Re: FIRE Weekly Legislative Report – Week Ending 01/26/2018

[2018 Legislative Schedule](#)

State of the State Address

Governor Brown delivered his final State of the State Address on Thursday, 01/25/2018. Citing the recent fires and mudslides, the Governor recognized how we can rise to the occasion at the local, state and federal governmental levels. He thanked all firefighters, first responders and volunteers who answered the call to help their neighbors.

Climate Change Action Plan

Today, the Governor released his Climate Change Action Plan. Overall, the Cap-and-Trade program has less resources than last year. The Governor's Plan includes \$25M, the same amount as last year, to be allocated to OES for local fire response including adding fire engines for the mutual aid system; \$160M (down from \$200M last year) was allocated for healthy forest management projects, which include fire prevention activities. In the area of sequestration and resilience, the Administration will be holding stakeholder meetings with state and local governments and private industry to address critical land use and infrastructure associated with wildfires. They will also be working with technology leaders to utilize satellite data to allow response in real time to fires and other climate concerns.

CFCA/FDAC Planning

Earlier in the week, leaders from both the CFCA and FDAC met at the annual planning session of the CFCA vetting the issues and priorities emerging in 2018. Improving the mutual aid system and providing additional sources of funding for local fire departments topped the list.

President Mark Hartwig and President Steve Hall were signatories to a coalition letter that included the CFCA, FDAC, Metro Chiefs, League of California Cities and Firescope California asking Governor Brown for support for additional funding to promote efforts to improve the management of the State Fire and Rescue Mutual Aid System. The letter set forth a list of recommendations, including:

1. With the aid of current technology, funding to preposition local government all-hazard resources in advance of predicted extreme weather events.
2. Revenue to modernize the effective, but aging, Mutual Aid System to include rapid resource processing and ordering, incident logistical support, and command and control functions at local public safety communications centers.
3. Funding be made available to OES to continue the purchase of fire, rescue, haz mat, and EMS equipment that is distributed to local government for them to staff and deploy as part of the California Mutual Aid System.
4. Funding for geo-based opt-out disaster notification system designed to alert people in the path of approaching and/or anticipated life- threatening events.

New Legislation

The following bills of interest have been introduced:

[Assembly Bill 1923 \(Limon\)](#) would authorize, in the event of loss relating to a state of emergency due to a wildfire, the Governor to implement a consolidated debris removal program in which a residential property owner who has insurance that provides for debris removal could assign such rights and benefits directly to the county or designated entity to fund debris removal.

[Senate Bill 930 \(Hertzberg\)](#) would state the intent of the Legislature to enact legislation to establish a state-chartered bank that would allow a person engaged in commercial cannabis activity to engage in banking in California.

[Senate Resolution 75 \(Morrell\)](#) would declare September 23, 2018, as First Responder Day, in honor of the contributions and dedication of first responders.

Upcoming Legislative Events and Deadlines

Upcoming legislative events and deadlines, include:

January 31, 2018 – House of Origin Deadline; last day to pass bills introduced in 2017 to opposite house.

February 16, 2018 – Bill introduction deadline.

February 19, 2018 – Legislature Closed; Presidents' Day Observed.

February 20, 2018 – Joint Hearing Assembly Committees on Business & Professions, Health and Agriculture Re Cannabis regulation: An update on statewide implementation

Summary: Current provides that under an open policy that requires payment of actual cash value, the measure of the actual cash value recovery, in whole or partial settlement of the claim, is, in the case of a total loss to the structure, the policy limit or the fair market value of the structure, whichever is less, and, in the case of a partial loss to the structure or loss to its contents, the amount it would cost the insured to repair, rebuild, or replace the thing lost or injured less a fair and reasonable deduction for physical depreciation based upon its condition at the time of the injury or the policy limit, whichever is less. This bill would delete the provisions regarding the actual cash value of the claim of total loss to the structure and would instead require that the actual cash value of the claim, for either a total or partial loss to the structure or its contents, be the amount it would cost the insured to repair, rebuild, or replace the thing lost or injured less a fair and reasonable deduction for physical depreciation based upon its condition at the time of the injury or the policy limit, whichever is less.

Summary: The Building Homes and Jobs Act, imposes a charge, except as provided, of \$75 to be paid at the time of the recording of every real estate instrument, paper, or notice required or permitted by law to be recorded, per each single transaction per single parcel of real property, not to exceed \$225. Current law requires a county recorder to send revenues from the charge to the controller for deposit into a fund in the State Treasury to be expended for various purposes related to homes and jobs. This bill would waive that charge with regard to any real estate instrument, paper, or notice recorded in connection with real property upon which repairs or reconstruction are taking place as a direct result of a disaster for which the Governor has declared a state of emergency.

Summary: The Public Utilities Commission has regulatory authority over public utilities, including electrical corporations and gas corporations. Current law authorizes the commission to establish rules for all public utilities, subject to control by the Legislature. Current law authorizes the commission to fix the rates and charges for every public utility and requires that those rates and charges be just and reasonable. Current law prohibits a gas corporation from recovering any fine or penalty in any rate approved by the commission. This bill would prohibit an electrical corporation from recovering a fine or penalty through a rate approved by the commission.

Summary: Current law requires an insurer to comply with certain procedures relating to the cancellation of insurance policies, except as specified, in the case of a total loss to the primary insured structure under a residential policy. Among other requirements, an insurer may not cancel coverage while the primary insured structure is being rebuilt, as specified, nor use the fact that the primary insured structure is in damaged condition as a result of the total loss as the sole basis for a decision to cancel the policy, and must offer, at least once, to renew the policy, as specified, if the total loss to the primary insured structure was caused by a disaster. This bill would express the intent of the Legislature to clarify that the provision described above is applicable to all insured properties located within a county for which a state of emergency has been declared, as specified.

Summary: The Planning and Zoning Law authorizes a local agency to provide by ordinance for the creation of accessory dwelling units in single-family and multifamily residential zones and sets forth standards the ordinance is required to impose, including, among others, maximum unit size, parking, and height standards. Current law authorizes a local agency, special district, or water corporation to require a new or separate utility connection between the accessory dwelling unit and the utility and authorizes a fee to be charged, except as specified. Current law requires a local agency to submit an ordinance adopted for the creation of accessory dwelling units to the Department of Housing and Community Development and authorizes the department to review and comment on the ordinance. This bill would delete the requirement that the area be zoned to allow single-family or multifamily use.

Summary: Current law, until January 1, 2019, defines the offense of aggravated arson, and defines the aggravating factors for the offense as, the person has been previously convicted of arson on one or more occasions within the past 10 years, the fire caused property damage and other losses in excess of \$7,000,000, or the fire caused damage to, or the destruction of, 5 or more inhabited structures. Current law, commencing January 1, 2019, deletes the aggravating factor of property damage and other losses in excess of \$7,000,000 from the definition of aggravated arson. This bill would extend the operation of the former aggravated arson offense until January 1, 2024, and would increase the threshold of property damage and other losses constituting an aggravating factor for aggravated arson to \$7,300,000.

Summary: Current law requires an insurer, in the event of a loss under a residential insurance policy for which the insured has made a claim for additional living expenses, to provide the insured with a list of items that the insurer believes may be covered under the policy as additional living expenses. Additionally, current law provides that, in the case of a loss related to a declared state of emergency, an insurer provide coverage for living expenses for a period of 24 months, subject to the limitations of the policy. This bill would specify that additional living expense coverage shall include all reasonable expenses incurred by the insured in order to maintain a comparable standard of living and would provide a list of expenses that shall be covered.

Summary: The Gambling Control Act, among other things, generally requires a person to be licensed by the California Gambling Control Commission to participate in operation of a controlled game. The act requires the commission to deny a license to an applicant who has been convicted of a felony, including a conviction by a federal court or a court in another state for a crime that would constitute a felony if committed in California. This bill would except from the requirement to deny a license a conviction of a felony for the possession of cannabis, the facts of which would not constitute a felony or misdemeanor under California law on the date the application for a license is submitted.

Summary: Current law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. This bill, the Healthy California Act, would create the Healthy California program to provide comprehensive universal single-payer health care coverage and a health care cost control system for the benefit of all residents of the state.

Summary: Current property tax law requires the county auditor to allocate and pay certain property tax revenues to designated local jurisdictions within the county in accordance with specified formulas, including allocating and paying additional revenues generated by a rate levied in excess of the 1% limitation prescribed by the California Constitution on ad valorem taxes on real property, as specified. Current property tax law requires these allocations and payments to be made on a timely basis but no later than 30 calendar days after the close of the preceding monthly or 4-weekly accounting period. This bill would instead require those allocations and payments to be made on a timely basis no later than 31 calendar days after the close of the preceding monthly or 4-weekly accounting period.

Summary: The County Employees Retirement Law of 1937 provides that a member who is permanently incapacitated shall be retired for disability despite age if, among other conditions, the member's incapacity is a result of injury or disease arising out of and in the course of the member's employment, and that employment contributes substantially to that incapacity or the member has completed 5 years of service and not waived retirement in respect to the particular incapacity or aggravation thereof, as specified. This bill would require, for purposes of determining permanent incapacity of certain members employed as peace officers, that those members be evaluated by the retirement system to determine if they can perform all of the usual and customary duties of a peace officer, as specified.

Summary: Would define the Sacramento County retirement system as a district under CERL. The bill would authorize the board to adopt, by resolution, specified administrative provisions that would classify various personnel of the retirement system as employees of the retirement system and not employees of the county. The bill would require the retirement system to notify, and to meet and discuss with, participating employers in the retirement system, the employees of the system, and specified employee organizations, regarding the retirement system's intent to exercise this authority at least 60 days before considering a resolution to make these provisions applicable.

Summary: Current sales and use tax laws impose a tax on retailers measured by the gross receipts from the sale of tangible personal property sold at retail in this state, or on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state, measured by sales price. The Sales and Use Tax Law defines the terms "gross receipts" and "sales price." This bill, for any public safety first responder vehicle and any equipment required on a public safety first responder vehicle that is purchased by a local public agency, would exclude from the terms "gross receipts" and "sales price," amounts of the gross receipts or sales price in excess of \$800,000 of an individual item.

Summary: Current federal law recognizes the authority of a state or local government to manage public rights-of-way or to require fair and reasonable compensation from telecommunications providers, on a competitively neutral and nondiscriminatory basis, for the use of public rights-of-way on a nondiscriminatory basis, if the compensation required is publicly disclosed by that government. Current federal law provides that no state or local government has the authority to regulate the entry of, or the rates charged by, a commercial mobile service, but permits a state to regulate the other terms and conditions of commercial mobile services. This bill would provide that a small cell, as defined, is a permitted use, subject only to a specified permitting process adopted by a city or county, if the small cell meets specified requirements.
