Re: FIRE Legislative Report – Week Ending May 10, 2019

This week was a rather low-key week as it pertains to legislation. The big news, of course, was the release of the Governor's May Revise. Yesterday, we provided FIRE Task Force members with a summary of what was proposed; that summary is repeated below.

Governor's May Revise

Yesterday, the Governor released his May Revise on the 2019/20 budget proposal. The May Revise identifies the changes made to what was released in January.

EMERGENCY PREPAREDNESS, RESPONSE, AND RECOVERY

On top the \$769.6 million in additional funding to enhance the state's fire preparedness, increase capacity to respond to emergency incidents, and increase public safety, the May Revise makes significant investments in the following areas. Details will be provided through the budget subcommittee process:

- \$20 million one-time General Fund for a state mission tasking appropriation within the Cal OES budget. In addition, \$1.5 million and 12 positions are proposed for Cal OES to coordinate with all state agency responders as a part of effectively managing and monitoring this appropriation given it will be responsible for the distribution of these funds. When state entities are mission tasked, some staffing costs associated with those activities are not absorbable within existing budgets, nor are these costs eligible for the California Disaster Assistance Act or Disaster Response-Emergency Operations Act funding. This proposed state mission tasking appropriation provides a resource to fund state entities for costs incurred when mission tasked, and to fund surge capacity needs of the Statewide Disaster Reserve Corps described below.
- One-time \$518,000 General Fund to reimburse cities, counties and special districts for 2018-19 **property tax losses resulting from the 2018 wildfires**. This

augments the \$31.3 million proposed in the 2019-20 Governor's Budget, and subsequently added to the 2018 Budget Act by [Chapter 1, Statutes of 2019 \(AB 72\)](#).

The additional \$518,000 is for the local agencies in Los Angeles, Mendocino, Napa, Orange, San Diego, Solano, Tuolumne, and Ventura counties that suffered property tax losses due to the 2018 wildfires but had not been able to calculate these totals timely to be included in the Governor's Budget. They are now included in the May Revision.

- \$10 million one-time General Fund to **support local communities in their recovery** from the unprecedented devastation of the Camp Fire.
- \$15.7 million one-time General Fund to build on the investments proposed in the Governor's Budget to enhance **CAL FIRE's fire protection capabilities and increase the pace and scale of forest health and fire prevention activities**. The funding proposed in the May Revision aligns with key recommendations from the Community Wildfire Prevention and Mitigation [Report](#) as well as the Strike Force's [Report](#).
- A one-time increase of \$730,000 General Fund to support the Board of Forestry and Fire Protection in certifying the **Programmatic Environmental Impact Report (EIR) for the California Vegetation Treatment Program**. The EIR will help CAL FIRE and other partner agencies increase the pace and scale of fire prevention activities and work toward achieving the statewide goal of increasing forest management treatments from 250,000 to 500,000 acres per year on non-federal forest lands, as recommended in the Forest Carbon [Plan](#).
- \$41 million Public Utilities Commission Utilities Reimbursement Account to fund **inspections and improve review of both utility wildfire mitigation plans and PSPS reports**. Specifically, this includes \$38 million for one-time contract resources over three years to investigate and verify utility compliance with wildfire mitigation plans and to improve the California Public Utilities Commission's (PUC) oversight and evaluation of wildfire mitigation plans. It also includes funding to support 16 positions to oversee these contracts, facilitate these efforts, and streamline PUC regulatory processes.
- A one-time investment of \$75 million General Fund to improve resiliency of the state's critical infrastructure in response to investor-owned utility-led **Public Safety Power Shutdown (PSPS) actions**, and to provide assistance to communities, where appropriate, as specific urgent needs are identified.

Investor-owned utilities (IOUs) have signaled their intent to significantly increase the use of PSPS on their energized power lines to prevent wildfires during high

wind or other severe weather events. As a result, affected areas may be without power for several hours, days, and in some cases, over a week. Given the configuration of power grids and limited weather-monitoring capacities, at times, IOUs may be unable to implement PSPS in targeted areas, which could result in larger regional areas being impacted.

This proposal will provide a flexible source of funding to facilitate immediate response to utility-initiated power shutdowns. In addition, planning grants to improve local preparedness for IOU-driven PSPS events would be available to the state's Operational Areas' (Counties) Offices of Emergency Management to convene regional stakeholders to discuss PSPS preparedness efforts, update emergency plans for PSPS events, and hold trainings, discussions, and exercises to reinforce planning assumptions.

- \$711,000 ongoing General Fund and 6 positions to initiate development of a **statewide Disaster Reserve Corps** resource pool for surge capacity needs. This resource pool will be able to backfill departments for steady-state activities, assist with continuity planning, and identify pre-screened qualified candidates to be part of needed incident support teams to assist in state preparedness and readiness.

- \$39.9 million (\$38.6 million General Fund) and 159.5 positions for various departments to enhance the state's disaster preparedness, response, and recovery capabilities; support the continuity of state government during disasters; and increase technical proficiency to best position the state to maximize appropriate federal reimbursements of billions of dollars. This includes resources for departments to: enhance disaster contingency planning and preparedness, provide funding to support Cal OES mission tasking, and facilitate the development of a Statewide Disaster Reserve Corps for surge capacity during disasters. Specifically:
 - **Office of Emergency Services**—\$5.9 million in ongoing funds (\$5.1 million General Fund) and 76 positions to enhance Cal OES disaster preparedness and response capacity for future state disasters. Without the appropriate tracking and coordination of disaster costs, California would be at risk of losing federal funding.

 - **Department of Housing and Community Development**—\$2 million General Fund (with \$740,000 in ongoing resources) and four positions to create a permanent Disaster Response and Recovery Unit that will provide housing expertise in coordination with statewide disaster recovery efforts and to hire a consultant that will conduct local needs assessments related to the 2018 Camp and Woolsey fires as well as create local long-term recovery plan frameworks.

- **State Water Resources Control Board**—\$1 million ongoing General Fund and six positions to improve emergency response capabilities between the State Water Board, regional boards, and other state entities during emergencies. These resources will enable the Water Board to lessen the impacts of disasters on vulnerable populations by addressing a wide range of issues in the periods following and between emergencies, including addressing engineering and operation issues facing drinking water systems and waste water utilities, and preventing or minimizing impacts to water quality, water supply security, and safety.

- **Department of Resources Recycling and Recovery**—\$2.8 million ongoing General Fund and 21.5 positions for the Department to continue its significant role in emergency response mission tasking responsibilities. These resources will establish a dedicated team to help facilitate timely, safe, and effective debris removal operations as well as to assist local governments in the preparation of debris removal plans for future incidents.

- **Emergency Medical Services Authority**—\$979,000 ongoing General Fund and two positions to increase disaster medical services capacity, including coordination of medical assets during emergency response efforts and one-time purchases of medical treatment and communications equipment.

- **Department of Public Health**—\$959,000 in ongoing funds (\$569,000 General Fund) and six positions to support health care facilities and mass care shelters during emergencies as well as disaster preparedness, response, and recovery efforts. Activities will include deployment of infection control teams and continuous updates to an existing health facility mapping application used during disasters.

- **Department of State Hospitals**—\$996,000 ongoing General Fund and six positions to improve emergency coordination and preparedness, and business continuity planning at five state hospitals and the Department of State Hospitals headquarters. The additional resources will enhance the Department's ability and capacity to more effectively care for patients and coordinate staff in the event of a disaster.

- **Department of Social Services**—\$2.9 million ongoing General Fund and 20 positions to support the Department of Social Services' mandated disaster planning, coordination, and training activities. The Department is responsible for statewide mass care and shelter responsibilities, as designated by Cal OES.

Legislative Update

Budget Trailer Bill (no bill number yet) – On May 9, 2019, the Senate Budget Subcommittee #5 approved the 9-1-1 SETNA budget item requested by CAL OES.

[Assembly Bill 191 \(Patterson\)](#) would have exempted homes being rebuilt following a wildfire from certain building standards including applicable sprinkler requirements until 2030. This bill has been held and will not be taken up again in 2019. *FIRE POSITION: OPPOSE.*

[Assembly Bill 932 \(Low\)](#) is the CPF-sponsored bill to provide that firefighters injured out of the state while engaged in fire-suppression or rescue operations are eligible for workers' compensation. The bill passed the Assembly this week. *FIRE POSITION: SUPPORT.*

[Assembly Bill 1211 \(Reyes\)](#) was an intent bill to create a career pathway for previously incarcerated felons to train to become firefighters. The measure was stalled and will not be taken up again in 2019. *FIRE POSITION: UNDER REVIEW.*

[Assembly Bill 1299 \(Flora\)](#) would provide for a fire department that has voluntary firefighters and receives reimbursement through a mutual aid request and the reimbursement is intended to reimburse for personnel cost for the work carried out by voluntary firefighters, would provide for pass through of the reimbursement to these voluntary firefighters. The bill passed the Assembly Labor and Employment Committee. *FIRE POSITION: SUPPORT.*

[Senate Bill 272 \(Morrell\)](#) would have modified the Fire Protection District Law regarding annexations to require a majority vote of the electorate within the expanded area. The bill has been held and will not be taken up this year. *FIRE POSITION: UNDER REVIEW.*

1st House				2nd House							

Calendar: 5/16/2019 Upon adjournment of Session - State Capitol, Room 4202 ASSEMBLY APPROPRIATIONS SUSPENSE, GONZALEZ, Chair

Summary: Would establish the State Wildfire Preparedness Board, consisting of specified members, and would prescribe the responsibilities of the state board with regard to the state's fire preparedness. The bill would divide the state's very high fire hazard severity zones into 18 regional wildfire prevention districts, which are advisory bodies to the State Wildfire Preparedness Board, as provided. The bill would prescribe the duties of the districts, including, among others, the promotion, organization, and support for the implementation of regional community fire evacuation drills.

Summary: The Planning and Zoning Law authorizes a local agency to provide, by ordinance, for the creation of accessory dwelling units in single-family and multifamily residential zones and sets forth required ordinance standards, including, among others, lot coverage. This bill would delete the provision authorizing the imposition of standards on lot coverage and would prohibit an ordinance from imposing requirements on minimum lot size.

Calendar: 5/16/2019 Upon adjournment of Session - State Capitol, Room 4202 ASSEMBLY APPROPRIATIONS SUSPENSE, GONZALEZ, Chair

Summary: Current law establishes a program within all cities and all counties and portions thereof located within seismic zone 4, as defined, to identify all potentially hazardous buildings and to establish a mitigation program for these buildings. This bill would require the Alfred E. Alquist Seismic Safety Commission, by specified deadlines, to identify funding and develop a bidding process for hiring a third-party contractor to create an inventory of potentially vulnerable buildings, as defined. The bill

would require the third-party contractor, in conjunction with the commission, by July 1, 2022, to develop a statewide inventory of potentially seismically vulnerable buildings in 29 specified counties in California using information developed by local jurisdictions pursuant to the above-described provisions.

 ASSEMBLY APPROPRIATIONS, GONZALEZ, Chair

Summary: Current law authorizes a development proponent to submit an application for a development permit that is subject to a streamlined, ministerial approval process and not subject to a conditional use permit if the development satisfies specified objective planning standards, including that the development is a multifamily housing development that contains 2 or more residential units. This bill would authorize a development proponent to submit an application for a residential development, or mixed-use development that includes residential units with a specified percentage of space designated for residential use, within the territorial boundaries or a specialized residential planning area identified in the general plan of, and adjacent to existing urban development within, specified cities that is subject to a similar streamlined, ministerial approval process and not subject to a conditional use permit if the development satisfies specified objective planning standards.

Calendar: 5/13/2019 #23 ASSEMBLY THIRD READING FILE - ASSEMBLY BILLS

Summary: The Planning and Zoning Law provides for the creation of accessory dwelling units by local ordinance, or, if a local agency has not adopted an ordinance, by ministerial approval, in accordance with specified standards and conditions. Current law requires the ordinance to designate areas where accessory dwelling units may be permitted and authorizes the designated areas to be based on criteria that includes, but is not limited to, the adequacy of water and sewer services and the impact of accessory dwelling units on traffic flow and public safety. This bill would instead require a local agency to designate these areas based on the adequacy of water and sewer services and the impact of accessory dwelling units on traffic flow and public safety.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Current law, until January 1, 2026, authorizes a development proponent to submit an application for a multifamily housing development, which satisfies specified objective planning standards, that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit. Under current law, those objective planning standards include that the development proponent must certify both (1) that the development is either a public work, for purposes of specified law, or that all construction workers employed in the execution of the development will be paid at least the general prevailing rate of per diem wages for the type of work and geographic area and (2) that if the development meets certain conditions, a skilled and trained workforce, as defined, will be used to complete the development if the application is approved, as provided. Existing law exempts from any requirement to pay prevailing wages or use a skilled and trained workforce a project that includes 10 or fewer units and is not a public work. This bill would delete the requirement that a skilled and trained workforce be employed on any project subject to these provisions.

Desk	2 year	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The Planning and Zoning Law law requires that the housing element, among other things, sets forth a schedule of actions during the planning period that the local government is undertaking or intends to undertake to implement the policies and achieve the goals of the housing element, as provided. Current law authorizes the Department of Housing and Community Development to allow a city or county to substitute the provision of units for up to 25% of the community's obligation to identify adequate sites for any income category in its housing element pursuant to a schedule of actions. This bill would additionally authorize the department to allow a city or county to substitute the provision of units for up to 25% of the community's obligation to identify adequate sites for any income category under the above-described schedule of actions if the governing body of the city or county has adopted both (1) an ordinance that implements requirements under state law, as well as any applicable requirements of the city or county, relating to accessory dwelling units and meets certain requirements and (2) an ordinance establishing a permitting process and appropriate standards to regulate short-term rentals of single-family dwellings in order to accomplish specified objectives. The bill would also make various nonsubstantive changes.

1st House				2nd House				Conc.			

Summary: Current law, until January 1, 2022, upon a declaration of a shelter crisis by the City of San Jose, authorizes emergency housing to include an emergency bridge housing community for the homeless, as specified. Existing law, in lieu of compliance with state and local building, housing, health, habitability, or safety standards and laws, authorizes the city to adopt by ordinance reasonable local standards for emergency bridge housing communities, subject to specified requirements, including review by the Department of Housing and Community Development. This bill would extend the repeal date of these provisions to January 1, 2025. The bill would extend the date that an affordable housing unit identified in the city's housing plan is required to be available for a resident of an emergency bridge housing community to live in to January 1, 2025.

Summary: The California Community Services Block Grant Program requires the Department of Community Services and Development to administer the federal Community Services Block Grant funds to provide financial assistance for activities designed to have a measurable and potentially major impact on causes of poverty in a community or areas of a community where poverty is a particularly acute problem. Current law authorizes this funding to assist programs that, among other things, meet the needs of migrant and seasonal farmworkers and their families, such as improved housing and sanitation, including the provision and maintenance of emergency and temporary housing and sanitation facilities. This bill would prohibit the provision of state funding, as defined, for the purposes of planning, developing, or operating any housing used to comply with the federal law requirement to furnish housing to H-2A workers and would require an employer, as defined, or other recipient of state funding who utilizes state funding for these purposes to reimburse the state or state agency that provided the funding in an amount equal to the amount of that state funding expended for those purposes

1st House				2nd House							

Summary: Current law prohibits a provider of mobile telephony services, as defined, or any affiliate or agent of the provider, when providing the name and dialing number of a subscriber for inclusion in a directory or directory database, from including the dialing number of any subscriber without first obtaining the express consent of that subscriber. Current law authorizes providing those telephone numbers without regard to consent to a law enforcement agency, fire protection agency, public health agency, public environmental health agency, city or county emergency services planning agency, or private for-profit agency operating under contract with, and at the direction of, one or more of these agencies, for the exclusive purpose of responding to a 911 call or communicating an imminent threat to life or property. This bill would additionally authorize providing those telephone numbers to those parties without consent for the purpose of testing the systems that respond to 911 calls or testing systems that communicate threats to life or property.

Summary: Current law, the Warren-911-Emergency Assistance Act, provides that each local public agency within its respective jurisdiction establish a basic system that automatically connects a person dialing 911 to an established public safety answering point through normal telephone service facilities, or to be part of such a system. This bill would require each public safety answering point to deploy a text to 911 service, no later than January 1, 2021, that is capable of accepting either Short Message Service messages or Real-Time Text messages.

ASSEMBLY APPROPRIATIONS SUSPENSE, GONZALEZ, Chair

Summary: Current law requires the State Department of Health Care Services to develop a modified supplemental reimbursement program, with necessary federal approvals, that would seek to increase the reimbursement to a provider of ground emergency medical transportation services provider that is owned or operated by the state, a city, county, city and county, fire protection district, special district, community services district, health care district, or a federally recognized Indian tribe. Current law requires the nonfederal share of any supplemental reimbursement provided under the modified program to be derived from voluntary intergovernmental transfers of local funds. Current law states the Legislature’s intent in enacting these provisions to provide the supplemental reimbursement without any expenditure from the General Fund. This bill would delete the provisions relating to the modified supplemental reimbursement program, and would repeal these provisions on July 1, 2021.

Summary: Current law authorizes cities, cities and counties, and counties to create disaster councils, by ordinance, to develop plans for meeting any condition constituting a local emergency or state of emergency, including, but not limited to, earthquakes, natural or manmade disasters specific to that jurisdiction, or state of war emergency. This bill would require cities, cities and counties, and counties to include representatives from the access and functional needs population, as defined, in the next regular update to their emergency plan, as specified.

SENATE APPROPRIATIONS SUSPENSE, PORTANTINO, Chair

Summary: Would require a county to integrate cultural competence, as defined, into its emergency plan, upon the next update to its emergency plan, as specified. The bill would also require a county to provide a forum for community engagement in geographically diverse locations in order to engage with culturally diverse communities, as defined, within its jurisdiction. By increasing the duties of local officials, this bill would impose a state-mandated local program.

ASSEMBLY APPROPRIATIONS SUSPENSE, GONZALEZ, Chair

Summary: The California Fair Employment and Housing Act makes specified employment and housing practices unlawful, including discrimination against or harassment of employees and tenants, among

others. Current law authorizes a person claiming to be aggrieved by an alleged unlawful practice to file a complaint with the Department of Fair Employment and Housing within one year from the date upon which the unlawful practice occurred, unless otherwise specified. This bill would extend the above-described period to 3 years for complaints alleging employment discrimination, as specified.

ASSEMBLY APPROPRIATIONS SUSPENSE, GONZALEZ, Chair

Summary: Current law prohibits an employer from discriminating or retaliating against an employee who is a victim of domestic violence, sexual assault, or stalking because of the employee's status as a victim, if the employer has notice or knowledge of that status. Current law additionally prohibits an employer with 25 or more employees from discharging, or discriminating or retaliating against an employee who is a victim, in this regard, who takes time off to obtain specified services or counseling. This bill would extend these employment protections to victims of sexual harassment, as defined. The bill would also extend these employment protections to family members, as defined, of the victims for taking time off from work to provide assistance to the victims when seeking relief or obtaining services and counseling, as specified.

1st House				2nd House								

Summary: Current law requires, when payment of compensation has been unreasonably delayed or refused, either prior to or subsequent to the issuance of an award, the amount of the payment unreasonably delayed or refused to be increased up to 25% or up to \$10,000, whichever is less, except for unreasonable delay in the provision of medical treatment for periods of time necessary to complete the utilization review process. Current law provides that a determination by the appeals board or a final determination of the administrative director pursuant to independent medical review that medical treatment is appropriate is not conclusive evidence that medical treatment was unreasonably delayed or denied for purposes of imposing those penalties. This bill would exclude a final determination of the administrative director pursuant to independent medical review from the latter provision regarding conclusive evidence that medical treatment was unreasonably delayed or denied.

1st House				2nd House							

Summary: Current law defines the measure of indemnity for a loss under an open fire insurance policy and specifies time limits under which an insured must collect the full replacement cost of the loss. In the event of a total loss of an insured structure, existing law prohibits a fire insurance policy issued or delivered in this state from containing a provision that limits or denies payment of the building code upgrade cost or the replacement cost on the basis that the insured has decided to rebuild at a new location or to purchase a built home at a new location. This bill would make technical, nonsubstantive changes to those provisions.

Location: 5/2/2019-S. DESK

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Constitution authorizes the Legislature, with the approval of 2/3 of the membership of each legislative house, to allow a county board of supervisors to exempt from property taxation those properties having a full value too low to justify the costs of assessment and collection. Current property tax law implementing this authority generally limits any exemption granted under this constitutional provision by a county board of supervisors to real property with a total base year value, or personal property with a full value, not exceeding \$10,000. Current property tax law increases this limit to \$50,000 in the case of a possessory interest, for a temporary and transitory use, in a publicly owned fairground, fairground facility, convention facility, or cultural facility. This bill, for lien dates occurring on or after January 1, 2020, and before January 1, 2025, would delete this requirement that the possessory interest be for a temporary and transitory use of a publicly owned fairground, fairground facility, convention facility, or cultural facility, thereby allowing the exemption from taxation under these provisions of any possessory interest valued at \$50,000 or less.

Summary: The Housing Element Law, prescribes requirements for the preparation of the housing element, including a requirement that a planning agency submit a draft of the element or draft amendment to the element to the Department of Housing and Community Development prior to the adoption of the element or amendment to the element. Current law requires the department to review the draft and report its written findings, as specified. Current law also requires the department, in its written findings, to determine whether the draft substantially complies with the Housing Element Law. This bill would authorize the city or county to submit evidence that the city or county is no longer in violation of state law to the department and to request the department to issue a finding that the city or county is no longer in violation of state law.

Summary: The Fire Protection District Law of 1987 provides that whenever a district board determines that it is in the public interest to provide different services, to provide different levels of service, or to raise additional revenues within specific areas of the district, it may form one or more service zones by adopting a resolution that includes specified information, fixing the date, time, and place for public hearing on the formation of the zone, publishing notice, as specified, hearing and considering any protests to the formation of the zone at the hearing, and, at the conclusion of the hearing, adopting a resolution ordering the formation of the zone. If a resolution adopted after the public hearing would substantially expand the provision of services outside of an existing service zone and the extension of service would result in those persons in the expanded area paying charges for the expansion of services, this bill would provide that the resolution does not become effective unless approved by a majority of the voters within the expanded service area.

1st House				2nd House							

Calendar: 5/16/2019 Upon adjournment of Session - State Capitol, Room 4202 ASSEMBLY APPROPRIATIONS SUSPENSE, GONZALEZ, Chair

Summary: Current law requires any successor agency that has been issued a finding of completion to use bond proceeds derived from bonds issued on or after January 1, 2011, in excess of the amounts needed to satisfy approved enforceable obligations, in a manner consistent with the original bond covenants, subject to certain requirements, including a requirement that no more than 5% of the proceeds derived from the bonds be expended, unless the successor agency has an approved Last and Final Recognized Obligation Payment Schedule, in which case the agency is authorized to expend no more than 20% of the proceeds derived from the bonds, subject to specified adjustments. Current law requires remaining bond proceeds that cannot be spent pursuant to those requirements to be used at the earliest possible date to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation. This bill, notwithstanding the requirement that the remaining bond proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation, would authorize the City of Santa Cruz to use the remaining bond proceeds for the purposes of increasing, improving, and preserving affordable housing, as defined, and facilities for homeless persons, so long as those proceeds are used in a manner consistent with any original bond covenant.

Calendar: 5/16/2019 Upon adjournment of Session - State Capitol, Room 4202 ASSEMBLY APPROPRIATIONS SUSPENSE, GONZALEZ, Chair

Summary: Current law authorizes the Public Utilities Commission, in a proceeding on an application by an electrical corporation to recover costs and expenses arising from a catastrophic wildfire occurring on or after January 1, 2019, to allow cost recovery if the costs and expenses are just and reasonable, after consideration of the conduct of the utility. In evaluating the reasonableness of the costs and expenses, the commission is required to consider the conduct of the electrical corporation and relevant information submitted into the commission record, including in 12 specified areas. Notwithstanding the commission's determination of whether the costs and expenses are just and reasonable as described above, when determining recovery by an electrical corporation for costs and expenses arising from a catastrophic wildfire occurring on or after January 1, 2019, this bill would authorize the commission to consider the electrical corporation's financial status and determine the maximum amount the corporation can pay without harming ratepayers or materially impacting the electrical corporation's ability to provide adequate and safe service.

1st House				2nd House							

Calendar: 5/16/2019 Upon adjournment of Session - State Capitol, Room 4202 ASSEMBLY APPROPRIATIONS SUSPENSE, GONZALEZ, Chair

Summary: Would establish the Climate Change Catastrophe Compensation Fund, the purpose of which will be to ensure that victims of wildfires caused by climate change are compensated in a timely manner, to provide reimbursements to insurers for a portion of those wildfire losses, and to avoid lengthy legal proceedings. The bill would specify that the funding sources for the fund include the Greenhouse Gas Reduction Fund and the State Budget process. The bill would authorize an insurer, an insured who becomes underinsured due to construction demand surge, and a local government to seek reimbursement from the fund.

1st House				2nd House							

Calendar: 5/16/2019 Upon adjournment of Session - State Capitol, Room 4202
ASSEMBLY APPROPRIATIONS, GONZALEZ, Chair

Summary: Would condition electrical corporation recovery from its ratepayers of the costs incurred due to the liability of the electrical corporation for damages to third parties from a wildfire or any other safety-related failure, if those costs are not determined by the commission to be just and reasonable, on the negotiation of an executive compensation structure that meets prescribed principles. The bill would require the Governor to appoint a special master for executive compensation to engage in this negotiation with the electrical corporation and its executive officers.

SB 45

(Allen D) Wildfire, Drought, and Flood Protection Bond Act of 2020.

Current Text: Amended: 4/4/2019 [html](#) [pdf](#)

Introduced: 12/3/2018

Last Amend: 4/4/2019

Status: 5/1/2019-May 6 set for first hearing canceled at the request of author.

Location: 4/25/2019-S. APPR.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Would enact the Wildfire, Drought, and Flood Protection Bond Act of 2020, which, if approved by the voters, would authorize the issuance of bonds in the amount of \$4,300,000,000 pursuant to the State General Obligation Bond Law to finance projects to restore fire damaged areas, reduce wildfire risk, create healthy forest and watersheds, reduce climate impacts on urban areas and vulnerable populations, protect water supply and water quality, protect rivers, lakes, and streams, reduce flood risk, protect fish and wildlife from climate impacts, improve climate resilience of agricultural lands, and protect coastal lands and resources.
