Legislative Update

[Assembly Bill 72 \(Committee on Budget\)](#) – Among various Budget changes, this bill would amend the 2018-19 Budget Act to provide additional resources for emergency preparedness and response. The bill includes a \$50 Million General Fund disaster preparedness campaign that contains \$30 Million for a statewide campaign through California Volunteers within the Office of Planning and Research and \$20 Million for local grants through OES. The bill also contains a \$10 Million loan from the General Fund to the State Emergency Telephone Number Account (SETNA) to enable the state to begin the upgrading of the network as part of the Next Gen 911 System. AB 72 passed the Assembly on Monday and was voted out of the Senate Budget Committee on Thursday.

[Assembly Bill 73 \(Committee on Budget\)](#) – Among various Budget changes, the bill would revise the Disaster Response Emergency Operations Account (DREOA), which sunset on January 1, 2019, to allow the Director of Finance to transfer funds from the State’s Special Fund for Economic Uncertainties Reserve to the DREOA for expenses related to a declared disaster. AB 73 passed the Assembly this week and has been voted out of the Senate Budget Committee.

[Assembly Bill 393 \(Nazarian\)](#) would declare the intent to enact legislation that would implement a functional recovery building standard regarding restoration of building functions and occupancies following an earthquake.

[Assembly Bill 394 \(Oberholte\)](#) would exempt from the California Environmental Quality Act (CEQA) projects recommended by CAL FIRE that improve fire safety.

[Senate Bill 209 \(Dodd\)](#) would establish the California Wildfire Warning Center with responsibilities relating to fire-threat weather conditions including overseeing the development of a statewide network of automated weather and environmental stations designed to observe meteorological phenomena and to improve weather forecasting, monitoring and threat assessment.

Summary: Would require, no later than July 1, 2020, the State Fire Marshall to develop, and the California Building Standards Commission to review, building standards for buildings in very high fire

hazard severity zones. The bill would require, beginning on July 1, 2020, all newly constructed buildings and all transferred buildings in very high fire hazard severity zones to comply with the building standards. By requiring new building standards for buildings in very high fire hazard severity zones, this bill would expand the definition of a crime and impose a state-mandated local program.

Summary: Current law requires wildfire mitigation plans to include specified information, including protocols for disabling reclosers and deenergizing portions of the electrical distribution system that consider the associated impacts on public safety, as well as protocols related to mitigating the public safety impacts of those protocols, including impacts on critical first responders and on health and communication infrastructure. This bill would require those protocols to additionally include impacts on customers enrolled in the California Alternative Rates for Energy (CARE) program, receiving medical baseline allowances of electricity or gas, and who the electrical corporation has identified as critical care customers relying on life-support equipment.

Summary: The Elder California Pipeline Safety Act of 1981 requires the State Fire Marshal to administer provisions regulating the inspection of intrastate pipelines that transport hazardous liquids. The act requires a pipeline operator to make available to the State Fire Marshal, or any officers or employees authorized by the State Fire Marshal, upon presentation of appropriate credentials, any records, maps, or written procedures that are required by the act to be kept by the pipeline operator and which concern accident reporting, design, construction, testing, or operation and maintenance. This bill would revise and recast specified provisions and would authorize the State Fire Marshal, for purposes of carrying out the requirements of state or federal law relating to hazardous liquid pipeline safety, to require the owner or operator of a pipeline to establish and maintain records, make reports, and provide any information that the State Fire Marshal reasonably requires, as provided.

Summary: Current law authorizes each county, including a city and county, to enter into an agreement to access the contact information of resident accountholders through the records of a public utility or other agency responsible for water service, waste and recycling services, or other property-related services for the sole purpose of enrolling county residents in a county-operated public emergency warning system. Current law requires any county that enters into such an agreement to include procedures to enable any resident to opt out of the warning system and a process to terminate the receiving agency's access to the resident's contact information. Current law prohibits the use of the information gathered for any purpose other than for emergency notification. This bill would expand these provisions to authorize a city to enter into an agreement to access the contact information of resident accountholders through the records of a public utility as specified.
