Re: FIRE Legislative Report – Week Ending June 26, 2020

2020-21 Budget

The California Senate voted, 29-to-11, to approve a [\\$202 billion State Budget](#) last night and the Assembly is expected to follow suit today. The Budget brings down the approximately \$54 billion deficit flowing from the COVID-19 pandemic and avoids many of the Governor's severe May Revise cuts, particularly in the areas of health and human services.

Legislative Update

The Budget was the focus this week, so there was relatively light activity on other legislation. However, the following bills did pass the Senate this week:

[Senate Bill 474 \(Stern\)](#) was amended to prohibit approval of a new housing development within a high fire zone.

[Senate Bill 801 \(Glazer\)](#) would require utility companies to provide backup electrical resources to protect vulnerable populations.

[Senate Bill 862 \(Dodd\)](#) would designate PSPS to fall within the definition of state of emergency and establish protocols for such events.

[Senate Bill 902 \(Wiener\)](#) would allow a local government to pass an ordinance to zone a parcel up to 10 units per parcel if the parcel is located in a transit-rich area or an urban infill site.

[Senate Bill 952 \(Nielsen\)](#) would exempt from state and local sales and use tax backup generators used by local governments during deenergization events.

[Senate Bill 1120 \(Atkins\)](#) would require cities and counties to permit ministerial review of a duplex or subdivision of a parcel into two equal parcels.

[Senate Bill 1312 \(McGuire\)](#) would require expedited undergrounding of electrical lines in designated areas to promote fire prevention and reduce PSPS.

Held in Committee:

[Senate Bill 1069 \(Jackson\)](#), designed to expand reporting requirements on outages from telecommunication companies, was held on the Suspense File in the Senate Appropriations Committee.

Calendar: 6/26/2020 #21 ASSEMBLY CONCURRENCE IN SENATE AMENDMENTS

Summary: Current law appropriates \$2,246,000,000 from the General Fund for the 2018-19 fiscal year to the Teachers' Retirement Fund for the Defined Benefit Program, to be apportioned in specified amounts to the credit of required employer contributions for the 2019-20 and 2020-21 fiscal years, pursuant to the direction of the Department of Finance. For the 2020-21 fiscal year, the apportioned payment to the Teachers' Retirement Fund is an amount to pay in advance a part of the contributions required of the employers for the 2020-21 fiscal year that results in a reduction of employer

contributions of 0.70 percentage point for that fiscal year from the percentage set by another specified provision. Current law requires the uncommitted remainder of the payment to be allocated to reducing the employers' unfunded actuarial obligations, as specified. This bill would revise the application of the 2018-19 fiscal year General Fund appropriation described above.

1st House				2nd House								

Summary: Current law establishes a program within all cities and all counties and portions thereof located within seismic zone 4, as defined, to identify all potentially hazardous buildings and to establish a mitigation program for these buildings. The mitigation program may include, among other things, the adoption by ordinance of a hazardous buildings program, measures to strengthen buildings, and the application of structural standards necessary to provide for life safety above current code requirements. Current law requires the Alfred E. Alquist Seismic Safety Commission to report annually to the Legislature on the filing of mitigation programs relating to building construction standards from local jurisdictions. This bill would require the commission, by specified deadlines, to identify funding and develop a bidding process for hiring a third-party contractor to create an inventory of potentially vulnerable buildings, as defined.

Status: 6/11/2020-In Senate. Read first time. To Com. on RLS. for assignment.

Location: 6/11/2020-S. RLS.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law, upon a declaration of a shelter crisis by specified local jurisdictions, specifies additional provisions applicable to a shelter crisis declared by one of those jurisdictions. Current law exempts from the California Environmental Quality Act specified actions by a state agency or a city, county, or city and county relating to land owned by a local government to be used for, or to provide financial assistance to, a homeless shelter constructed pursuant to these provisions, and provides that homeless shelters constructed or allowed pursuant to these shelter crisis declarations are not subject to specified laws, including the Special Occupancy Parks Act. Current law also defines a "homeless shelter" as a facility with overnight sleeping accommodations, the primary purpose of which is to provide temporary shelter for the homeless that is not in existence after the declared shelter crisis. Current law requires a city, county, or city and county that declares a shelter crisis pursuant to these provisions to develop a plan to address the shelter crisis on or before July 1, 2019, or July 1, 2020, as applicable, and to annually report to specified committees of the Legislature on or before January 1, 2019, or on or before January 1 of the year following the declaration of the shelter crisis, as applicable, and annually thereafter until January 1, 2023. Current law repeals these additional provisions as of January 1, 2023. This bill would instead apply those additional provisions to a shelter crisis declared by any county or city.

Summary: Would authorize a city or county to include in its inventory of land suitable for residential development specified sites that contain an existing single-family dwelling unit, but that the city or county authorizes to contain 4 dwelling units as a use by right. The bill would require these sites to be identified to satisfy either the moderate or the above-moderate income regional housing need income level. The bill would require a city or county identifying a site pursuant to these provisions to adopt a resolution or ordinance that, among other things, establishes that the additional units may be developed as a use by right on the site. The bill would require the department to review and make findings regarding a resolution or ordinance adopted by a city or county under these provisions.

1st House				2nd House							

Summary: Would, until January 1, 2024, require local agencies to make the installation of an emergency standby generator within the physical footprint of a macro cell tower site that meets specified requirements a permitted use subject only to local agency administrative review. The bill would specify procedures for the processing of permit applications by a local agency and would authorize a local agency to impose a fee to cover costs associated with administering the bill's provisions. Because the bill would impose new duties on local agencies, it would impose a state-mandated local program.

Summary: Current law requires the Public Utilities Commission to develop and implement performance reliability standards for backup power systems installed on the property of residential and small commercial customers by a facilities-based provider of telephony services upon determining that the benefits of the standards exceed the costs. This bill would require the commission, in consultation with the Office of Emergency Services, by July 1, 2021, to develop and implement performance reliability standards, as specified, for all mobile telephony service base transceiver station towers, commonly known as "cell towers," and for all infrastructure for providing mobile telephony service, Voice over Internet Protocol service, Internet Protocol enabled service, and cable television service that is located within a commission-designated Tier 2 or Tier 3 High Fire Threat District, or that affects those towers or that infrastructure within such a district.

Summary: Current law permits an authorized employee of a county social services department to disclose the name and residential address of elderly or disabled clients to police, fire, or paramedical personnel, or other designated emergency services personnel, in the event of a public safety emergency that necessitates the possible evacuation of the area in which those elderly or disabled clients reside. Current law specifies that public safety emergencies include, but are not limited to, events that jeopardize the immediate physical safety of county residents. This bill would additionally permit those individuals' telephone numbers and e-mail addresses to be disclosed and would

specifically identify a public safety power shut-off as a public safety emergency.

Summary: Current law authorizes each county, including a city and county, to enter into an agreement to access the contact information of resident accountholders through the records of a public utility or other agency responsible for water service, waste and recycling services, or other property-related services for the sole purpose of enrolling county residents in a county-operated public emergency warning system. Current law requires any county that enters into such an agreement to include procedures to enable any resident to opt out of the warning system and a process to terminate the receiving agency's access to the resident's contact information. Current law prohibits the use of the information gathered for any purpose other than for emergency notification. This bill would expand these provisions to authorize a city to enter into an agreement to access the contact information of resident accountholders through the records of a public utility, as specified.

Summary: Current law requires a provider of telecommunications services, as defined, that provides access to 911 service to notify the Office of Emergency Services, as provided, whenever a community isolation outage limiting the provider's customers' ability to make 911 calls or receive emergency notifications occurs within 60 minutes of discovering the outage. Current law makes the office responsible for notifying any applicable county office of emergency services, the sheriff of any county, and any public safety answering point affected by the outage. Current law requires the telecommunications service provider to notify the office of the estimated time to repair the outage and when service is restored. This bill would additionally require a telecommunication service provider to notify the office of critical telecommunications infrastructure out of service or experiencing functionality failures that would prevent the transmission of an emergency notification or 911 call and the estimated range of any mobile telephony service base transceiver station towers identified as damaged or experiencing functionality failures.

1st House				2nd House							

Summary: Current property tax law requires, for property to be eligible for reassessment under specified provisions, that damage or destruction be caused by one of 3 specified occurrences, including a major misfortune or calamity in an area or region subsequently proclaimed by the Governor to be in a state of disaster if the property was damaged or destroyed by the misfortune or calamity that caused the Governor to proclaim the region to be in a state of disaster. Current property tax law generally requires that an application for reassessment be filed within the later of the time specified in the county's ordinance or within 12 months of the misfortune or calamity and be executed under penalty of perjury. This bill would expand these provisions to include damage to or destruction of property due to a misfortune or calamity in an area or region subsequently proclaimed by the Governor to be in a state of emergency if the property was damaged or destroyed by the misfortune or calamity that caused the Governor to proclaim the area to be in a state of emergency.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law imposes a penalty of \$4 until July 1, 2020, upon every conviction for a violation of the Vehicle Code or a local ordinance adopted pursuant to the Vehicle Code, other than a parking offense. The act requires the county or court that imposed the fine to transfer the revenues collected to the Treasurer for deposit into the Emergency Medical Air Transportation and Children’s Coverage Fund. Current law requires the assessed penalty to continue to be collected, administered, and distributed until exhausted or until December 31, 2021, whichever occurs first. Existing law repeals these provisions July 1, 2022. This bill would extend the imposition of the above-described penalty by 1 year and would instead make those provisions inoperative on July 1, 2024, and repeal them on January 1, 2025.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law, upon a declaration of a shelter crisis by specified local jurisdictions, specifies additional provisions applicable to a shelter crisis declared by one of those jurisdictions. Current law exempts from the California Environmental Quality Act specified actions by a state agency or a city, county, or city and county relating to land owned by a local government to be used for, or to provide financial assistance to, a homeless shelter constructed pursuant to these provisions, and provides that homeless shelters constructed or allowed pursuant to these shelter crisis declarations are not subject to specified laws, including the Special Occupancy Parks Act. Current law also defines a "homeless shelter" as a facility with overnight sleeping accommodations, the primary purpose of which is to provide temporary shelter for the homeless that is not in existence after the declared shelter crisis. Current law requires a city, county, or city and county that declares a shelter crisis pursuant to these provisions to develop a plan to address the shelter crisis on or before July 1, 2019, or July 1, 2020, as applicable, and to annually report to specified committees of the Legislature on or before January 1, 2019, or on or before January 1 of the year following the declaration of the shelter crisis, as applicable, and annually thereafter until January 1, 2023. Current law repeals these additional provisions as of January 1, 2023. This bill would instead apply those additional provisions to a shelter crisis declared by any county or city.

Current Text: Amended: 9/6/2019 [html](#) [pdf](#)

Introduced: 1/29/2019

Last Amend: 9/6/2019

Status: 9/15/2019-Failed Deadline pursuant to Rule 61(a)(15). (Last location was DESK on 9/13/2019)
(May be acted upon Jan 2020)

Location: 9/15/2019-A. 2 YEAR

Desk	Policy	Fiscal	Floor	2 year	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires the planning agency to review and, if necessary, revise the safety element upon each revision of the housing element or local hazard mitigation plan, but not less than once every 8 years to identify new information relating to flood and fire hazards and climate adaptation and resiliency strategies applicable to the city or county that was not available during the previous revision of the safety element. Current law requires that the Office of Planning and Research, among other things, coordinate with appropriate entities, including state, regional, or local agencies, to establish a clearinghouse for climate adaptation information for use by state, regional, and local entities, as provided. This bill would require the safety element, upon the next revision of the housing element or the hazard mitigation plan, on or after January 1, 2020, whichever occurs first, to be reviewed and updated as necessary to include a comprehensive retrofit strategy to reduce the risk of property loss and damage during wildfires, as specified, and would require the planning agency to submit the adopted strategy to the Office of Planning and Research for inclusion into the above-described clearinghouse.

1st House				2nd House							

Summary: Under current law, the California FAIR Plan Association is a joint reinsurance association in which all insurers licensed to write basic property insurance participate in administering a program for the equitable apportionment of basic property insurance for persons who are unable to obtain that coverage through normal channels. This bill would require the association, on or before January 31 and July 31 of each year, to submit a report to the commissioner that lists certain counties, according to specified population thresholds, in which the number of new residential property insurance policies issued by the FAIR Plan during the prior 6 months equals a certain percentage of the number of single family residences in that county.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	2 year	Conf.	Enrolled	Vetoed	Chaptered	
1st House				2nd House				Conf. Conc.				

Summary: Existing law requires a public water system with 10,000 or more service connections to undertake specified actions, including, among other things, to review and revise its disaster preparedness plan to ensure that it is sufficient to address possible disaster scenarios and, following a declared state of emergency, to furnish an assessment of its emergency response within 6 months thereafter and implement related recommendations in a timely manner. Existing law also requires the Office of Emergency Services to establish emergency response and recovery plans in coordination with public water systems. This bill would instead require an urban water supplier, as defined, to review and revise its emergency response plan as required by federal law. The bill would require the Office of Emergency Services to establish emergency response and recovery plans in coordination with urban water suppliers. Because the bill would require local agencies to perform additional duties, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary: Current law requires an employer who provides sick leave for employees to permit an employee to use the employee's accrued and available sick leave entitlement to attend to the illness of a family member and prohibits an employer from denying an employee the right to use sick leave or taking specific discriminatory action against an employee for using, or attempting to exercise the right to use, sick leave to attend to such an illness. This bill would provide that the designation of the sick leave taken under these provisions is at the sole discretion of the employee.

1st House				2nd House							

Summary: Current law authorizes a court to allow a defendant sentenced to county jail for a felony to withdraw their plea of guilty or plea of nolo contendere and enter a plea of not guilty, after the lapse of one or 2 years following the defendant's completion of the sentence, provided that the defendant is not under supervision, and is not serving a sentence for, on probation for, or charged with the commission of any offense. Current law requires the defendant to be released from all penalties and disabilities resulting from the offense of which the defendant was convicted, except as specified. This bill would allow a defendant who successfully participated in the California Conservation Camp Program or a county incarcerated individual hand crew as an incarcerated individual hand crew member to petition to withdraw their plea of guilty or plea of nolo contendere and enter a plea of not guilty. The bill would make persons convicted of specified violent felonies and sex offenses ineligible for relief.

Summary: Would require public and private employers of workers who provide direct patient care in a hospital setting to supply those employees with the personal protective equipment necessary to comply with the regulations, on health and safety, as specified. The bill would also require an employer to ensure that the employees use the personal protective equipment supplied to them. The bill would further require that an employer in this context maintain a supply of unexpired personal protective equipment in an amount equal to 6 months of normal consumption and to provide an inventory of its stockpile to the Division of Occupational Safety and Health upon request. The bill would authorize the assessment of a civil penalty of up to \$25,000 for each violation to maintain the required stockpile. The bill would make a statement of legislative findings.

Summary: Current law, including the Meyers-Milias-Brown Act, the Ralph C. Dills Act, the Trial Court Employment Protection and Governance Act, the Trial Court Interpreter Employment and Labor Relations Act, and the Los Angeles County Metropolitan Transportation Authority Transit Employer-Employee Relations Act, provisions commonly referred to as the Educational Employment Relations Act, and the Higher Education Employer-Employee Relations Act, among others, regulates the labor relations of the state, the courts, and specified local public agencies and their employees. Current law requires these public employers to provide certain labor representatives with the names and home addresses of newly hired employees, as well as their job titles, departments, work locations, telephone numbers, and personal email addresses, within 30 days of hire or by the first pay period of the month following hire. Current law also requires the public employers to provide this information for all employees in a bargaining unit at least every 120 days, except as specified. This bill would generally authorize an exclusive representative to file a charge of an unfair labor practice with the Public Employment Relations Board, as specified, alleging a violation of the above-described requirements.

Summary: Would authorize the State Water Resources Control Board to delegate partial responsibility for the California Safe Drinking Water Act's administration and enforcement by means of a local primacy delegation agreement. The bill would authorize the state board, for counties that have not been delegated primary responsibility as of January 1, 2021, to offer an opportunity for the county to apply for partial or primary responsibility if the state board determines that it needs assistance in performing administrative and enforcement activities, as specified. The bill would authorize the state board to approve the application for delegation if the state board determines that the local health officer is able to sufficiently perform the administrative and enforcement activities and would specify that a local primacy agency has all of the authority over designated public water systems as is granted to the state board by the act.

Calendar: 6/26/2020 #24 ASSEMBLY MOTION TO RECONSIDER

Summary: The California Constitution prohibits the ad valorem tax rate on real property from exceeding 1% of the full cash value of the property, subject to certain exceptions. This measure would create an additional exception to the 1% limit that would authorize a city, county, city and county, or special district to levy an ad valorem tax to service bonded indebtedness incurred to fund the construction, reconstruction, rehabilitation, or replacement of public infrastructure, affordable housing, or permanent supportive housing, or the acquisition or lease of real property for those purposes, if the proposition proposing that tax is approved by 55% of the voters of the city, county, or city and county, as applicable, and the proposition includes specified accountability requirements.

SB 38

(Hill D) Sales and use taxes: consumer designation: all volunteer fire department.

Current Text: Amended: 6/18/2020 [html](#) [pdf](#)

Introduced: 12/3/2018

Last Amend: 6/18/2020

Status: 6/18/2020-Referred to Com. on REV. & TAX. From committee with author's amendments. Read second time and amended. Re-referred to Com. on REV. & TAX.

Location: 6/18/2020-A. REV. & TAX

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Sales and Use Tax Law designates that certain sellers of tangible personal property are consumers, and not retailers, of the tangible personal property they sell, including, until January 1, 2021, that an all volunteer fire department, as defined, is a consumer, and not a retailer, of all tangible personal property sold by it, if the profits are used solely and exclusively in furtherance of the purposes of the all volunteer fire department, subject to specified limitations, so that the retail sale subject to tax is the sale of tangible personal property to the all volunteer fire department. This bill would extend the operation of that consumer designation for all volunteer fire departments until January 1, 2026.

1st House				2nd House							

Summary: The Joint Exercise of Powers Act generally authorizes 2 or more public agencies to agree to jointly exercise a common power. Current law specifically authorizes 2 or more public agencies that have the authority to invest funds in their treasuries to agree to jointly exercise that common power and describes how funds subject to that agreement may be invested. This bill would authorize a joint powers authority formed as described above to establish the terms and conditions pursuant to which agencies may participate and invest in pool shares. The bill would specify that a federally recognized Indian tribe is eligible to participate in a joint powers authority formed for this purpose, consistent with its status as a public agency under the Joint Exercise of Powers Act, or to otherwise invest in pool shares consistent with the terms and conditions established by the joint powers authority.

1st House				2nd House							

Summary: The Proposition 218 Omnibus Implementation Act prescribes specific procedures and parameters for local jurisdictions to comply with these requirements and, among other things, authorizes an agency providing water, wastewater, sewer, or refuse collection services to adopt a schedule of fees or charges authorizing automatic adjustments that pass through increases in wholesale charges for water, sewage treatment, or wastewater treatment or adjustments for inflation under certain circumstances. Current law defines, among other terms, the term "water" for these purposes to mean any system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water from any source. This bill would specify that "water" for purposes of the Proposition 218 Omnibus Implementation Act also includes the public fixtures, appliances, and appurtenances connected to an above-described system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water from any source.

Summary: The Bagley-Keene Open Meeting Act requires that all meetings of a state body, as defined, be open and public, and that all persons be permitted to attend any meeting of a state body, except

as otherwise provided in that act. Current law requires the state body to provide notice of its meeting, including specified information and a specific agenda of the meeting, as provided, to any person who requests that notice in writing and to make that notice available on the internet at least 10 days in advance of the meeting. This bill would, except for closed sessions, require that this notice include all writings or materials provided for the noticed meeting to a member of the state body by staff of a state agency, board, or commission, or another member of the state body, that are in connection with a matter subject to discussion or consideration at the meeting.

Summary: Current law exempts from the requirements set forth in the Insurance Code firefighters', police officers', and peace officers' benefit and relief associations that comply with specified criteria, including, among other things, a requirement that the membership consist solely of certain state or local peace or law enforcement officers, members of police or fire departments, and emergency medical personnel employed by fire departments, as specified. Current law prohibits an association from operating or doing business in the state without a certificate of authority. This bill would specify that the laws governing those associations apply only to the extent not preempted by the federal Employee Retirement Income Security Act of 1974 (ERISA).

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law requires administration of PERS by the Board of Administration of PERS. Current law creates the Public Employees' Retirement Fund as a trust fund to be expended only for purposes related to the system and its administration, as specified, and provides that the fund is continuously appropriated for these purposes. Existing law, the California Public Employees' Pension Reform Act of 2013 (PEPRA), on and after January 1, 2013, generally requires a public retirement system, as defined, to modify its plan or plans to comply with the act, as specified. Under current law, data filed with the board by any member, retired member, beneficiary, or annuitant is confidential. This bill would make various technical and clarifying changes to these provisions, including specifying that data filed on behalf of any member, retired member, beneficiary, or annuitant is also confidential and that data may be divulged to other retirement systems that provide reciprocal benefits to members of PERS.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Public Employees' Medical and Hospital Care Act, which is administered by the Board of Administration of the Public Employees' Retirement System, governs the funding and provision of postemployment health care benefits for eligible retired public employees and their beneficiaries. The act deems a surviving spouse or other eligible family member of certain firefighters or peace officers, whose deaths occur as a result of injury or disease arising out of their official duties, to be an annuitant, as specified, for purposes of enrollment in a health benefit plan, if the spouse or family member is uninsured. Current law requires the employer of the deceased firefighter or peace officer to notify the board within 10 business days of the death of the employee, among other things, if that spouse or family member may be eligible for enrollment. This bill would reduce the period within which an employer is to provide notice to the board, as described above, to within 7 calendar days.

2 year	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Would establish new procedures under PERL for cases in which PERS determines that the benefits of a member or annuitant are, or would be, based on disallowed compensation that conflicts with PEPR and other specified laws and thus impermissible under PERL. The bill would also apply these procedures retroactively to determinations made on or after January 1, 2017, if an appeal has been filed and the employee member, survivor, or beneficiary has not exhausted their administrative or legal remedies. At the threshold, after determining that compensation for an employee member reported by the state, school employer, or a contracting agency is disallowed, the bill would require the applicable employer to discontinue the reporting of the disallowed compensation.
