immediately as an urgency statute.

Summary: Current law establishes the Office of Emergency Services within the office of the Governor and under the supervision of the Director of Emergency Services and makes the office responsible for the state's emergency and disaster response services for natural, technological, or human-made disasters and emergencies. Current law requires a county, upon the next update to its emergency plan, to integrate access and functional needs into its emergency plan by, at a minimum, addressing how the access and functional needs population, as defined, is served with regard to emergency communication, emergency evacuations, and emergency sheltering. This bill would add individuals who have Alzheimer's disease or dementia to the definition of "access and functional needs population."

Summary: Current law creates the Division of Labor Standards Enforcement, which is headed by the Labor Commissioner, and commits to it the general authority to enforce the requirements of the Labor Code. Current law generally authorizes people who believe that they have been discharged or otherwise discriminated against in violation of any law enforced by the Labor Commissioner to file a complaint with the Division of Labor Standards Enforcement within 6 months after the occurrence of the violation. Existing law generally requires the Labor Commissioner to commence actions to enforce labor standards within 3 years of their accrual, as specified. This bill would extend the period of time within which people may file complaints subject to the 6-month deadline, described above, to within one year after the occurrence of the violations.

Calendar: 6/2/2020 9 a.m. - Assembly Floor ASSEMBLY APPROPRIATIONS, GONZALEZ, Chair
Summary: Current law requires a person who owns, leases, controls, operates, or maintains an occupied dwelling or structure in, upon, or adjoining a mountainous area, forest-covered land, brush-covered land, grass-covered land, or land that is covered with flammable material that is within a very high fire hazard severity zone, as designated by a local agency, or a building or structure in, upon, or adjoining those areas or lands within a state responsibility area, to maintain a defensible space of 100 feet from each side and from the front and rear of the structure, as specified. A violation of these requirements is a crime. This bill would require a person described above to use more intense fuel reductions between 5 and 30 feet around the structure, and to create an ember-resistant zone within 5 feet of the structure, as provided.

Summary: Would require the Department of Forestry and Fire Protection, by July 1, 2022, to develop a wildland-urban interface wildfire risk model to determine the risk for a community or parcel within a local responsibility area or state responsibility area and guidelines for the proper use of the model, as provided. The bill would require the department to establish, and consult with, an advisory workgroup, with specified members, to develop the model. The bill would require the department to update the model and guidelines when fire hazard severity zones are revised.

Summary: The California Emergency Services Act, among other things, requires the Office of Emergency Services to update the State Emergency Plan on or before January 1, 2019, and every 5 years thereafter. The act also requires the office to complete an after-action report within 120 days after each declared disaster. This bill would require the office to coordinate with representatives of the access and functional needs population, as specified, when the office updates the State Emergency Plan. The bill would, instead, require the office to complete an after-action report within 180 days after each declared disaster.

Desk	Policy	Fiscal	Floor	Desk	2 year	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered	
1st House				2nd House								

Summary: This bill would require the Strategic Growth Council, until July 31, 2025, to establish and administer a local agency formation commissions grant program for the payment of costs associated with initiating and completing the dissolution of districts listed as inactive, the payment of costs associated with a study of the services provided within a county by a public agency to a disadvantaged community, as defined, and for other specified purposes, including the initiation of an action, as defined, that is limited to service providers serving a disadvantaged community and is based on determinations found in the study, as approved by the commission. The bill would specify application submission, reimbursement, and reporting requirements for a local agency formation commission to receive grants pursuant to the bill. The bill would require the council, after consulting with the California Association of Local Agency Formation Commissions, to develop and adopt guidelines, timelines, and application and reporting criteria for development and implementation of the program, as specified, and would exempt these guidelines, timelines, and criteria from the rulemaking provisions of the Administrative Procedure Act. The bill would make the grant program subject to an appropriation for the program in the annual Budget Act, and would repeal these provisions on January 1, 2026. This bill contains other existing laws.

Summary: The Joint Exercise of Powers Act generally authorizes 2 or more public agencies to agree to jointly exercise a common power. Current law specifically authorizes 2 or more public agencies that have the authority to invest funds in their treasuries to agree to jointly exercise that common power and describes how funds subject to that agreement may be invested. This bill would authorize a joint powers authority formed as described above to establish the terms and conditions pursuant to which agencies may participate and invest in pool shares. The bill would specify that a federally recognized Indian tribe is eligible to participate in a joint powers authority formed for this purpose, consistent with its status as a public agency under the Joint Exercise of Powers Act, or to otherwise invest in pool shares consistent with the terms and conditions established by the joint powers authority.

Calendar: 5/29/2020 #72 SENATE SENATE BILLS -THIRD READING FILE

Summary: The Proposition 218 Omnibus Implementation Act prescribes specific procedures and parameters for local jurisdictions to comply with these requirements and, among other things, authorizes an agency providing water, wastewater, sewer, or refuse collection services to adopt a schedule of fees or charges authorizing automatic adjustments that pass through increases in wholesale charges for water, sewage treatment, or wastewater treatment or adjustments for inflation under certain circumstances. Current law defines, among other terms, the term "water" for these purposes to mean any system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water from any source. This bill would specify that "water" for purposes of the Proposition 218 Omnibus Implementation Act also includes the public fixtures, appliances, and appurtenances connected to an above-described system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water from any source.

Summary: Current law requires administration of PERS by the Board of Administration of PERS. Current law creates the Public Employees' Retirement Fund as a trust fund to be expended only for purposes related to the system and its administration, as specified, and provides that the fund is continuously appropriated for these purposes. Existing law, the California Public Employees' Pension Reform Act of 2013 (PEPRA), on and after January 1, 2013, generally requires a public retirement system, as defined, to modify its plan or plans to comply with the act, as specified. Under current law, data filed with the board by any member, retired member, beneficiary, or annuitant is confidential. This bill would make various technical and clarifying changes to these provisions, including specifying that data filed on behalf of any member, retired member, beneficiary, or annuitant is also confidential and that data may be divulged to other retirement systems that provide reciprocal benefits to members of PERS.

Calendar: 6/2/2020 9 a.m. - Assembly Floor ASSEMBLY APPROPRIATIONS, GONZALEZ, Chair**Summary:** The Public Employees' Medical and Hospital Care Act, which is administered by the Board of Administration of the Public Employees' Retirement System, governs the funding and provision of postemployment health care benefits for eligible retired public employees and their beneficiaries. The act deems a surviving spouse or other eligible family member of certain firefighters or peace officers, whose deaths occur as a result of injury or disease arising out of their official duties, to be an annuitant, as specified, for purposes of enrollment in a health benefit plan, if the spouse or family member is uninsured. Current law requires the employer of the deceased firefighter or peace officer to notify the board within 10 business days of the death of the employee, among other things, if that spouse or family member may be eligible for enrollment. This bill would reduce the period within which an employer is to provide notice to the board, as described above, to within 7 calendar days.

1st House				2nd House							

Summary: Would establish new procedures under PERL for cases in which PERS determines that the benefits of a member or annuitant are, or would be, based on disallowed compensation that conflicts with PEPR and other specified laws and thus impermissible under PERL. The bill would also apply these procedures retroactively to determinations made on or after January 1, 2017, if an appeal has been filed and the employee member, survivor, or beneficiary has not exhausted their administrative or legal remedies. At the threshold, after determining that compensation for an employee member reported by the state, school employer, or a contracting agency is disallowed, the bill would require the applicable employer to discontinue the reporting of the disallowed compensation.
