Summary: The Planning and Zoning Law authorizes the legislative body to adopt ordinances that, among other things, regulate the use of buildings, structures, and land as between industry, business, residences, and other uses in accordance with specified procedures. Current law specifies that these provisions of the Planning and Zoning Law relating to general plans and zoning ordinances generally do not apply to charter cities, but requires a charter city to adopt, by resolution of the legislative body of the charter city or, if the charter so provides, the planning commission, a general plan that contains the mandatory elements required by that law and to comply with specified additional requirements relating to reporting to the Department of Housing and Community Development and low- and moderate-income housing in the coastal zone. Summary: Current law defines the measure of indemnity for a loss under an open fire insurance policy and specifies time limits under which an insured must collect the full replacement cost of the loss. Current law prohibits, in the event of a total loss of the insured structure, a fire insurance policy issued or delivered in the state from limiting or denying payment of the replacement cost of property if the insured decides to rebuild or replace the property at a location other than the insured premises. Current law requires the measure of indemnity to be based upon the replacement cost of the insured property and prohibits it from being based upon the cost to repair, rebuild, or replace at a location other than the insured premises. This bill would instead prohibit, in the event of a total loss of an insured structure, a fire insurance policy issued or delivered in this state from containing a provision that limits or denies, on the basis that the insured has decided to rebuild at a new location or to purchase an already built home at a new location, payment of the building code upgrade cost or the replacement cost, including any extended replacement cost coverage, to the extent those costs are otherwise covered by the terms of the policy or any policy endorsement.

Summary: Current law prescribes the standard form for a fire insurance policy or county fire insurance policy. Current law imposes a 12-month statute of limitations in which to bring suit under a fire insurance policy or a county fire insurance policy after a loss. Current law makes it a misdemeanor for an insurer or agent to countersign or issue a fire policy that varies from the California standard form of policy. This bill would revise the standard forms of policy and extend the period in which to bring suit to 24 months after the inception of the loss if the loss is related to a state of emergency, as specified.

Summary: Current law limits the basis under which an insurer may cancel or fail to renew policies of insurance relating to loss of, or damage to, real property that is used predominantly for residential purposes. This bill would establish an appeal process for an insured or applicant for insurance who disagrees with a determination made by an insurer using a wildfire risk model, as defined. The bill would require an insurer to provide notice to the insured or applicant giving the specific reasons for the decision if an appeal results in an adverse underwriting decision, and would require the notice to include the contact information of the unit within the Department of Insurance that performs review of those decisions.

Additionally, current law provides that, in the case of a loss related to a declared state of emergency, an insurer provide coverage for living expenses for a period of 24 months, subject to the limitations of the policy. Summary: MAUCRSA authorizes a state licensing authority to issue a state temporary event license to a licensee authorizing onsite cannabis sales to, and consumption by, persons 21 years of age or older at a county fair or district agricultural association event, provided that certain other requirements are met. Under current administrative law, the Bureau of Cannabis Control has adopted regulations that govern the issuance of a state temporary cannabis event license. This bill would authorize a state temporary event license to be issued to a licensee for an event to be held at any other venue expressly approved by a local jurisdiction for events, as described.

The bill would require the city or county that adopted that resolution to hold a public hearing on the proposal to consider all written and oral objections to the formation, as well as any recommendations of the affected taxing entities, and would authorize that city or county to adopt a resolution of formation at the conclusion of that hearing.

Summary: The County Employees Retirement Law of 1937 provides that a member who is permanently incapacitated shall be retired for disability despite age if, among other conditions, the member's incapacity is a result of injury or disease arising out of and in the course of the member's employment, and that employment contributes substantially to that incapacity or the member has completed 5 years of service and not waived retirement in respect to the particular incapacity or aggravation thereof, as specified. Summary: The Joint Exercise of Powers Act generally authorizes 2 or more public agencies, by agreement, to jointly exercise any common power. Under the act, if the agency is not one or more of the parties to the agreement but is a public entity, commission, or board constituted pursuant to the agreement, the debts, liabilities, and obligations of the agency are the debts, liabilities, and obligations of the parties to the agreement, unless the agreement specifies otherwise and except as otherwise provided with respect to certain community choice aggregator joint powers agencies. This bill would eliminate that authorization, would specify that if an agency to a joint powers agreement participates in a public retirement system, all parties, both current and former to the agreement, would be jointly and severally liable for all obligations to the retirement system, and would eliminate the authority of those parties to agree otherwise with respect to the retirement liabilities of the agency.
