Summary: The Planning and Zoning Law authorizes a local agency to provide by ordinance for the creation of accessory dwelling units in single-family and multifamily residential zones, as specified. That law requires the ordinance to require the accessory dwelling unit to comply with certain conditions, including, but not limited to, that the accessory dwelling unit is not intended for sale separate from the primary residence and may be rented. This bill would revise that condition to provide that the accessory dwelling unit may be rented separately from the primary residence.

Calendar: 4/19/2017 1:30 p.m. - State Capitol, Room 127 ASSEMBLY LOCAL GOVERNMENT, AGUIAR-CURRY, Chair

Summary: Current law, until January 1, 2018, prohibits permit fees for rooftop solar energy systems that produce direct current electricity, as specified, by a city, county, city and county, or charter city from exceeding the estimated reasonable cost of providing the service for which the fee is charged, which cannot exceed \$500 plus \$15 per kilowatt for each kilowatt above 15kW for residential permits and, for commercial permits, \$1,000 for systems up to 50kW plus \$7 per kW for each kW between 51kW and 250kW, plus \$5 per kW for each kW above 250kW. Current law authorizes permit fees that exceed these charges if, as part of a written finding and adopted resolution or ordinance, the city, county, city and county, or charter city provides substantial evidence, as specified, of the reasonable cost to issue the permit. This bill would extend the applicability of the above-described limit on fees to all solar energy systems and would remove the repeal date, thus continuing these provisions in effect indefinitely

Summary: Current law, enforced by the Labor Commissioner, regulates the terms and conditions of employment, including wages. Current law prohibits an employer from discharging, or in any manner discriminating against, an employee for taking time off to perform emergency duty as a volunteer firefighter. Existing law makes it a misdemeanor to willfully refuse to pay wages due, as specified, or to falsely deny an amount or validity of an amount owed, as specified. This bill would require a nonprofit or public fire department with volunteer firefighters that receives federal reimbursement for personnel costs associated with firefighting in which its volunteer firefighters have participated to pass through to those volunteers an amount equivalent to 20% of the annual compensation paid to a full-time firefighter employed by the department, as specified.

Summary: The Political Reform Act of 1974 prohibits, for a period of one year after the official leaves his or her position, elected and other specified local officials who held positions with a local government agency, as defined, from acting as agents or attorneys for, or otherwise representing, for compensation, any other person, by appearing before, or communicating with, that local government agency, or any committee, subcommittee, or present member of that local government agency, or any officer or employee of the local government agency. Current law excludes from this prohibition appearances and communications by a board member, officer, or employee of another local government agency, or an employee or representative of a public agency, as specified, in which the individual is appearing or communicating on behalf of that agency. This bill would remove this exclusion, thereby making these appearances or communications on behalf of an individual's agency subject to the one-year prohibition.

Summary: Current law requires the Public Utilities Commission to develop, implement, and administer a program to advance universal service by providing discounted rates to qualifying schools, community colleges, libraries, hospitals, health clinics, and community organizations. This bill would require entities that receive discounted rates pursuant to the program to provide services at a speed sufficient to support the delivery of high-speed broadband service.

Summary: Would require a facilities-based provider of telecommunications services that the Federal Communications Commission requires to provide access to 911 service to provide responder outage notification by email to the Office of Emergency Services whenever there is a rural outage, as defined, within 60 minutes of discovering the rural outage. The bill would make the Office of Emergency Services responsible for notifying any applicable county office of emergency services and the sheriff of any county affected by the outage.
