**Re: FIRE Weekly Legislative Report – Week Ending 07/06/2018**

**[2018 Legislative Schedule](#)**

With the 4<sup>th</sup> of July holiday, there were few legislative hearings of note this week. The Legislature is now on Summer Recess, returning August 6, 2018.

**Wildfire Preparedness and Response Conference Committee**

This week, Governor Brown and Democrat and Republican Legislative Leaders announced the formation of a Conference Committee on legislation to strengthen disaster preparedness and appropriate policies to respond to the increasing year-round wildfire danger in California. (Governor's press release [here](#)).

[SB 901](#) (Dodd, D-Napa), relating to electric utilities' wildfire mitigation plans, will become a vehicle for addressing the inverse condemnation issue and other matters involving utilities and wildfire.

Conference Committee hearings and process should be announced soon. The conferees are as follows:

**Senate Conferees**

Ben Hueso (D-San Diego), Co-Chair  
Bill Dodd (D-Napa)  
Hannah-Beth Jackson (D-Santa Barbara)  
Anthony Cannella (R-Ceres)  
Jeff Stone (R-Temecula)

**Assembly Conferees**

Chris Holden (D-Pasadena), Co-Chair  
Brian Dahle (R-Bieber)  
Chad Mayes (R-Yucca Valley)  
Eloise Gómez Reyes (D-San Bernardino)  
Jim Wood (D-Healdsburg)

## Legislative Update

**Summary:** The Bradley-Burns Uniform Local Sales and Use Tax Law authorizes counties and cities to impose a local sales and use tax in accordance with that law for tangible personal property sold at retail in the county or city, or purchased for storage, use, or other consumption in the county or city. That law requires the county or city to contract with the California Department of Tax and Fee Administration for the administration of the taxes and requires the department to transmit those taxes to the city or county. This bill, on and after the effective date of this chapter and until January 1, 2031, would prohibit the imposition, increase, levy and collection, or enforcement by a local agency of any tax, fee, or other assessment on groceries, except as provided.

The mitigation program may include, among other things, the adoption by ordinance of a hazardous buildings program, measures to strengthen buildings, and the application of structural standards necessary to provide for life safety above current code requirements. This bill would, upon the identification of funding by the Office of Emergency Services, require the building department of a city or county that meets specified requirements to create an inventory of potentially vulnerable buildings, as defined, within its jurisdiction, based on age and other publicly available information, and submit that inventory to the office, as specified.

This bill, until January 1, 2024, would instead provide that a permit would remain valid for purposes of the California Building Standards Law if the work on the site authorized by that permit is commenced within 3 years after issuance.

**Summary:** The Planning and Zoning Law authorizes the legislative body to adopt ordinances that, among other things, regulate the use of buildings, structures, and land as between industry, business, residences, and other uses in accordance with specified procedures. Current law specifies that these provisions of the Planning and Zoning Law relating to general plans and zoning ordinances generally do not apply to charter cities, but requires a charter city to adopt, by resolution of the legislative body of the charter city or, if the charter so provides, the planning commission, a general plan that contains the mandatory elements required by that law and to comply with specified additional requirements relating to reporting to the Department of Housing and Community Development and low- and moderate-income housing in the coastal zone. **Summary:** Current law provides for the exemption of authorized emergency vehicles, as defined, from the payment of a toll or charge on a vehicular crossing, toll highway, or high-occupancy toll (HOT) lane and any related fines, when the authorized emergency vehicle is being driven under specified conditions, including, among others, the vehicle is displaying public agency identification and driven while responding to or returning from an urgent or emergency call. Current law prohibits a person from operating a privately owned emergency ambulance unless licensed by the Department of the California Highway Patrol. This bill would generally modify the exemption to apply to the use of a toll facility, as defined, and would expand the exemption, dispute resolution procedures, and agreement provisions to include a privately owned emergency ambulance licensed by the Department of the California Highway Patrol.

**Summary:** Current law requires the Superintendent to estimate the average daily attendance for the fiscal year in a manner that credits to the school district, county office of education, or charter school, for determining the apportionments to be made to it, the approximate total average daily attendance that would have been credited to the school district, county office of education, or charter school, had the emergency not occurred. This bill would allow the period determined by the Superintendent to be extended to the 2019–20 fiscal year, for a state of emergency declared by the Governor in a county due to the 2017 wildfires, for those wildfires, if a specified showing is made by a school district, county office of education, or charter school, to the satisfaction of the Superintendent.

**Summary:** Current law provides for the licensure and regulation of residential care facilities for the elderly by the State Department of Social Services. Current law requires a facility to have an emergency plan that includes specified provisions and is available, upon request, to residents onsite and available to local emergency responders. Current law exempts a facility that has obtained a certificate of authority to offer continuing care contracts from this requirement. A violation of these provisions is punishable as a misdemeanor. **Summary:** Current law prohibits an employer, as defined, or any person acting on behalf of the employer, as defined, from, among other things, preventing an employee from, or retaliating against an employee for, providing information to, or testifying before, any public body conducting an investigation, hearing, or inquiry, if the employee has reasonable cause to believe that the information discloses a violation of a law, regardless of whether disclosing the information is part of the employee's job duties. This bill would extend the protections afforded to employees under these provisions to county patients' rights advocates appointed or under contract to provide services relating to mental health advocacy.

**Summary:** Would require each department or agency in this state that employs peace officers to make and retain a record of any investigations of misconduct involving a peace officer in his or her general personnel file or separate file designated by the department or agency. The bill would require a peace officer seeking employment with a department or agency to give written permission for the hiring department or agency to view his or her general personnel file or separate file. Because this bill would increase the duties of local law enforcement agencies, it would impose a state-mandated local program.

**Summary:** PERL prohibits an out-of-class appointment by a contracting agency employer or a school employer from exceeding 960 hours in each fiscal year. PERL requires an employer who violates this provision to pay penalties to the system based on, among other factors, an amount of money equal to 3 times the employee and employer contributions that would otherwise be paid to the system for the difference between the compensation paid for an out-of-class appointment and the compensation paid and reported to the system for the member's permanent position, for the entire period or periods the member serves in an out-of-class appointment. This bill would instead require that the amount of money for this penalty equal 3 times the employee and employer contributions that otherwise would have been paid and reported to the system for the difference between the compensation paid for the out-of-class appointment and the compensation that would have been paid and reported to the system, but for the vacancy, for the position in accordance with a publicly available pay schedule

applicable to the vacant position, for the entire period or periods the member serves in an out-of-class appointment.

**Summary:** Current law defines the measure of indemnity for a loss under an open fire insurance policy and specifies time limits under which an insured must collect the full replacement cost of the loss. Current law prohibits, in the event of a total loss of the insured structure, a fire insurance policy issued or delivered in the state from limiting or denying payment of the replacement cost of property if the insured decides to rebuild or replace the property at a location other than the insured premises. Current law requires the measure of indemnity to be based upon the replacement cost of the insured property and prohibits it from being based upon the cost to repair, rebuild, or replace at a location other than the insured premises. This bill would instead prohibit, in the event of a total loss of an insured structure, a fire insurance policy issued or delivered in this state from containing a provision that limits or denies, on the basis that the insured has decided to rebuild at a new location or to purchase an already built home at a new location, payment of the building code upgrade cost or the replacement cost, including any extended replacement cost coverage, to the extent those costs are otherwise covered by the terms of the policy or any policy endorsement.

**Summary:** Current law prescribes the standard form for a fire insurance policy or county fire insurance policy. Current law imposes a 12-month statute of limitations in which to bring suit under a fire insurance policy or a county fire insurance policy after a loss. Current law makes it a misdemeanor for an insurer or agent to countersign or issue a fire policy that varies from the California standard form of policy. This bill would revise the standard forms of policy and extend the period in which to bring suit to 24 months after the inception of the loss if the loss is related to a state of emergency, as specified.

**Summary:** Under current law, an insurer is liable for a loss of which a peril insured against was the proximate cause, although a peril not contemplated by the contract may have been a remote cause of the loss. Under current law, an insurer is not liable for a loss of which the peril insured was only the remote cause. This bill would require coverage to be provided if a loss or damage results from a combination of perils, one of which is a landslide, mudslide, mudflow, debris flow, or other similar earth movement, if an insured peril is the efficient proximate cause of the loss or damage and coverage would otherwise be provided for the insured peril. The bill would require coverage to be provided under the same terms and conditions as would be provided for the insured peril.

**Summary:** The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides the authority and procedures for the initiation, conduct, and completion of changes of organization and reorganization of cities and districts. The act specifies the factors that a local agency formation commission is required to consider in the review of a proposal for a change of organization or reorganization, including, among other things, per capita assessed valuation and the proposal's consistency with city or county general and specific plans This bill would require the commission to consider the assessed valuation rather than per capita assessed valuation.

**Summary:** The Uniform Public Construction Cost Accounting Act permits the governing body of a public agency, in the event all bids received for the performance of that public project are in excess of \$175,000, to award the contract at \$187,500 or less to the lowest responsible bidder if it determines the cost estimate of the public agency was reasonable. This bill would instead authorize public projects of \$60,000 or less to be performed by the employees of a public agency, authorize public projects of \$200,000 or less to be let to contract by informal procedures, and require public projects of more than \$200,000 to be let to contract by formal bidding procedures.

**Summary:** The California Constitution requires any change in state statute that increases the tax liability of any taxpayer to be imposed by an act approved by 2/3 of the membership of each house of the Legislature, and prohibits specified taxes on real property from being so imposed. **Summary:** Current law authorizes a county, until January 1, 2023, with approval of the board of supervisors, to utilize construction manager at-risk construction contracts for the erection, construction, alteration, repair, or improvement of any building owned or leased by the county, subject to certain requirements, including that the method may only be used for projects that are in excess of \$1,000,000. This bill would expand that authorization by authorizing a public entity, of which the members of the county board of supervisors make up the members of the governing body of that public entity, with the approval of its governing body, to utilize construction manager at-risk construction contracts. The bill would also authorize the county or public entity to utilize those contracts for the erection, construction, alteration, repair, or improvement of infrastructure owned or leased by the county or the public entity, as applicable, including, but not limited to, buildings, utility improvements associated with buildings, flood control and underground utility improvements, and bridges, but excluding roads.

**Summary:** Current law authorizes the creation by the University of California of the California Cannabis Research Program, the purpose of which is to develop and conduct studies intended to ascertain the general medical safety and efficacy of cannabis and, if found valuable, to develop medical guidelines for the appropriate administration and use of cannabis. Current law authorizes the program

to conduct focused controlled clinical trials on the usefulness of cannabis in patients diagnosed with specified conditions, including cancer and glaucoma. This bill would expand the purview of the program to include the study of naturally occurring constituents of cannabis and synthetic compounds that have effects similar to naturally occurring cannabinoids. al cannabis.

**Summary:** The Sales and Use Tax Law authorizes, before January 1, 2022, a person issued a seller's permit for a place of business that is a dispensary, as defined in the Medical Cannabis Regulation and Safety Act, which was repealed, to remit amounts due for retail sales at the dispensary by a means other than electronic funds transfer. This bill, until January 1, 2022, would instead authorize a person licensed under MAUCRSA, whose estimated tax liability under that law averages \$10,000 or more per month, to remit amounts due by a means other than electronic funds transfer if the board deems it necessary to facilitate collection of amounts due.

**Summary:** The United States Supreme Court, in *Birchfield v. North Dakota* (2016) 136 S.Ct. 2160, held that the Fourth Amendment to the United States Constitution permitted warrantless breath tests incident to arrests for drunk driving, but did not permit warrantless blood tests incident to arrests for drunk driving, and held that a motorist cannot be punished criminally for his or her refusal to submit to a blood test. The court held that administrative penalties could be imposed for a refusal to submit to a blood test for those purposes. This bill would amend statutory law to comport with the *Birchfield* decision. The bill would repeal the imposition of criminal penalties for the refusal by a person to submit to or complete a blood test for the purpose of determining the alcoholic or drug content of his or her blood if lawfully arrested for one of specified driving-under-the-influence offenses.

SENATE APPROPRIATIONS, PORTANTINO, Chair

**Summary:** Current law provides that, after January 1, 2008, a general acute care hospital building that is determined to be a potential risk of collapse or to pose significant loss of life in the event of seismic activity be used only for nonacute care hospital purposes, except that the office may grant 5-year and 2-year extensions under prescribed circumstances, except as specified. Current law requires an owner of a general acute care hospital building that is classified as nonconforming to submit a report to the office no later than November 1, 2010, describing the status of each building in complying with the extension provisions, and to annually update the office with any changes or adjustments. Current law authorizes certain hospital owners who do not have the financial capacity or other reasons to bring certain buildings into compliance by the January 1, 2013, deadline to instead replace those buildings or take other action by January 1, 2020, as specified. This bill would require all hospitals with buildings subject to the January 1, 2020, deadline described above and that are seeking an extension for their buildings to submit an application to the Office of Statewide Health Planning and

Development by April 1, 2019, that specifies the seismic compliance method each building will use, as specified.

**Summary:** The Joint Exercise of Powers Act generally authorizes 2 or more public agencies, by agreement, to jointly exercise any common power. Under the act, if an agency is not one or more of the parties to the agreement but is a public entity, commission, or board constituted pursuant to the agreement, the debts, liabilities, and obligations of the agency are the debts, liabilities, and obligations of the parties to the agreement, unless the agreement specifies otherwise. This bill would eliminate that authorization, and would specify that if an agency established by a joint powers agreement participates in, or contracts with, a public retirement system, member agencies, both current and former to the agreement, would be required, prior to a termination or a decision to dissolve or cease the operations of the agency, to mutually agree as to the apportionment of the agency's retirement obligations among themselves, provided that the agreement equals 100% of the retirement liability of the agency.

**Summary:** Under the Public Employees' Retirement Law, members may make certain elections, including elections to purchase service credit for various types of public service, upon payment of additional contributions. Current law permits a member who retires before paying off the entire amount for service credit to pay the balance due or total amount if no payroll deductions had been made prior to retirement by deductions from his or her retirement allowance equal to those authorized as payroll deductions, as specified. The bill would permit the member, survivor, or beneficiary, as an alternative, on or after January 1, 2020, to elect to receive an allowance that is reduced by the actuarial equivalent of any balance remaining unpaid by the member.

**Summary:** Under PERL, a contracting agency and its employees may agree in writing to share the costs of the employer contribution in accordance with specified procedures. Current law requires, in these circumstances, the collective bargaining agreement for a contracting agency and its employees to specify the exact percentage of member compensation that is to be paid toward the current service costs of the benefits by members. This bill would revise that provision to also refer to a memorandum of understanding ratified by the employee bargaining unit and the governing body of the contracting agency.

**Summary:** The Public Employees' Retirement Law requires the Board of Administration to appoint and

fix the compensation of an executive officer, a general counsel, a chief actuary, a chief investment officer, a chief financial officer and other investment officers and portfolio managers, as specified. PERL requires that specified principles guide the board when fixing compensation, consistent with its fiduciary responsibility to recruit and retain highly qualified and effective employees for these positions. This bill would additionally require the board to appoint and fix the compensation of a chief operating officer and a chief health director.

**Summary:** The Public Employees' Retirement Law (PERL) establishes the Public Employees' Retirement System (PERS), which provides pension and other benefits to members of PERS. PERL requires certain public employers to contribute moneys to PERS. Current law prohibits the state, school employers, and contracting agencies, as defined, from refusing to pay the employers' contribution as required by PERL. This bill would require a contracting agency that fails to make a required contribution to PERS to notify members of the delinquency within 30 days, as specified.

**Summary:** The California Public Employees' Pension Reform Act of 2013 (PEPRA) generally requires a public retirement system, as defined, to modify its plan or plans to comply with the act. PEPRA, among other things, establishes new defined benefit formulas and caps on pensionable compensation. This bill would establish new procedures under PERL for cases in which a member's benefits are erroneously calculated by the state or a contracting agency.

**Summary:** CERL authorizes the retirement boards of 5 specified counties to appoint assistant administrators and chief investment officers who, following appointment, are outside county charter, civil service, and merit system rules, except as specified. CERL provides that these administrators and officers are employees of the county, as specified, while serving at the pleasure of the appointing boards, and that they may be dismissed without cause. This bill would apply these provisions to any county if the board of supervisors for that county, by resolution adopted by majority vote, makes those provisions applicable in the county.

**Summary:** Would prohibit a government employer from providing public employees any retirement benefit increase until that increase is approved by a 2/3 vote of the electorate of the applicable jurisdiction and that vote is certified. The measure would define retirement benefit to mean any postemployment benefit and would define benefit increase as any change that increases the value of an employee's retirement benefit. The measure would define a government employer to include, among others, the state and any of its subdivisions, cities, counties, school districts, special districts, the Regents of the University of California, and the California State University.
