Senator Tony Mendoza Resigns

Yesterday, facing expulsion, Senator Tony Mendoza submitted his resignation rather than have the full Senate vote on his removal – [SR 85 \(De León\)](#). Senator Mendoza's resignation letter can be found [here](#); the statement from Senate Leadership regarding the resignation can be reviewed [here](#); and, remarks by Senate President pro Tempore Kevin de León on the Senate Floor can be seen on [YouTube](#).

It should be noted that last week, Mendoza filed a [lawsuit](#) against the State Senate for discriminatory practices relating to the investigation of his alleged misconduct, and he has indicated that he will continue to pursue this avenue. Additionally, Mendoza's resignation letter indicates that he is leaving the door open for a possible re-election bid later this year.

Summary: Current law provides for the exemption of authorized emergency vehicles, as defined, from the payment of a toll or charge on a vehicular crossing, toll highway, or high-occupancy toll (HOT) lane and any related fines, when the authorized emergency vehicle is being driven under specified

Summary: Current law requires certain fire policies on subject matter in California to be executed using the standard form of fire insurance policy that contains required and optional provisions. Under existing law, it is a misdemeanor to issue a fire policy that varies from the standard form. This bill would require the standard form of fire insurance policy to include the features of the property being insured that contribute to increased or decreased risk as compared to similar properties in the region, and would further require, to the extent possible, the policy to inform the insured how these risk factors are affecting the costs of the insured's insurance policy.

Summary: Current law prescribes the standard form for a fire insurance policy or county fire insurance policy. Current law imposes a 12-month statute of limitations in which to bring suit under a fire insurance policy or a county fire insurance policy after a loss. Current law makes it a misdemeanor for an insurer or agent to countersign or issue a fire policy that varies from the California standard form of policy. This bill would revise the standard forms of policy and extend the period in which to bring suit to 24 months after the inception of the loss if the loss is related to a state of emergency, as specified.

Summary: Current law requires an insurer to comply with certain procedures relating to the cancellation of insurance policies, except as specified, in the case of a total loss to the primary insured structure under a residential policy. Among other requirements, an insurer may not cancel coverage while the primary insured structure is being rebuilt, as specified, nor use the fact that the primary insured structure is in damaged condition as a result of the total loss as the sole basis for a decision to cancel the policy, and must offer, at least once, to renew the policy, as specified, if the total loss to the primary insured structure was caused by a disaster. This bill would express the intent of the Legislature to clarify that the provision described above is applicable to all insured properties located within a county for which a state of emergency has been declared, as specified.

This bill would instead require the insurer to offer to renew the policy for at least the next 2 annual renewal periods or 24 months, whichever is greater. Summary: Current law, until January 1, 2019, defines the offense of aggravated arson, and defines the aggravating factors for the offense as, the person has been previously convicted of arson on one or more occasions within the past 10 years, the fire caused property damage and other losses in excess of \$7,000,000, or the fire caused damage to, or the destruction of, 5 or more inhabited structures. Summary: CERL authorizes the retirement boards of 5 specified counties to appoint assistant administrators and chief investment officers who, following appointment, are outside county charter, civil service, and merit system rules, except as specified. CERL provides that these administrators and officers are employees of the county, as specified, while serving at the pleasure of the appointing boards, and that they may be dismissed without cause. This bill would apply these provisions to any county if the board of supervisors for that county, by resolution adopted by majority vote, makes those provisions applicable in the county.

Summary: The California Public Employees' Pension Reform Act of 2013 (PEPRA) generally requires a public retirement system, as defined, to modify its plan or plans to comply with the act. PEPRA explicitly requires public employers and public retirement systems to offer specified defined benefit plans to new members, as defined. This bill would make nonsubstantive changes to these provisions.

The measure would prohibit it from being interpreted to permit the reduction of retirement benefits that a public employee has earned based on work that has been performed, as specified.
