Re: FIRE Weekly Legislative Report – Week Ending 06/29/2018

[2018 Legislative Schedule](#)

2018-19 BUDGET UPDATE

Governor Brown signed his last State Budget ⁽ⁱ⁾ this week. The \$201 Billion package was signed without any blue-penciled items. As mentioned previously, \$25 Million is in the 2018-19 State Budget to support the Mutual Aid System, but we are working to expand the language in the budget correction bill in August.

CAP-AND-TRADE UPDATE

[Senate Bill 856 \(Committee on Budget & Fiscal Review\)](#) – This Budget Trailer Bill allocating funds from the Greenhouse Gas Reduction Fund was also signed into law. The measure also contains \$25 Million for OES to purchase engines to support the Mutual Aid System.

Legislative Update

[Assembly Bill 1838 \(Committee on Budget\)](#) – This Budget Trailer Bill was amended to provide for a moratorium on local governments imposing taxes on sugared beverages. The bill passed the entire Legislature and was signed by the Governor this week. The critical element for the fire service was the commitment by the Beverage Manufacturers to pull back on their Initiative ⁽ⁱⁱ⁾ which would have qualified for the November 2018 Ballot and would have raised the vote on local government ordinances to a 2/3rds super majority vote. Accordingly, passage of the bill staved off the Initiative which, if approved by the electorate, would have had a devastating effect on finances for local agencies.

[Assembly Bill 1912 \(Rodriguez\)](#) – We have very good news to report on this bill designed to restrict JPA operations and the ability for members to contractually alter their liabilities with other JPA parties. Our Coalition, led by the League of California Cities, was successful in negotiating extensive amendments with the SEIU to allow us all to go neutral on the measure. The bill no longer applies to all JPAs (just ones going out of existence), removes any joint and several liability either retroactively or prospectively and removes all language attempting to regulate future JPAs. A process is established for

JPs seeking to dissolve, cease their operations or terminate their retirement contracts with the retirement agency and, however long the process takes, the retirees will not see their benefits reduced. As amended, the bill passed the Senate Public Employment and Retirement Committee and has been referred to the Senate Appropriations Committee for consideration. *FIRE POSITION: Neutral.*

[Assembly Bill 2102 \(Rodriguez\)](#) would require EMSA to establish training standards and licensing reciprocity for out-of-state paramedics who come to California under the Mutual Aid Agreement to render aid during a declared state of emergency. The bill passed the Senate Health Committee and now moves on to the Senate Appropriations Committee for consideration. *FIRE POSITION: Watch.*

[Assembly Bill 2258 \(Caballero\)](#) – A LAFCO-sponsored bill to establish a grant program for initiating the dissolution of inactive districts, we were successful in working with the CSDA to negotiate amendments concerning the signatures needed under the bill. The bill passed the Senate Governance and Finance Committee and moves to the Senate Appropriations Committee for consideration. *FIRE POSITION: Neutral.*

[Assembly Bill 2293 \(Reyes\)](#) removes legal requirements that prevent convicted felons from seeking EMT certification. The bill has been amended to place various conditions on such applicants but has not removed the opposition. Backed by the Brown Administration, the bill passed the Senate Health Committee and moves on to the Senate Appropriations Committee for consideration. *FIRE POSITION: Oppose.*

[Assembly Bill 2333 \(Wood\)](#) establishes a behavioral health director within OES to provide access to support following a disaster. The bill passed the Senate Health Committee and has been referred to the Senate Appropriations Committee for consideration. *FIRE POSITION: Watch.*

[Assembly Bill 2380 \(Aguar-Curry\)](#) would require OES to develop regulations for privately contracted private fire prevention companies. The bill passed the Senate Governmental Organization Committee and now moves to the Senate Appropriations Committee for consideration. *FIRE POSITION: Watch.*

[Assembly Bill 2551 \(Wood\)](#) would require CAL FIRE to establish the Forest and Wildland Health Improvement Program to improve fire outcomes, prevention and preparedness. The bill passed the Senate Natural Resources and Water Committee this week. *FIRE POSITION: UNDER REVIEW.*

[Assembly Bill 2961 \(O'Donnell\)](#) would establish an ambulance patient offload time study and provide recommendations to the Legislature to reduce “wall time”. The bill was approved by the Senate Health Committee and referred to the Senate Appropriations Committee for consideration. *FIRE POSITION: Support.*

[Senate Bill 794 \(Stern\)](#) would establish a Fireworks Stewardship Program and impose a surcharge on firework sales to fund the seizure, storage and disposal of illegal fireworks. This Brown Administration

bill was taken off the Assembly Governmental Organization Committee calendar this week and additional negotiations will occur over the Summer Recess. *FIRE POSITION: SUPPORT.*

[Senate Bill 833 \(McGuire\)](#) would establish an alert system to coordinate alerts following an evacuation order. Two of our members came to the Assembly Governmental Organization Committee hearing this week to support the bill and it was approved. The measure moves on to the Senate Appropriations Committee for consideration. *FIRE POSITION: SUPPORT.*

[Senate Bill 901 \(Dodd\)](#) would require utility company wildfire mitigation plans to include policies on when to de-energize lines. The bill passed the Assembly Utilities and Energy Committee and moves to the Assembly Appropriations Committee for consideration. *FIRE POSITION: Watch.*

[Senate Bill 944 \(Hertzberg\)](#) would establish a Community Paramedicine Program. The bill, which continues to be opposed by the California Nurses Association, passed the Assembly Health Committee and has been referred to the Assembly Appropriations Committee for consideration. A similar bill, [AB 1795 \(Gipson\)](#), died in the Appropriations Committee earlier this year. *FIRE POSITION: Support.*

[Senate Bill 1205 \(Hill\)](#) is a bill we are supporting, which provides for an annual report to the appropriate local government body by a fire department or district on compliance with existing inspection requirements to enforce building codes. The bill passed the Assembly Governmental Organization Committee and has been referred to the Assembly Appropriations Committee for consideration. *FIRE POSITION: Support.*

Summary: The Bradley-Burns Uniform Local Sales and Use Tax Law authorizes counties and cities to impose a local sales and use tax in accordance with that law for tangible personal property sold at retail in the county or city, or purchased for storage, use, or other consumption in the county or city. That law requires the county or city to contract with the California Department of Tax and Fee Administration for the administration of the taxes and requires the department to transmit those taxes to the city or county. This bill, on and after the effective date of this chapter and until January 1, 2031, would prohibit the imposition, increase, levy and collection, or enforcement by a local agency of any tax, fee, or other assessment on groceries, except as provided.

Summary: Current law establishes a program within all cities and all counties and portions thereof located within seismic zone 4, as defined, to identify all potentially hazardous buildings and to establish a mitigation program for these buildings. The mitigation program may include, among other things, the adoption by ordinance of a hazardous buildings program, measures to strengthen buildings, and the application of structural standards necessary to provide for life safety above current code requirements. This bill would, upon the identification of funding by the Office of Emergency Services, require the building department of a city or county that meets specified requirements to create an inventory of potentially vulnerable buildings, as defined, within its jurisdiction, based on age and other publicly available information, and submit that inventory to the office, as specified.

Summary: A provision of the California Building Standards Law specifies that a local ordinance adding or modifying building standards for residential occupancies, published in the California Building Standards Code, applies only to an application for a building permit submitted after the effective date of the ordinance and to plans and specifications for, and the construction performed under, that permit, unless, among other reasons, the permit is subsequently deemed expired because the building or work authorized by the permit is not commenced within 180 days from the date of the permit, or the permittee has suspended or abandoned the work authorized by the permit at any time after the work is commenced. This bill, until January 1, 2024, would instead provide that a permit would remain valid for purposes of the California Building Standards Law if the work on the site authorized by that permit is commenced within 3 years after issuance.

This bill would require the department to propose the adoption of a building standard to the California Building Standards Commission pursuant to existing law that would authorize, when a record of the issuance of a building permit for the construction of an existing residential unit does not exist, the above-described enforcement officials to determine when the residential unit was constructed and then apply the State Housing Law, the building standards published in the California Building Standards Code, and other specified rules and regulations in effect on that date and issue a retroactive building permit for that construction.

Summary: The Planning and Zoning Law authorizes the legislative body to adopt ordinances that, among other things, regulate the use of buildings, structures, and land as between industry, business, residences, and other uses in accordance with specified procedures. Current law specifies that these provisions of the Planning and Zoning Law relating to general plans and zoning ordinances generally do not apply to charter cities, but requires a charter city to adopt, by resolution of the legislative body of the charter city or, if the charter so provides, the planning commission, a general plan that contains the mandatory elements required by that law and to comply with specified additional requirements relating to reporting to the Department of Housing and Community Development and low- and moderate-income housing in the coastal zone. Summary: Current law provides for the exemption of authorized emergency vehicles, as defined, from the payment of a toll or charge on a vehicular crossing, toll highway, or high-occupancy toll (HOT) lane and any related fines, when the authorized emergency vehicle is being driven under specified conditions, including, among others, the vehicle is displaying public agency identification and driven while responding to or returning from an urgent or emergency call. Current law prohibits a person from operating a privately owned emergency ambulance unless licensed by the Department of the California Highway Patrol. This bill would generally modify the exemption to apply to the use of a toll facility, as defined, and would expand the exemption, dispute resolution procedures, and agreement provisions to include a privately owned emergency ambulance licensed by the Department of the California Highway Patrol.

Summary: Current law requires the Superintendent to estimate the average daily attendance for the fiscal year in a manner that credits to the school district, county office of education, or charter school, for determining the apportionments to be made to it, the approximate total average daily attendance that would have been credited to the school district, county office of education, or charter school, had the emergency not occurred. This bill would allow the period determined by the Superintendent to be extended to the 2019–20 fiscal year, for a state of emergency declared by the Governor in a county due to the 2017 wildfires, for those wildfires, if a specified showing is made by a school district, county office of education, or charter school, to the satisfaction of the Superintendent.

Summary: Current law provides for the licensure and regulation of residential care facilities for the elderly by the State Department of Social Services. Current law requires a facility to have an emergency plan that includes specified provisions and is available, upon request, to residents onsite and available to local emergency responders. Current law exempts a facility that has obtained a certificate of authority to offer continuing care contracts from this requirement. A violation of these

provisions is punishable as a misdemeanor. This bill would repeal the above-described provision exempting a facility that has obtained a certificate of authority to offer continuing care contracts from the requirement of having an emergency plan.

Calendar: 7/2/2018 #187 SENATE SEN THIRD READING FILE - ASM BILLS

Summary: Current law prohibits an employer from relying on the salary history information of an applicant for employment as a factor in determining whether to offer an applicant employment or what salary to offer an applicant, except in specified circumstances. Existing law requires an employer, upon reasonable request, to provide the pay scale for a position to an applicant applying for employment. This bill would define "pay scale," "reasonable request," and "applicant" for purposes of these provisions.

Summary: Current law requires bargaining unit determinations and representation elections to be determined and processed in accordance with rules adopted by a public agency, as specified. Current law requires, in a representation election, a majority of the votes cast by the employees in the appropriate bargaining unit. Current law requires PERB to enforce and apply rules adopted by a public agency concerning unit determinations, representation, recognition, and elections. Current law also requires specified complaints to be processed as an unfair practice charge by PERB. Current law does not apply the above provisions to persons who are peace officers, as defined. This bill would specify that these provisions apply to peace officer employee organizations but do not apply to employers and employees under the jurisdiction of the employee relations commission established by, and in effect for, the County of Los Angeles and the City of Los Angeles, as specified.

Summary: PERL prohibits an out-of-class appointment by a contracting agency employer or a school employer from exceeding 960 hours in each fiscal year. PERL requires an employer who violates this provision to pay penalties to the system based on, among other factors, an amount of money equal to 3 times the employee and employer contributions that would otherwise be paid to the system for the difference between the compensation paid for an out-of-class appointment and the compensation paid and reported to the system for the member's permanent position, for the entire period or periods the member serves in an out-of-class appointment. This bill would instead require that the amount of money for this penalty equal 3 times the employee and employer contributions that otherwise would have been paid and reported to the system for the difference between the compensation paid for the out-of-class appointment and the compensation that would have been paid and reported to the system, but for the vacancy, for the position in accordance with a publicly available pay schedule applicable to the vacant position, for the entire period or periods the member serves in an out-of-class appointment.

Summary: Current law defines the measure of indemnity for a loss under an open fire insurance policy and specifies time limits under which an insured must collect the full replacement cost of the loss. Current law prohibits, in the event of a total loss of the insured structure, a fire insurance policy issued or delivered in the state from limiting or denying payment of the replacement cost of property if the insured decides to rebuild or replace the property at a location other than the insured premises. Current law requires the measure of indemnity to be based upon the replacement cost of the insured property and prohibits it from being based upon the cost to repair, rebuild, or replace at a location other than the insured premises. This bill would instead prohibit, in the event of a total loss of an insured structure, a fire insurance policy issued or delivered in this state from containing a provision that limits or denies, on the basis that the insured has decided to rebuild at a new location or to purchase an already built home at a new location, payment of the building code upgrade cost or the replacement cost, including any extended replacement cost coverage, to the extent those costs are otherwise covered by the terms of the policy or any policy endorsement.

Summary: Would require the Department of Insurance to establish the California Home Insurance Finder on its Internet Web site to help homeowners connect with an insurance agent or broker for residential property insurance. The bill would require the department to survey agents, brokers, insurers, and appropriate trade associations about inclusion in the finder, and post participants' names, addresses, phone numbers, and Internet Web sites to the finder on or before July 1, 2020. The bill would require the commissioner to use social media and other tools to promote the finder, to create materials in multiple languages, and to develop a pamphlet no later than July 1, 2020, that provides information on how to accurately estimate dwelling replacement costs.

Summary: Current law prescribes the standard form for a fire insurance policy or county fire insurance policy. Current law imposes a 12-month statute of limitations in which to bring suit under a fire insurance policy or a county fire insurance policy after a loss. Current law makes it a misdemeanor for an insurer or agent to countersign or issue a fire policy that varies from the California standard form of policy. This bill would revise the standard forms of policy and extend the period in which to bring suit to 24 months after the inception of the loss if the loss is related to a state of emergency, as specified.

Summary: Under current law, an insurer is liable for a loss of which a peril insured against was the proximate cause, although a peril not contemplated by the contract may have been a remote cause of the loss. Under current law, an insurer is not liable for a loss of which the peril insured was only the remote cause. This bill would require that if a loss or damage results from a combination of perils, one of which is a landslide, mudslide, mudflow, debris flow, or other similar earth movement, coverage be provided if an insured peril is the efficient proximate cause of the loss or damage and coverage would otherwise be provided for the insured peril. The bill would require coverage to be provided under the same terms and conditions as would be provided for the insured peril.

Summary: Current law authorizes a county, until January 1, 2023, with approval of the board of supervisors, to utilize construction manager at-risk construction contracts for the erection, construction, alteration, repair, or improvement of any building owned or leased by the county, subject

to certain requirements, including that the method may only be used for projects that are in excess of \$1,000,000. Summary: The United States Supreme Court, in Birchfield v. North Dakota (2016) 136 S.Ct. 2160, held that the Fourth Amendment to the United States Constitution permitted warrantless breath tests incident to arrests for drunk driving, but did not permit warrantless blood tests incident to arrests for drunk driving, and held that a motorist cannot be punished criminally for his or her refusal to submit to a blood test. The court held that administrative penalties could be imposed for a refusal to submit to a blood test for those purposes. This bill would amend statutory law to comport with the Birchfield decision. The bill would repeal the imposition of criminal penalties for the refusal by a person to submit to or complete a blood test for the purpose of determining the alcoholic or drug content of his or her blood if lawfully arrested for one of specified driving-under-the-influence offenses.

Summary: Current law provides that, after January 1, 2008, a general acute care hospital building that is determined to be a potential risk of collapse or to pose significant loss of life in the event of seismic activity be used only for nonacute care hospital purposes, except that the office may grant 5-year and 2-year extensions under prescribed circumstances, except as specified. Current law requires an owner of a general acute care hospital building that is classified as nonconforming to submit a report to the office no later than November 1, 2010, describing the status of each building in complying with the extension provisions, and to annually update the office with any changes or adjustments. Current law authorizes certain hospital owners who do not have the financial capacity or other reasons to bring certain buildings into compliance by the January 1, 2013, deadline to instead replace those buildings or take other action by January 1, 2020, as specified. This bill would require all hospitals with buildings subject to the January 1, 2020, deadline described above and that are seeking an extension for their buildings to submit an application to the Office of Statewide Health Planning and Development by April 1, 2019, that specifies the seismic compliance method each building will use, as specified.

Calendar: 7/2/2018 #259 SENATE SEN CONSENT CALENDAR SECOND LEGISLATIVE DAY

Summary: Under the Public Employees' Retirement Law, members may make certain elections, including elections to purchase service credit for various types of public service, upon payment of additional contributions. Current law permits a member who retires before paying off the entire amount for service credit to pay the balance due or total amount if no payroll deductions had been made prior to retirement by deductions from his or her retirement allowance equal to those authorized as payroll deductions, as specified. The bill would permit the member, survivor, or beneficiary, as an alternative, on or after January 1, 2020, to elect to receive an allowance that is reduced by the actuarial equivalent of any balance remaining unpaid by the member.

Calendar: 7/2/2018 #188 SENATE SEN THIRD READING FILE - ASM BILLS

Summary: Under PERL, a contracting agency and its employees may agree in writing to share the costs of the employer contribution in accordance with specified procedures. Current law requires, in these circumstances, the collective bargaining agreement for a contracting agency and its employees to specify the exact percentage of member compensation that is to be paid toward the current service costs of the benefits by members. This bill would revise that provision to also refer to a memorandum of understanding ratified by the employee bargaining unit and the governing body of the contracting agency.

Summary: The Public Employees' Retirement Law requires the Board of Administration to appoint and fix the compensation of an executive officer, a general counsel, a chief actuary, a chief investment officer, a chief financial officer and other investment officers and portfolio managers, as specified. PERL requires that specified principles guide the board when fixing compensation, consistent with its fiduciary responsibility to recruit and retain highly qualified and effective employees for these positions. This bill would additionally require the board to appoint and fix the compensation of a chief operating officer and a chief health director.

Summary: The Public Employees' Retirement Law (PERL) establishes the Public Employees' Retirement System (PERS), which provides pension and other benefits to members of PERS. PERL requires certain public employers to contribute moneys to PERS. Current law prohibits the state, school employers, and contracting agencies, as defined, from refusing to pay the employers' contribution as required by PERL. This bill would require a contracting agency that fails to make a required contribution to PERS to notify members of the delinquency within 30 days, as specified.

Summary: The California Public Employees' Pension Reform Act of 2013 (PEPRA) generally requires a public retirement system, as defined, to modify its plan or plans to comply with the act. PEPRA, among other things, establishes new defined benefit formulas and caps on pensionable compensation. This bill would establish new procedures under PERL for cases in which a member's benefits are erroneously calculated by the state or a contracting agency.

Summary: CERL authorizes the retirement boards of 5 specified counties to appoint assistant administrators and chief investment officers who, following appointment, are outside county charter, civil service, and merit system rules, except as specified. CERL provides that these administrators and officers are employees of the county, as specified, while serving at the pleasure of the appointing boards, and that they may be dismissed without cause. This bill would apply these provisions to any county if the board of supervisors for that county, by resolution adopted by majority vote, makes those provisions applicable in the county.
