Re: FIRE Legislative Report – Week Ending June 12, 2020

2020-21 Budget

The Legislature is preparing to pass its “No Deal” version of a State Budget on June 15th, the Budget deadline day. The critical discussions with the Newsom Administration will continue nonstop and a “Deal” on the Budget could still be achieved with legislative action prior to the June 30th deadline for signing it into law by the Governor.

Legislative Update

A host of bills passed their House of Origin this week:

[Assembly Bill 1945 \(Salas\)](#) would define first responder as a state or local government employee who provides emergency response services, including peace officers, firefighters, paramedics, EMTs and public safety dispatchers.

[Assembly Bill 2076 \(Bigelow\)](#) would require the Department of Parks and Recreation to develop and implement a high-level wildfire prevention strategy.

[Assembly Bill 2167 \(Daly\)](#) would create the Insurance Market Action Plan (IMAP), a mechanism for incentives for insurance companies to offer residential coverage in areas at high risk for catastrophic property losses.

[Assembly Bill 2178 \(Levine\)](#) would grant authority to the Governor and local authorities to declare an emergency based on a PSPS and thereby ensure rapid deployment of emergency resources as required.

[Assembly Bill 2213 \(Limón\)](#) would require OES to develop model guidelines for local governments and nonprofit organizations to identify resources to assist in preparing to respond to disasters.

[Assembly 2386 \(Bigelow\)](#) would require OES to review 10 disaster council plans annually to determine if they conform to best practices as identified by FEMA.

[Assembly Bill 2421 \(Quirk\)](#) would require cities and counties to adopt expedited permitting procedures to install emergency standby generators for macro cell towers.

[Assembly Bill 2553 \(Ting\)](#) makes the existing shelter pilot program statewide and extends the sunset date until January 1, 2026.

[Assembly Bill 2960 \(Gipson\)](#) would permit emergency shelters that are not in compliance with state building standards to operate if approved by the State Fire Marshal.

[Assembly Bill 2968 \(Rodriguez\)](#) would require OES to develop best practices for counties developing or updating emergency plans.

[Senate Bill 794 \(Jackson\)](#) would expand the authority of local governments to access contact information for students for the emergency warning system and provides for notification and opt out capability.

[Senate Bill 909 \(Dodd\)](#) would authorize emergency vehicles to be equipped with certain audible equipment to be used for evacuation purposes.

Summary: Current law establishes a program within all cities and all counties and portions thereof located within seismic zone 4, as defined, to identify all potentially hazardous buildings and to establish a mitigation program for these buildings. The mitigation program may include, among other things, the adoption by ordinance of a hazardous buildings program, measures to strengthen buildings, and the application of structural standards necessary to provide for life safety above current code requirements. Current law requires the Alfred E. Alquist Seismic Safety Commission to report annually to the Legislature on the filing of mitigation programs relating to building construction standards from local jurisdictions. This bill would require the commission, by specified deadlines, to identify funding and develop a bidding process for hiring a third-party contractor to create an inventory of potentially vulnerable buildings, as defined.

Summary: Would require the California Building Standards Commission, by June 30, 2021, to assemble a functional recovery working group comprised of certain state entities and members of the construction and insurance industries, as specified. The bill would require the working group, by June 30, 2023, to consider whether a "functional recovery" standard is warranted for all or some building occupancy classifications, using specified criteria, and to investigate the practical means of implementing that standard, as specified. The bill would require the working group to advise the appropriate state agencies to propose the building standards, as specified. The bill would authorize the commission to adopt regulations based upon the recommendations from the working group for nonresidential occupancies. The bill would define "functional recovery" for purposes of these provisions, as specified.

Summary: Current law requires a provider of telecommunications services, as defined, that provides access to 911 service to notify the Office of Emergency Services, as provided, whenever a community isolation outage limiting the provider's customers' ability to make 911 calls or receive emergency notifications occurs within 60 minutes of discovering the outage. Current law makes the office responsible for notifying any applicable county office of emergency services, the sheriff of any county, and any public safety answering point affected by the outage. Current law requires the telecommunications service provider to notify the office of the estimated time to repair the outage and when service is restored. This bill would additionally require a telecommunication service provider to notify the office of critical telecommunications infrastructure out of service or experiencing functionality failures that would prevent the transmission of an emergency notification or 911 call and the estimated range of any mobile telephony service base transceiver station towers identified as damaged or experiencing functionality failures.

Summary: Current property tax law requires, for property to be eligible for reassessment under specified provisions, that damage or destruction be caused by one of 3 specified occurrences, including a major misfortune or calamity in an area or region subsequently proclaimed by the Governor to be in a state of disaster if the property was damaged or destroyed by the misfortune or calamity that caused the Governor to proclaim the region to be in a state of disaster. Current property tax law generally requires that an application for reassessment be filed within the later of the time specified in the county's ordinance or within 12 months of the misfortune or calamity and be executed under penalty of perjury. This bill would expand these provisions to include damage to or destruction of property due to

a misfortune or calamity in an area or region subsequently proclaimed by the Governor to be in a state of emergency if the property was damaged or destroyed by the misfortune or calamity that caused the Governor to proclaim the area to be in a state of emergency.

Summary: Would, among other things, prohibit a state or local agency from adopting any law or regulation that bans the operation of an unmanned aircraft system. The bill would also authorize a local agency to adopt regulations to enforce FAA regulations regarding the operation of unmanned aircraft systems and would authorize local agencies to regulate the operation of unmanned aircraft and unmanned aircraft systems within their jurisdictions, as specified. The bill would also authorize a local agency to require an unmanned aircraft operator to provide proof of federal, state, or local registration to licensing or enforcement officials.

Calendar: 6/15/2020 #71 ASSEMBLY THIRD READING FILE - ASSEMBLY BILLS

Summary: Current law imposes a penalty of \$4 until July 1, 2020, upon every conviction for a violation of the Vehicle Code or a local ordinance adopted pursuant to the Vehicle Code, other than a parking offense. The act requires the county or court that imposed the fine to transfer the revenues collected to the Treasurer for deposit into the Emergency Medical Air Transportation and Children's Coverage Fund. Current law requires the assessed penalty to continue to be collected, administered, and distributed until exhausted or until December 31, 2021, whichever occurs first. Existing law repeals these provisions July 1, 2022. This bill would extend the imposition of the above-described penalty by 1 year and would instead make those provisions inoperative on July 1, 2024, and repeal them on January 1, 2025.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law, upon a declaration of a shelter crisis by specified local jurisdictions, specifies additional provisions applicable to a shelter crisis declared by one of those jurisdictions. Current law exempts from the California Environmental Quality Act specified actions by a state agency or a city, county, or city and county relating to land owned by a local government to be used for, or to provide

financial assistance to, a homeless shelter constructed pursuant to these provisions, and provides that homeless shelters constructed or allowed pursuant to these shelter crisis declarations are not subject to specified laws, including the Special Occupancy Parks Act. Current law also defines a "homeless shelter" as a facility with overnight sleeping accommodations, the primary purpose of which is to provide temporary shelter for the homeless that is not in existence after the declared shelter crisis. Current law requires a city, county, or city and county that declares a shelter crisis pursuant to these provisions to develop a plan to address the shelter crisis on or before July 1, 2019, or July 1, 2020, as applicable, and to annually report to specified committees of the Legislature on or before January 1, 2019, or on or before January 1 of the year following the declaration of the shelter crisis, as applicable, and annually thereafter until January 1, 2023. Current law repeals these additional provisions as of January 1, 2023. This bill would instead apply those additional provisions to a shelter crisis declared by any county or city.

Summary: If the average daily attendance of a school district, county office of education, or charter school has been materially decreased during a fiscal year because of a specified emergency, current law requires the Superintendent of Public Instruction to estimate the average daily attendance in a manner that credits to the school district, county office of education, or charter school approximately the total average daily attendance that would have been credited to the school district, county office of education, or charter school had the emergency not occurred. This bill would add public safety power shutoffs to the list of emergencies for which the above-described provisions apply.

Summary: Current regulations of the California Highway Patrol define a "hi-lo" to be a nonsiren sound alternating between a fixed high and a fixed low frequency and require the "hi-lo" function to be disabled on any siren manufactured after January 1, 1978. This bill would authorize an emergency vehicle to be equipped with a "hi-lo" audible warning sound and would authorize the "hi-lo" to be used solely for the purpose of notifying the public of an immediate need to evacuate. This bill would declare that it is to take effect immediately as an urgency statute.

Summary: Current law, including the Meyers-Milias-Brown Act, the Ralph C. Dills Act, the Trial Court Employment Protection and Governance Act, the Trial Court Interpreter Employment and Labor Relations Act, and the Los Angeles County Metropolitan Transportation Authority Transit Employer-Employee Relations Act, provisions commonly referred to as the Educational Employment Relations Act, and the Higher Education Employer-Employee Relations Act, among others, regulates the labor relations of the state, the courts, and specified local public agencies and their employees. Current law requires these public employers to provide certain labor representatives with the names and home addresses of newly hired employees, as well as their job titles, departments, work locations, telephone numbers, and personal email addresses, within 30 days of hire or by the first pay period of the month following hire. Current law also requires the public employers to provide this information for all employees in a bargaining unit at least every 120 days, except as specified. This bill would generally authorize an exclusive representative to file a charge of an unfair labor practice with the Public Employment Relations Board, as specified, alleging a violation of the above-described requirements.

1st House				2nd House							

Summary: Current law requires the Natural Resources Agency to establish a Climate-Safe Infrastructure Working Group for the purpose of examining how to integrate scientific data concerning projected climate change impacts into state infrastructure engineering, including oversight, investment, design, and construction. Current law requires the working group, by July 1, 2018, to make recommendations to the Legislature and the Strategic Growth Council that address specified climate change issues. Current law requires these provisions to be inoperative on July 1, 2020, and repeals them on January 1, 2021. This bill would delete the above inoperative and repeal dates, thereby extending the above provisions indefinitely.

1st House				2nd House							

Summary: This bill would require the Strategic Growth Council, until July 31, 2025, to establish and administer a local agency formation commissions grant program for the payment of costs associated with initiating and completing the dissolution of districts listed as inactive, the payment of costs associated with a study of the services provided within a county by a public agency to a disadvantaged community, as defined, and for other specified purposes, including the initiation of an action, as defined, that is limited to service providers serving a disadvantaged community and is based on determinations found in the study, as approved by the commission. The bill would specify application submission, reimbursement, and reporting requirements for a local agency formation commission to receive grants pursuant to the bill. The bill would require the council, after consulting with the California Association of Local Agency Formation Commissions, to develop and adopt guidelines, timelines, and application and reporting criteria for development and implementation of the program, as specified, and would exempt these guidelines, timelines, and criteria from the rulemaking provisions of the Administrative Procedure Act. The bill would make the grant program subject to an appropriation for the program in the annual Budget Act, and would repeal these provisions on January 1, 2026. This bill contains other existing laws.

1st House				2nd House							

Calendar: 6/18/2020 Upon adjournment of Session - John L. Burton Hearing Room (4203) SENATE APPROPRIATIONS SUSPENSE, PORTANTINO, Chair

Summary: The Density Bonus Law requires a city or county to provide a developer that proposes a housing development in the city or county with a density bonus and other incentives or concessions for the production of lower income housing units, or for the donation of land within the development, if the developer agrees to, among other things, construct a specified percentage of units for very low income, low-income, or moderate-income households or qualifying residents, including lower income students. Current law defines "incentives or concessions" to include, among other things, regulatory incentives or concessions proposed by the developer or the city or county that result in identifiable and actual cost reductions to provide for affordable housing costs, as specified. This bill would revise that definition of "incentives or concessions" to include those proposed regulatory incentives or concessions that the developer determines result in identifiable and actual cost reductions to provide for affordable housing costs.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Proposition 218 Omnibus Implementation Act prescribes specific procedures and parameters for local jurisdictions to comply with these requirements and, among other things, authorizes an agency providing water, wastewater, sewer, or refuse collection services to adopt a schedule of fees or charges authorizing automatic adjustments that pass through increases in

wholesale charges for water, sewage treatment, or wastewater treatment or adjustments for inflation under certain circumstances. Current law defines, among other terms, the term "water" for these purposes to mean any system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water from any source. This bill would specify that "water" for purposes of the Proposition 218 Omnibus Implementation Act also includes the public fixtures, appliances, and appurtenances connected to an above-described system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water from any source.

Summary: The Bagley-Keene Open Meeting Act requires that all meetings of a state body, as defined, be open and public, and that all persons be permitted to attend any meeting of a state body, except as otherwise provided in that act. Current law requires the state body to provide notice of its meeting, including specified information and a specific agenda of the meeting, as provided, to any person who requests that notice in writing and to make that notice available on the internet at least 10 days in advance of the meeting. This bill would, except for closed sessions, require that this notice include all writings or materials provided for the noticed meeting to a member of the state body by staff of a state agency, board, or commission, or another member of the state body, that are in connection with a matter subject to discussion or consideration at the meeting.

Summary: Current law exempts from the requirements set forth in the Insurance Code firefighters', police officers', and peace officers' benefit and relief associations that comply with specified criteria, including, among other things, a requirement that the membership consist solely of certain state or local peace or law enforcement officers, members of police or fire departments, and emergency medical personnel employed by fire departments, as specified. Current law prohibits an association from operating or doing business in the state without a certificate of authority. This bill would specify that the laws governing those associations apply only to the extent not preempted by the federal Employee Retirement Income Security Act of 1974 (ERISA).

Summary: Current law requires administration of PERS by the Board of Administration of PERS. Current law creates the Public Employees' Retirement Fund as a trust fund to be expended only for purposes related to the system and its administration, as specified, and provides that the fund is continuously appropriated for these purposes. Existing law, the California Public Employees' Pension Reform Act of 2013 (PEPRA), on and after January 1, 2013, generally requires a public retirement system, as defined, to modify its plan or plans to comply with the act, as specified. Under current law, data filed with the board by any member, retired member, beneficiary, or annuitant is confidential. This bill would make various technical and clarifying changes to these provisions, including specifying that data filed on behalf of any member, retired member, beneficiary, or annuitant is also confidential and that data may be divulged to other retirement systems that provide reciprocal benefits to members of PERS.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: The Public Employees' Medical and Hospital Care Act, which is administered by the Board of Administration of the Public Employees' Retirement System, governs the funding and provision of postemployment health care benefits for eligible retired public employees and their beneficiaries. The act deems a surviving spouse or other eligible family member of certain firefighters or peace officers, whose deaths occur as a result of injury or disease arising out of their official duties, to be an annuitant, as specified, for purposes of enrollment in a health benefit plan, if the spouse or family member is uninsured. Current law requires the employer of the deceased firefighter or peace officer to notify the board within 10 business days of the death of the employee, among other things, if that spouse or family member may be eligible for enrollment. This bill would reduce the period within which an employer is to provide notice to the board, as described above, to within 7 calendar days.

2 year	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
1st House				2nd House				Conc.			

Summary: Would establish new procedures under PERL for cases in which PERS determines that the benefits of a member or annuitant are, or would be, based on disallowed compensation that conflicts with PEPPRA and other specified laws and thus impermissible under PERL. The bill would also apply these procedures retroactively to determinations made on or after January 1, 2017, if an appeal has been filed and the employee member, survivor, or beneficiary has not exhausted their administrative or legal remedies. At the threshold, after determining that compensation for an employee member reported by the state, school employer, or a contracting agency is disallowed, the bill would require the applicable employer to discontinue the reporting of the disallowed compensation.
