**Summary:** Current law regulates real property acquired and operated by the state as wildlife management areas, and requires the Department of Fish and Wildlife, when income is directly derived from that real property, as provided, to annually pay to the county in which the property is located an amount equal to the county taxes levied upon the property at the time it was transferred to the state. Current law further requires the department to pay the assessments levied upon the property by any irrigation, drainage, or reclamation district, and requires all of those payments to be made from funds available to the department. This bill would authorize, instead of require, the department to make these payments and only from funds appropriated to the department for those purposes.

**Current Text:** Vetoed: 9/30/2016 [pdf](#) [html](#)

**Introduced:** 1/11/2016

**Last Amend:** 3/16/2016

**Status:** 9/30/2016-Vetoed by the Governor

**Location:** 9/30/2016-A. VETOED

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

**Summary:** Would prohibit apportionment of permanent disability, in the case of a physical injury occurring on or after January 1, 2017, from being based on pregnancy, menopause, osteoporosis, or carpal tunnel syndrome. The bill would also prohibit apportionment of permanent disability, in the case of a psychiatric injury occurring on or after January 1, 2017, from being based on psychiatric disability or impairment caused by any of those conditions. This bill contains other related provisions and other existing laws.

**Governor's Message:** To the Members of the California State Assembly: I am returning Assembly Bill 1643 without my signature. This bill prohibits apportionment in cases of physical injury based on pregnancy, menopause, osteoporosis, and carpal tunnel syndrome and requires that breast cancer not be less than the comparable impairment rating for prostate cancer. I am vetoing this bill for many of the same reasons that I returned a similar measure, AB 305, last year. This bill is poorly drafted and reflects a seriously flawed understanding of both the workers' compensation system and the nature of physical disability that may result from a work-related injury. The bill would, among other provisions, mandate that impairment ratings for breast cancer be no less than the ratings for prostate cancer. It would also create broad gender-based exceptions to the core principle of apportionment: that

employers are liable only for the permanent disability directly caused by their employee's work-related injury. This measure seeks to draw a false comparison between disability ratings resulting from prostate and breast cancers, notwithstanding that these organs neither perform analogous physiological functions nor do their treatments result in similar physical limitations. There is a wide disparity in impairment levels that may result among individual women diagnosed with breast cancer and individual men diagnosed with prostate cancer, and individuals of all genders diagnosed with any form of cancer, depending on the stage at which the cancer was diagnosed, the nature of the treatment, and the degree and process of recovery. The suggestion that these two very different conditions should be rated equivalently in all cases has no basis in medical fact and upends the goals of ensuring consistency, uniformity and objectivity in ratings supported by substantial medical evidence. On the issue of apportionment, this bill creates broad, gender-based exceptions to the rule that employers are liable only for the percentage of permanent disability directly caused by a work-related injury. As written, the bill would prohibit apportionment to, and thus require employers to pay for, a permanent disability that actually resulted from pregnancy or menopause, or from osteoporosis or carpal tunnel syndrome where these are preexisting conditions or unrelated to work.

1st House				2nd House							

**Summary:** Would require, except as specified, the operator of any unmanned aircraft system involved in an accident resulting in injury to an individual or damage to property to immediately land the unmanned aircraft at the nearest location that will not jeopardize the safety of others and provide certain information to the injured individual or the owner or person in charge of the damaged property or place that information in a conspicuous place on the damaged property. The bill would make a person who knowingly fails to comply with these provisions guilty of an infraction or a misdemeanor, as specified.

**Governor's Message:** I am returning Assembly Bill 1662 without my signature. This bill requires hobbyist drone operators to provide, at the scene of an accident caused by their drone, their name and home address along with valid identification. Rather than creating a new misdemeanor crime, I believe it would be fairer and more effective to explore a more comprehensive approach that takes into account federal regulations on this subject. Piecemeal is not the way to go. Sincerely, Edmund G. Brown Jr.

**Summary:** Current law requires the Office of Emergency Services, in cooperation with the State Department of Education, the Department of General Services, and the Alfred E. Alquist Seismic Safety Commission, to develop an educational pamphlet for use by school personnel to identify and mitigate the risks posed by nonstructural earthquake hazards. This bill would require each school district, county office of education, and charter school, on or before January 1, 2020, to complete an inspection of the contents in areas that are accessible to or occupied by pupils in each of its school buildings located in an area of higher seismicity, as defined, to assess whether the contents in each area comply with the guidelines set forth in the pamphlet and to develop corrective actions to bring noncompliant contents into compliance with the published guidelines.

**Governor's Message:** I am returning the following four bills without my signature: Assembly Bill 1198 Assembly Bill 1783 Assembly Bill 2182 Senate Bill 1113 Each of these bills creates unfunded new programs. Despite significant funding increases for local educational agencies over the past few years,

the Local Control Funding Formula remains only 96 percent funded. Given the precarious balance of the state budget, establishing new programs with the expectation of funding in the future is counterproductive to the Administration's efforts to sustain a balanced budget and to fully fund the Local Control Funding Formula. Additional spending to support new programs must be considered in the annual budget process. Sincerely, Edmund G. Brown Jr.

1st House				2nd House							

**Summary:** Current law defines the terms "political subdivision" and "emergency plan" for purposes of emergency services provided by local governments. Current law requires the Office of Emergency Services to work with specified entities to improve communication with deaf and hearing-impaired persons during emergencies. This bill would require each county, including a city and county, to integrate access and functional needs, as defined, into its emergency plan, upon the next update to its emergency plan, as specified. By increasing the duties of local officials, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

1st House				2nd House							

**Summary:** With respect to certain counties that have adopted reassessment ordinances and have been declared by the Governor to be in a state of emergency as a result of certain events, current law provides for state allocations of the estimated amounts of the reductions in property tax revenues resulting in certain fiscal years from reassessments under those ordinances. Current law also continuously appropriates, without regard to fiscal years, moneys in the Special Fund for Economic Uncertainties for purposes of funding these state allocations. This bill would, until January 1, 2018, and upon appropriation for this purpose, provide for similar state allocations with respect to property tax revenue reductions resulting from a reassessment for damages incurred within the County of Calaveras, which was declared by the Governor to be in a state of emergency due to the wildfires that occurred on and after September 9, 2015.

1st House				2nd House							

**Summary:** Current law prohibits a nonprofit organization or an officer, employee, or agent of a nonprofit organization from using, or permitting another to use, public resources received from a local agency for any campaign activity not authorized by law. Current law authorizes the Attorney General, any district attorney, or any city attorney of a city with a population over 750,000 to bring a civil action to recover a civil penalty against any person who intentionally or negligently violates that prohibition. This bill would clarify that the prohibition applies to making contributions or expenditures not authorized by law, and would specify certain expenditures authorized by law that are not subject to the prohibition.

**Summary:** Would specifically prohibit a person who is prohibited from coming within a specified distance of another person, from operating an unmanned aircraft system in a way that causes an unmanned aircraft, as those terms are defined, to fly within the prohibited distance of the other person or from capturing images of the other person by using an unmanned aircraft system. By creating a new crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

**Governor's Message:** I am returning Assembly Bill 2320 without my signature. This bill prohibits the operation of a drone in a manner that violates a protective order, constitutes stalking, interferes with emergency response personnel, or facilitates delivery of contraband into a jail or prison. The bill also allows a court to bar a registered sex offender from operating a drone. Current law is sufficient to prosecute the violations referenced in this bill. There is no need to add special reference to drones in multiple places in the penal code. Sincerely, Edmund G. Brown Jr.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	<b>Vetoed</b>	Chaptered
1st House				2nd House							

**Summary:** Current law makes a member of the Department of Justice falling within the "state peace officer/firefighter" class, as specified, who is disabled by injury arising out of and in the course of his or her duties, entitled to a leave of absence while so disabled without loss of salary, in lieu of disability payments, as specified, for a period of not exceeding one year. This bill would make all rank-and-file and supervisory firefighters employed by the Department of Forestry and Fire Protection, whose principal duties include active fire suppression or prevention services, entitled to that benefit.

**Governor's Message:** To the Members of the California State Assembly: I am returning Assembly Bill 2493 without my signature. This bill grants to the Department of Forestry and Fire Protection firefighters up to one year of "4800 time" disability leave paid at full salary and tax-free. This policy results in higher take home pay than pre-injury wages. As stated in my veto of AB 1451 last year, costs go up significantly when this benefit is extended to new classes of employees. The state now faces over \$200 billion in unfunded pension and health liabilities. Since 2011 the costs for all this has increased by nearly \$5 billion per year? a 59 percent increase. In light of these huge commitments, I am

reluctant to extend this disability benefit at all?let alone through legislation outside the bargaining process.

1st House				2nd House							

**Summary:** Would require a person who manufactures an unmanned aircraft for sale in this state to include with the unmanned aircraft a link to the FAA Internet Web site containing safety regulations or best practices applicable to unmanned aircraft and, if the unmanned aircraft is required to be registered with the FAA, a notification of that requirement and a link to the FAA registration Internet Web site. The bill would require an unmanned aircraft equipped with global positioning satellite mapping capabilities to also be equipped with geofencing technological capabilities that prohibit the unmanned aircraft from flying within any area prohibited by local, state, or federal law, as specified.

**Governor's Message:** I am returning Assembly Bill 2724 without my signature. This bill mandates that drone hobbyists be covered by adequate liability insurance when operating drones and requires drone manufacturers to install "geo-fencing" software on drones that are equipped with global positioning satellite technology. This bill creates significant regulatory confusion by creating a patchwork of federal, state, and local restrictions on airspace. Moreover, the Federal Aviation Administration will likely assert federal preemption on the bill's "geo-fencing" requirements. I believe it's more prudent to explore a more comprehensive approach that takes into account federal regulations on this subject. Piecemeal is not the way to go. Sincerely, Edmund G. Brown Jr.

**Summary:** Would require, with respect to any public retirement systems, that any enhancement to a public employee's retirement formula or retirement benefit, adopted on or after the measure's effective date, apply only to service performed on and after the operative date of the enhancement and shall not be applied to any service performed prior to the operative date of the change. The measure would specify how changes in membership classification or changes in employment are to be applied in this context. The measure would provide that specified cost-of-living adjustments are not enhancements of retirement benefits.

**Summary:** The California Constitution authorizes the Legislature to provide that a severely disabled person and a person over 55 years of age may transfer the base year value, as defined, of property that is eligible for the homeowners' property tax exemption to a replacement dwelling that is of equal or lesser value, located within the same county as the property from which the base year value is transferred, and purchased or newly constructed within 2 years of the sale of the original property. This measure would additionally authorize the Legislature to provide for the transfer of base year value to a replacement dwelling that is purchased or newly constructed on or after the effective date of this measure that is of greater value, and would require the base year value of the replacement dwelling to be calculated by adding the difference between the full cash value of the original property and the full cash value of the replacement dwelling to the base year value of the original property.

1st House				2nd House							

**Summary:** Current law provides that certain peace officers, firefighters, and other specified public employees are entitled to a leave of absence without loss of salary while disabled by injury or illness arising out of and in the course of employment, for the period of the disability, not to exceed one year. The leave of absence is in lieu of temporary disability payments or maintenance allowance payments otherwise payable under the workers' compensation system. This bill would allow certain employees of local agencies, including police officers, firefighters, and sheriffs, an additional year of a leave of absence without loss of salary when injured by a catastrophic injury at the hands of another, as defined.

**Governor's Message:** To the Members of the California State Senate: I am returning Senate Bill 897 without my signature. This bill doubles from one to two years special leave benefits for police officers, firefighters, or sheriffs who are disabled by a qualifying catastrophic injury. This leave is required to be provided at full salary and tax-free, resulting in take home pay that is higher than pre-injury wages. I was concerned when told this bill was prompted by a City of Riverside police officer who nearly lost his health benefits while on temporary disability. In that case, the City chose to extend the officer's benefits. Upon closer review, I have not found any other city which terminates the health benefits of police officers while they are on temporary disability. As noted in my veto of AB 1451 last year, this disability leave benefit drives up costs significantly. Many local agencies are under significant financial stress. They must consider employee benefit increases in light of competing demands for critical services and long term pension and health care debts. In light of all this, I believe the decision on how to handle cases such as this is best left to the local jurisdiction.

**Summary:** Would authorize the Mammoth Lakes Fire District (MLFD) to request that the Board of Administration of PERS transfer, and upon that request would require the board to transfer, all or a portion of available excess assets credited to the miscellaneous member category from the MLFD's employer account to satisfy the MLFD's unfunded accrued actuarial obligations for its safety plan if the market value of assets attributable to the MLFD's miscellaneous plan exceeds 150% of the amount that is the actuarial equivalent of the amount the system would be obligated to pay after the effective date of contract termination to, or on account of, persons who are or have been employed by, and on account of service rendered by them to, the MLFD, as specified.

**Governor's Message:** I am returning Senate Bill 1162 without my signature. This bill allows the Mammoth Lake Fire District to request that the California Public Employees' Retirement System Board transfer assets from the District's superfunded miscellaneous employee plan to its safety employee plan in order to pay for unfunded liabilities in the safety plan. Inherent in the nature of our pension systems is that each employee plan be funded separately and expend its funds only for the benefit of specific beneficiaries. This bill would upend this longstanding practice and set a harmful precedent by allowing the transfer of assets from one employee group to another. Sincerely, Edmund G. Brown Jr.

**Summary:** The Joint Exercise of Powers Act, generally authorizes 2 or more public agencies, by agreement, to jointly exercise any common power, which may include hiring employees and establishing retirement systems. This bill would authorize a joint powers authority to offer defined

benefit plans or formulas that are not PEPPRA plans or formulas provided that the plans or formulas were those the employees received prior to the creation of the authority, the employees are not new members under PEPPRA, and they are employed by the authority with 180 days, as specified.

**Summary:** Would state the intent of the Legislature to facilitate the expansion of 2-1-1 services into those counties in California where they are lacking and to support a comprehensive statewide database that will connect all callers to information and referrals they need. The bill would additionally state the intent of the Legislature to facilitate access to disaster preparedness, response, and recovery information, and referral services, uniformly in the state, especially in hard-to-serve rural areas, through a universally available telephone service. This bill contains other existing laws.

**Summary:** Current law requires the Commission on Peace Officer Standards and Training to establish a continuing education classroom training course related to law enforcement interaction with mentally disabled persons and to make the course available to law enforcement agencies in California. This bill would require that the course be shared with the State Fire Marshal and would authorize him or her to revise the course, as specified. The bill would delete an obsolete reporting requirement and make a conforming change.

1st House				2nd House							

**Summary:** The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Current law establishes a quality assurance fee program for skilled nursing and intermediate care facilities, as prescribed. This bill, commencing July 1, 2017, and subject to federal approval, would impose a quality assurance fee for each transport provided by an emergency medical transport provider, as defined, subject to the quality assurance fee in accordance with a prescribed methodology.

**Governor's Message:** I am returning Senate Bill 1300 without my signature. This bill creates a new ambulance quality assurance fee to be collected by the Department of Health Care Services. This fee would be used to claim additional federal funding necessary to increase Medi-Cal reimbursements for ambulance services. I support establishing a quality assurance fee to bring in additional federal funding to support emergency transportation services. However, the structure of the rate increase in this bill is unlike any other fee structure supported by health care related quality assurance fees. I am concerned this structure puts the state general fund at risk for paying the increased rate if the revenue falls short or if the fee is reduced or removed in the future. I urge the Legislature and

ambulance providers to work with the Departments of Health Care Services and Finance to restructure this fee in a way that protects the general fund and allows for an increase in reimbursement for emergency transportation services. Sincerely, Edmund G. Brown Jr.

**Summary:** Would require the Director of Finance to annually calculate the net savings to the state for the prior fiscal year and an estimate of the net current fiscal year savings resulting from the 2011 Realignment Legislation addressing public safety, as specified. The bill would require the Controller to transfer \$1,300,000,000 from the General Fund to the Realignment Reinvestment Fund for the 2016-17 fiscal year, thereby making an appropriation. The bill would, beginning in the 2017-18 fiscal year, and each fiscal year thereafter, require the Controller to transfer an amount equal to the estimate of net current fiscal year savings resulting from the 2011 Realignment Legislation addressing public safety, adjusted by the difference between the preceding year's estimate and the calculated prior fiscal year net savings, thereby making an appropriation. This bill contains other related provisions and other existing laws.

**Summary:** Would require the Public Utilities Commission, in consultation with the Department of Forestry and Fire Protection, to prioritize areas in which communities are subject to conditions that increase fire hazards associated with overhead utility facilities when determining areas in which it will require enhanced mitigation measures for wildfire hazards posed by overhead electrical lines and equipment.

**Governor's Message:** I am returning Senate Bill 1463 without my signature. This bill requires the Public Utilities Commission to prioritize areas that have increased fire hazard associated with overhead utility facilities. Since May of last year, the Commission and CalFire have been doing just that through the existing proceeding on fire-threat maps and fire-safety regulations. This deliberative process should continue and the issues this bill seeks to address should be raised in that forum. Sincerely, Edmund G. Brown Jr.
