Budget Update

The 2018-19 Legislative Budget Conference Committee began deliberations this week; however, they didn't get very far through the agenda of open items before adjourning for the weekend yesterday afternoon. They are scheduled to meet again on Monday at 1:30 p.m. and pick up where they left off. We have confirmed they will not be taking public testimony during conference committee.

We and our D-RiSC lobbying partners⁽ⁱ⁾ will continue to meet with Conference Committee members and staff next week advocating for support of the \$100 Million budget augmentation to the Office of Emergency Services to modernize California's Mutual Aid System.

Senate President pro Tempore Toni Atkins issued a press [release](#) today announcing the passage yesterday of various wildfire measures. In addition, she stated “The Senate is also fighting for enhanced mutual aid firefighting and funding resources to protect our communities from the rising threats of wildfires”.

Summary: Current law defines the measure of indemnity for a loss under an open fire insurance policy and specifies time limits under which an insured must collect the full replacement cost of the loss. Current law prohibits, in the event of a total loss of the insured structure, a fire insurance policy issued or delivered in the state from limiting or denying payment of the replacement cost of property if the insured decides to rebuild or replace the property at a location other than the insured premises. Current law requires the measure of indemnity to be based upon the replacement cost of the insured property and prohibits it from being based upon the cost to repair, rebuild, or replace at a location other than the insured premises. This bill would instead prohibit, in the event of a total loss of an insured structure, a fire insurance policy issued or delivered in this state from containing a provision that limits or denies, on the basis that the insured has decided to rebuild at a new location or to purchase an already built home at a new location, payment of the building code upgrade cost or the replacement cost, including any extended replacement cost coverage, to the extent those costs are otherwise covered by the terms of the policy or any policy endorsement.

Summary: Current law prescribes the standard form for a fire insurance policy or county fire insurance policy. Current law imposes a 12-month statute of limitations in which to bring suit under a fire insurance policy or a county fire insurance policy after a loss. Current law makes it a misdemeanor for an insurer or agent to countersign or issue a fire policy that varies from the California standard form of policy. Summary: The Sales and Use Tax Law authorizes, before January 1, 2022, a person issued a seller's permit for a place of business that is a dispensary, as defined in the Medical Cannabis Regulation and Safety Act, which was repealed, to remit amounts due for retail sales at the dispensary by a means other than electronic funds transfer.
