Re: FIRE Weekly Legislative Report – Week Ending 09/14/2018

[2018 Legislative Schedule](#)

Legislative Update

The Governor signed the following bills of interest:

[Assembly Bill 2293 \(Reyes\)](#) would require local EMS agencies to report to EMSA on applicants who are applying for EMT certification. *Chapter 342, Statutes of 2018. FIRE POSITION: Oppose.*

[Assembly Bill 3098 \(Friedman\)](#) would require a residential care facility for the elderly to have an emergency and disaster plan and to provide training to each staff member. *Chapter 348, Statutes of 2018. FIRE POSITION: Support.*

[Assembly Bill 3138 \(Muratsuchi\)](#) increases administrative penalties for violations under the California Accidental Release Prevention Program (CalARP). *Chapter 308, Statutes of 2018. FIRE POSITION: Support.*

[Senate Bill 1076 \(Hertzberg\)](#) requires the Office of Emergency Services (OES) to develop preparedness recommendations to harden the critical infrastructure of the electrical utilities against an electromagnetic pulse (EMP) attack, geomagnetic storm event, or other long-term outage. *Chapter 353, Statutes of 2018. FIRE POSITION: None.*

Approved by Senate and Assembly and Filed with Secretary of State:

[Senate Concurrent Resolution No. 159 \(Bates\)](#) designates the portion of Interstate 5 between Camino Las Ramblas and the Ortega Highway as the Long Beach Fire Captain David Rosa Memorial Highway, was officially filed with the Secretary of State on 09/11/2018; *Resolution Chapter 234, Statutes of 2018. FIRE POSITION: Support.*

Summary: The Bradley-Burns Uniform Local Sales and Use Tax Law authorizes counties and cities to impose a local sales and use tax in accordance with that law for tangible personal property sold at retail in the county or city, or purchased for storage, use, or other consumption in the county or city. That law requires the county or city to contract with the California Department of Tax and Fee Administration for the administration of the taxes and requires the department to transmit those taxes to the city or county. This bill, on and after the effective date of this chapter and until January 1, 2031, would prohibit the imposition, increase, levy and collection, or enforcement by a local agency of any tax, fee, or other assessment on groceries, except as provided.

Summary: The Ralph C. Dills Act defines "fair share fee" as the fee deducted by the state employer from the salary or wages of a state employee in an appropriate unit who does not become a member of, and financially support, the recognized employee organization, and prescribes conditions for its use. The Meyers-Milias-Brown Act, if an agency shop agreement is in place, provides for the payment of an agency fee, which requires an employee either to join the recognized employee organization or pay a fee, as specified. A recent Supreme Court opinion held that fair share and agency fees violate the free speech rights of employees who are not employee organization members. This bill would prohibit the Controller, a public employer, an employee organization, or any of their employees or agents, from being liable under state law for, and would grant to them a complete defense to, any claims or actions under California law for requiring, deducting, receiving, or retaining agency or fair share fees from public employees, and would deny standing to current or former public employees to pursue these claims or actions, if the fees were permitted at the time and paid prior to June 27, 2018.

Summary: Current law, the California Disaster Assistance Act, establishes, until January 1, 2019, the Disaster Response-Emergency Operations Account in the Special Fund for Economic Uncertainties and continuously appropriates its revenue for allocation by the Director of Finance to state agencies for disaster response operation costs incurred as a result of a proclamation by the Governor of a state of emergency. Current law authorizes expenditure of those funds for activities that occur within 120 days after the proclamation. This bill would delete the January 1, 2019, repeal date, would permit expenditure of those funds for an additional period, not to exceed 120 days, and would require notification to be provided to the Chairperson of the Joint Legislative Budget Committee and the chairpersons of the fiscal committees in each house if it is anticipated that the continuation of activities beyond the 120-day period will be required, as specified.

Summary: The California Building Standards Law provides for the adoption of building standards by state agencies by requiring all state agencies that adopt or propose adoption of any building standard to submit the building standard to the California Building Standards Commission (commission) for approval and adoption. This bill would require the commission to assemble a functional recovery working group comprised of certain state entities and members of the construction and insurance industries, as specified. The bill would require the working group, by July 1, 2022, to consider whether a "functional recovery" standard is warranted for all or some building occupancy classifications and to investigate the practical means of implementing that standard, as specified.

Summary: Current law establishes a program within all cities and all counties and portions thereof located within seismic zone 4, as defined, to identify all potentially hazardous buildings and to establish a mitigation program for these buildings. The mitigation program may include, among other things, the adoption by ordinance of a hazardous buildings program, measures to strengthen buildings, and the application of structural standards necessary to provide for life safety above current code requirements. This bill would, upon the identification of funding by the Office of Emergency Services, require the building department of a city or county that meets specified requirements to create an inventory of potentially vulnerable buildings, as defined, within its jurisdiction, based on age and other publicly available information, and submit that inventory to the office, as specified.

Summary: The Planning and Zoning Law authorizes a local agency to provide by ordinance for the creation of accessory dwelling units in single-family and multifamily residential zones and sets forth standards the ordinance is required to impose, including, among others, maximum unit size, parking, lot coverage, and height standards. Current law prohibits the ordinance from establishing size requirements for accessory dwelling units that do not permit at least an efficiency unit to be constructed. This bill would prohibit the imposition of lot coverage standards or requirements on minimum lot size, lot coverage, or floor area ratio, and would prohibit an ordinance from establishing size requirements for accessory dwelling units that do not permit at least an 800 square foot unit of at least 16 feet in height to be constructed.

|-----------|--------|--------|-------|-----------|--------|--------|-------|-------------|----------|--------|-----------|--|
| 1st House | | | | 2nd House | | | | | | | | |

Summary: A provision of the California Building Standards Law specifies that a local ordinance adding or modifying building standards for residential occupancies, published in the California Building Standards Code, applies only to an application for a building permit submitted after the effective date of the ordinance and to plans and specifications for, and the construction performed under, that permit, unless, among other reasons, the permit is subsequently deemed expired because the building or work authorized by the permit is not commenced within 180 days from the date of the permit, or the permittee has suspended or abandoned the work authorized by the permit at any time after the work is commenced. This bill would provide that a permit would remain valid for purposes of the California Building Standards Law if the work on the site authorized by that permit is commenced within 12 months after its issuance, unless the permittee has abandoned the work authorized by the permit. .

Summary: The California Building Standards Law requires that only those building standards approved by the California Building Standards Commission, and that are effective at the local level at the time an application for a building permit is submitted, apply to the construction performed under that building permit. This bill would require the department to propose the adoption of a building standard to the California Building Standards Commission pursuant to existing law that would authorize, when a record of the issuance of a building permit for the construction of an existing residential unit does not exist, the above-described enforcement officials to determine when the residential unit was constructed and then apply the State Housing Law, the building standards published in the California Building Standards Code, and other specified rules and regulations in effect on that date and issue a retroactive building permit for that construction.

Summary: Current law provides for the exemption of authorized emergency vehicles, as defined, from the payment of a toll or charge on a vehicular crossing, toll highway, or high-occupancy toll (HOT) lane and any related fines, when the authorized emergency vehicle is being driven under specified conditions, including, among others, the vehicle is displaying public agency identification and driven while responding to or returning from an urgent or emergency call. Current law prohibits a person from operating a privately owned emergency ambulance unless licensed by the Department of the California Highway Patrol. This bill would generally modify the exemption to apply to the use of a toll facility, as defined, and would expand the exemption, dispute resolution procedures, and agreement provisions to include a privately owned emergency ambulance licensed by the Department of the California Highway Patrol.

Summary: Current law authorizes a Medi-Cal provider of ground emergency medical transportation services, that is owned or operated by the state, a city, county, city and county, fire protection district, special district, community services district, health care district, or a federally recognized Indian tribe, to receive supplemental Medi-Cal reimbursement in addition to the rate of payment the provider would otherwise receive for those services. Current law requires the department to develop a modified supplemental reimbursement program, with necessary federal approvals, that would seek to increase the reimbursement to an eligible provider, as specified. Current law requires the nonfederal share of any supplemental reimbursement provided under the modified program to be derived from voluntary intergovernmental transfers of local funds. This bill would exempt the above-described providers owned or operated by the specified governmental entities from the Medi-Cal Emergency Medical Transportation Reimbursement Act and the quality assurance fee requirements.

Summary: The Gambling Control Act, among other things, generally requires a person to be licensed by the California Gambling Control Commission to participate in operation of a controlled game. The act requires the commission to deny a license to an applicant who has been convicted of a felony, including a conviction by a federal court or a court in another state for a crime that would constitute a felony if committed in California. This bill would except from the requirement to deny a license a conviction of a felony for the possession of cannabis, the facts of which would not constitute a felony or misdemeanor under California law on the date the application for a license is submitted.

Summary: Current law provides for the licensure and regulation of residential care facilities for the elderly by the State Department of Social Services. Current law requires a facility to have an emergency plan that includes specified provisions and is available, upon request, to residents onsite and available to local emergency responders. Current law exempts a facility that has obtained a certificate of authority to offer continuing care contracts from this requirement. A violation of these provisions is punishable as a misdemeanor. This bill would repeal the above-described provision exempting a facility that has obtained a certificate of authority to offer continuing care contracts from the requirement of having an emergency plan.

Summary: Current law, the California Fair Employment and Housing Act, makes specified employment and housing practices unlawful, including discrimination against or harassment of employees and tenants, among others. Current law authorizes a person claiming to be aggrieved by an alleged unlawful practice to file a complaint with the Department of Fair Employment and Housing within one year from the date upon which the unlawful practice occurred, unless otherwise specified. This bill would extend the above-described period to 3 years for complaints alleging employment discrimination, as specified.

Summary: Current law prohibits a public employer, as defined, from deterring or discouraging public employees from becoming or remaining members of an employee organization. Under current law, a public employer is defined, for these purposes, to include counties, cities, districts, the state, schools, transit districts, the University of California, and the California State University, among others. Existing law grants the Public Employment Relations Board jurisdiction over violations of these provisions. This bill would include in the definition of "public employer" under these provisions those employers of excluded supervisory employees and judicial council employees and would include in the definition of "public employee" those employees of a public transit agency with specified labor relation provisions.

Summary: Current law prohibits an employer from relying on the salary history information of an applicant for employment as a factor in determining whether to offer an applicant employment or what salary to offer an applicant, except in specified circumstances. Current law requires an employer, upon reasonable request, to provide the pay scale for a position to an applicant applying for employment. This bill would define "pay scale," "reasonable request," and "applicant" for purposes of these provisions.

Summary: Current law requires PERB to enforce and apply rules adopted by a public agency concerning unit determinations, representation, recognition, and elections. Current law also requires specified complaints to be processed as an unfair practice charge by PERB. Current law does not apply the above provisions to persons who are peace officers, as defined. Current law excepts employers and employees under the jurisdiction of the employee relations commissions in the City and County of Los Angeles from the application of the above provisions. This bill would specify that these provisions do not apply to disputes between a public agency and persons who are peace officers, but do apply to disputes between a public agency and peace officer employee organizations, regardless of whether the charging party or responding party is the individual peace officer, the peace officer employee organization, or the public agency.

| 1st House | | | | 2nd House | | | | | | | | |

Summary: PERL prohibits an out-of-class appointment by a contracting agency employer or a school employer from exceeding 960 hours in each fiscal year. PERL requires an employer who violates this provision to pay penalties to the system based on, among other factors, an amount of money equal to 3 times the employee and employer contributions that would otherwise be paid to the system for the difference between the compensation paid for an out-of-class appointment and the compensation paid and reported to the system for the member's permanent position, for the entire period or periods the member serves in an out-of-class appointment. This bill would instead require that the amount of money for this penalty equal 3 times the employee and employer contributions that otherwise would have been paid and reported to the system for the difference between the compensation paid for the out-of-class appointment and the compensation that would have been paid and reported to the system, but for the vacancy, for the position in accordance with a publicly available pay schedule applicable to the vacant position, for the entire period or periods the member serves in an out-of-class appointment.

Summary: Current law requires an insurer, after a covered loss under a fire insurance policy, to provide the insured with a free copy of his or her policy within 30 calendar days of receiving a request from the insured, but allows the Insurance Commissioner to extend this period. Current law also provides that an insured who does not experience a covered loss shall, upon request, be entitled to one free copy of his or her policy annually. This bill would specify that the copy of the policy provided shall be a complete copy of the policy in effect at the time of the loss and shall include the full policy, any endorsements to the policy, and the policy declarations page.

Summary: Current law defines the measure of indemnity for a loss under an open fire insurance policy and specifies time limits under which an insured must collect the full replacement cost of the loss. Current law prohibits, in the event of a total loss of the insured structure, a fire insurance policy issued or delivered in the state from limiting or denying payment of the replacement cost of property if the insured decides to rebuild or replace the property at a location other than the insured premises. Current law requires the measure of indemnity to be based upon the replacement cost of the insured property and prohibits it from being based upon the cost to repair, rebuild, or replace at a location other than the insured premises. This bill would instead prohibit, in the event of a total loss of an insured structure, a fire insurance policy issued or delivered in this state from containing a provision that limits or denies, on the basis that the insured has decided to rebuild at a new location or to purchase an already built home at a new location, payment of the building code upgrade cost or the replacement cost, including any extended replacement cost coverage, to the extent those costs are otherwise covered by the terms of the policy or any policy endorsement.

Summary: Would require the Department of Insurance to establish the California Home Insurance Finder on its Internet Web site to help homeowners connect with an insurance agent or broker for residential property insurance. The bill would require the department to annually survey agents, brokers, and insurers about inclusion in the finder, and post participants' names, addresses, phone numbers, and Internet Web sites, if available, to the finder on or before July 1, 2020. The bill would require the commissioner to use social media and other tools to promote the finder, and to create materials in the most common languages used in California.

Summary: Current law prescribes the standard form for a fire insurance policy or county fire insurance policy. Current law imposes a 12-month statute of limitations in which to bring suit under a fire insurance policy or a county fire insurance policy after a loss. Current law makes it a misdemeanor for an insurer or agent to countersign or issue a fire policy that varies from the California standard form of policy. This bill would revise the standard forms of policy and extend the period in which to bring suit to 24 months after the inception of the loss if the loss is related to a state of emergency, as specified.**Position****Priority****Subject**

Summary: Under current law, an insurer is liable for a loss of which a peril insured against was the proximate cause, although a peril not contemplated by the contract may have been a remote cause of the loss. Under current law, an insurer is not liable for a loss of which the peril insured was only the remote cause. This bill would require coverage to be provided if a loss or damage results from a combination of perils, one of which is a landslide, mudslide, mudflow, or debris flow, if an insured peril is the efficient proximate cause of the loss or damage and coverage would otherwise be provided for the insured peril. The bill would require coverage to be provided under the same terms and conditions as would be provided for the insured peril.

Summary: Current law establishes the California Conservation Corps in the Natural Resources Agency and requires the corps to implement and administer the conservation corps program. Current law requires the Governor to appoint a director to act as the administrative officer of the corps. This bill would require the director, no later than July 1, 2019, to establish a forestry corps program to accomplish certain objectives including developing and implementing forest health projects, as provided, and establishing forestry corps crews. The bill would require the director to partner with certified community conservation corps in implementing the forestry corps program, where feasible.

Summary: Current law requires a local agency to designate, by ordinance, very high fire hazard

severity zones in its jurisdiction within 120 days of receiving recommendations from the Director of Forestry and Fire Protection and exempts a local agency, as defined, from that requirement if ordinances of the local agency, adopted on or before December 31, 1992, impose standards that are equivalent to, or more restrictive than, specified state standards. Current law authorizes a local agency, at its discretion, to exclude from specified requirements governing fire risk reduction an area identified as a very high fire hazard severity zone by the director within the jurisdiction of the local agency, following a specified finding supported by substantial evidence that those requirements are not necessary for effective fire protection within the area. This bill would eliminate the above-described exemption and would require the local agency to transmit a copy of the adopted ordinance to the State Board of Forestry and Fire Protection within 30 days of adoption.

Summary: Current law requires various entities, including the State Fire Marshal, to seize certain prohibited fireworks. Current law requires the Office of the State Fire Marshal to consult with public safety agencies and other stakeholders and develop a model ordinance that permits local jurisdictions to adopt streamlined enforcement and administrative fine procedures related to possession of 25 pounds or less of dangerous fireworks. This bill would repeal the provisions relating to a model ordinance governing enforcement and administrative fine procedures.

Summary: Current law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services, under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. This bill, the Healthy California Act, would create the Healthy California program to provide comprehensive universal single-payer health care coverage and a health care cost control system for the benefit of all residents of the state.

Summary: Current law requires a local government body, when submitting for voter approval a bond measure the security for which constitutes a lien on the property for ad valorem taxes, to provide the voters a statement that includes estimates of tax rates and debt service in connection with the measure. This bill would instead require that the statement for a bond measure include the best estimate from official sources of the average annual tax rate that would be required to be levied to fund the bond issue over the entire duration of the bond debt service, as specified. By imposing new duties on local elections officials, the bill would create a state-mandated local program.

| 1st House | | | | 2nd House | | | | | | | |

Summary: Current law imposes various limitations on the emissions of air contaminants for the control of air pollution from vehicular and nonvehicular sources. Pursuant to that authority, the State Air Resources Board has adopted a regulation to significantly reduce emissions of particulate matter, oxides of nitrogen, and other criteria air pollutants from existing diesel trucks and buses operating in the state, commonly known as the Truck and Bus Regulation. This bill would require the state board to exempt vehicles that do not exceed 5,000 miles annually and low-mileage agricultural vehicles, as defined, that meet certain requirements from any regulation to reduce emissions of diesel particulate matter, oxides of nitrogen, and other criteria air pollutants from in-use, diesel-fueled vehicles.

Summary: Would establish specific standards for the use of personal services contracts by counties. The bill would allow a county or county agency to contract for personal services currently or customarily performed by employees, as applicable, when specified conditions are met. The bill would exempt certain types of contracts from its provisions, and would exempt a city and county from its provisions. By placing new duties on local government agencies, the bill would impose a state-mandated local program. The bill also would provide that its provisions are severable.

| 1st House | | | | 2nd House | | | | | | | |

Summary: Current law authorizes the legislative body of a local agency, as specified, that has money in a sinking fund or in its treasury not required for immediate needs to invest the money as it deems wise or expedient in certain securities and financial instruments. In this regard, existing law authorizes investment in a mortgage passthrough security, collateralized mortgage obligation, mortgage-backed or other pay-through bond, equipment lease-backed certificate, consumer receivable passthrough certificate, or consumer receivable-backed bond that has a maximum of 5 years' maturity. This bill would revise the maximum 5-year maturity requirement to instead require that the securities have a maximum remaining security of 5 years or less.

| 1st House | | | | 2nd House | | | | | | | |

Summary: The California Constitution requires any change in state statute that increases the tax liability of any taxpayer to be imposed by an act approved by 2/3 of the membership of each house of the Legislature, and prohibits specified taxes on real property from being so imposed. For these purposes, the California Constitution defines a tax as any state levy, charge, or exaction, except as described in certain categories. This measure would make nonsubstantive changes to the provision defining a tax.

Summary: Current law provides authority for an enforcement agency to enter and inspect any buildings or premises whenever necessary to secure compliance with or prevent a violation of the building standards published in the California Building Standards Code and other rules and regulations that the enforcement agency has the power to enforce. This bill would require an inspection of exterior elevated elements and associated waterproofing elements, as defined, including decks and balconies, for buildings with 3 or more multifamily dwelling units by a licensed architect, licensed civil or structural engineer, a building contractor holding specified licenses, or an individual certified as a building inspector or building official, as specified.

Summary: Current law requires a local government body, when submitting for voter approval a bond measure, the security for which constitutes a lien on the property for ad valorem taxes, to provide the voters a statement that includes estimates of tax rates and debt service in connection with the measure. This statement is required to be included in any voter information guide for the bond measure, as specified. This bill would exempt until July 1, 2020, a measure authorizing the issuance of bonds from the above provision requiring the statement of the measure to include the amount of money to be raised annually and the rate and duration of the tax to be levied. This bill would appropriate \$5,000 from the General Fund to the Secretary of State for the purpose of preparing an action plan for the 2018-19 fiscal year for the Secretary of State's cybersecurity office.

|-----------|--------|--------|-------|-----------|--------|--------|-------|-------------|----------|--------|-----------|--|
| 1st House | | | | 2nd House | | | | | | | | |

Summary: The California Public Records Act requires a local agency to make public records available for inspection and allows a local agency to comply by posting the record on its Internet Web site and directing a member of the public to the Internet Web site, as specified. This bill would, beginning on January 1, 2020, require every independent special district to maintain an Internet Web site that clearly lists contact information for the special district, except as provided. Because this bill would require local agencies to provide a new service, the bill would impose a state-mandated local program.

Summary: The California Public Records Act, when it appears to a superior court that certain public records are being improperly withheld from a member of the public, requires the court to order the officer or person charged with withholding the records to disclose the public record or show cause why he or she should not do so. The act requires the court to award court costs and reasonable attorney's fees to the plaintiff if the plaintiff prevails in litigation filed pursuant to these provisions, and requires the court to award court costs and reasonable attorney's fees to the public agency if the court finds that the plaintiff's case is clearly frivolous. This bill would replace "plaintiff" with "requester" in that provision, would make conforming changes, and would specify that these provisions do not preclude the award of fees and costs pursuant to other provisions of law.

| 1st House | | | | 2nd House | | | | | | | |

Summary: Both MCRSA and AUMA generally divide responsibility for state licensure and regulation between the Bureau of Marijuana Control (bureau) within the Department of Consumer Affairs, which serves as the lead state agency, the Department of Food and Agriculture, and the State Department of Public Health. AUMA requires the licensing authorities to begin issuing licenses to engage in commercial adult-use cannabis activity by January 1, 2018. This bill, if SB 94 is enacted, would repeal that separate and distinct premises requirement. The bill would also prohibit a testing licensee under MAUCRSA from owning, or having an ownership interest in, a premises licensed under MAUCRSA for any activity except testing.

Summary: Would, except as specified, require an applicant for initial licensure or renewal of a state license under MAUCRSA to provide a statement that the applicant employs, or will employ within one year of receiving a license or renewal, one supervisor and one employee who have successfully completed a 30-hour general industry course offered by a training provider that is authorized by an OSHA Training Institute Education Center to provide the course. By expanding the scope of the crime of perjury, this bill would impose a state-mandated local program.

Summary: MAUCRSA authorizes a licensee to advertise and market cannabis and cannabis products subject to specified restrictions, including accurately and legibly identifying the licensee responsible for that content by adding, at a minimum, the licensee's license number, and prohibits a licensee from, among other things, advertising or marketing in a manner that is false or untrue. Under MAUCRSA, each licensing authority is authorized to suspend or revoke a licensee's license for failure to comply with these provisions, among other things. This bill would prohibit a licensee from publishing or disseminating advertisements or marketing of cannabis and cannabis products while the licensee's license is suspended.

Summary: MAUCRSA requires an applicant to electronically submit fingerprint images to the Department of Justice for the purpose of obtaining information as to the existence and content of a record of state or federal convictions and arrests. Existing law requires the Department of Justice to provide a response to the licensing authority, as provided. This bill would specify that the Bureau of Cannabis Control, the Department of Food and Agriculture, and the State Department of Public Health may obtain and receive, at their discretion, criminal history information from the Department of Justice and the United States Federal Bureau of Investigation for an applicant for any state license under MAUCRSA, including any license established by a licensing authority by regulation pursuant to the authority described above.

Summary: MAUCRSA prohibits a local jurisdiction from preventing the delivery of cannabis or cannabis products on public roads by a licensee who is acting in compliance with MAUCRSA as well as any local law adopted pursuant to MAUCRSA. MAUCRSA generally authorizes a local jurisdiction to adopt and enforce local ordinances to regulate licensed businesses located within the local jurisdiction. This bill would prohibit a local government from adopting or enforcing any ordinance that would prohibit a licensee from delivering cannabis within or outside of the jurisdictional boundaries of the local jurisdiction.

Summary: Current law provides for the regulation of private swimming pools. Current law also provides for the regulation of public swimming pools by the State Department of Public Health. Current law requires the provision of lifeguard services at any public swimming pool that is of wholly artificial construction and for the use of which a direct fee, as defined, is imposed. A violation of those provisions is a crime. This bill would require those public swimming pools, as defined, that are required to provide lifeguard services and that charge a direct fee to additionally provide an Automated External Defibrillator (AED) during pool operations, as specified.

|-----------|--------|--------|-------|-----------|--------|--------|-------|-------------|----------|--------|-----------|
| 1st House | | | | 2nd House | | | | | | | |

Summary: Current law provides that, after January 1, 2008, a general acute care hospital building that is determined to be a potential risk of collapse or to pose significant loss of life in the event of seismic activity be used only for nonacute care hospital purposes, except that the office may grant 5-year and 2-year extensions under prescribed circumstances, except as specified. Current law requires an owner of a general acute care hospital building that is classified as nonconforming to submit a report to the office no later than November 1, 2010, describing the status of each building in complying with the extension provisions, and to annually update the office with any changes or adjustments. Current law authorizes certain hospital owners who do not have the financial capacity or other reasons to bring certain buildings into compliance by the January 1, 2013, deadline to instead replace those buildings or take other action by January 1, 2020, as specified. This bill would require all hospitals with buildings subject to the January 1, 2020, deadline described above and that are seeking an extension for their buildings to submit an application to the Office of Statewide Health Planning and Development by April 1, 2019, that specifies the seismic compliance method each building will use, as specified.

Summary: The Public Utilities Commission has regulatory authority over public utilities, including electrical corporations and gas corporations. Current law authorizes the commission to establish rules for all public utilities, subject to control by the Legislature. Current law authorizes the commission to fix the rates and charges for every public utility and requires that those rates and charges be just and reasonable. Current law prohibits a gas corporation from recovering any fine or penalty in any rate approved by the commission. This bill would prohibit an electrical corporation from recovering a fine or penalty through a rate approved by the commission and would make related nonsubstantive changes.

| Desk | Policy | Fiscal | Floor | Desk | Policy | Fiscal | Floor | Conf. Conc. | Enrolled | Vetoed | Chaptered |
| 1st House | | | | 2nd House | | | | | | | |

Summary: Current law, until January 1, 2019, defines the offense of aggravated arson, and defines the aggravating factors for the offense as, the person has been previously convicted of arson on one or more occasions within the past 10 years, the fire caused property damage and other losses in excess of \$7,000,000, or the fire caused damage to, or the destruction of, 5 or more inhabited structures. Current law, commencing January 1, 2019, deletes the aggravating factor of property damage and other losses in excess of \$7,000,000 from the definition of aggravated arson. This bill would extend the operation of the former aggravated arson offense until January 1, 2024, and would increase the threshold of property damage and other losses constituting an aggravating factor for aggravated arson to \$8,300,000.

| 1st House | | | | 2nd House | | | | | | | |

Summary: Would, beginning July 1, 2019, require an automatic garage door opener that is manufactured for sale, sold, offered for sale, or installed in a residence to have a battery backup function that is designed to operate when activated because of an electrical outage. The bill would make a violation of those provisions subject to a civil penalty of \$1,000. The bill would, on and after July 1, 2019, prohibit a replacement residential garage door from being installed in a manner that connects the door to an existing garage door opener that does not meet the requirements of these provisions.

| Desk | Policy | Fiscal | Floor | Desk | Dead | Fiscal | Floor | Conf. Conc. | Enrolled | Vetoed | Chaptered |
| 1st House | | | | 2nd House | | | | | | | |

Summary: The County Employees Retirement Law of 1937 provides that a member who is permanently incapacitated shall be retired for disability despite age if, among other conditions, the member's incapacity is a result of injury or disease arising out of and in the course of the member's employment, and that employment contributes substantially to that incapacity or the member has completed 5 years of service and not waived retirement in respect to the particular incapacity or aggravation thereof, as specified. This bill would require, for purposes of determining permanent incapacity of certain members employed as peace officers, that those members be evaluated by the retirement system to determine if they can perform all of the usual and customary duties of a peace officer, as specified.

Summary: Would define the Sacramento County retirement system as a district under CERL. The bill would authorize the board to adopt, by resolution, specified administrative provisions that would classify various personnel of the retirement system as employees of the retirement system and not employees of the county. The bill would require the retirement system to notify, and to meet and discuss with, participating employers in the retirement system, the employees of the system, and specified employee organizations, regarding the retirement system's intent to exercise this authority at least 60 days before considering a resolution to make these provisions applicable.

Summary: The Joint Exercise of Powers Act generally authorizes 2 or more public agencies, by agreement, to jointly exercise any common power. Under the act, if an agency is not one or more of the parties to the agreement but is a public entity, commission, or board constituted pursuant to the agreement, the debts, liabilities, and obligations of the agency are the debts, liabilities, and obligations of the parties to the agreement, unless the agreement specifies otherwise. This bill would specify that the parties to the joint powers agreement may not specify otherwise with respect to retirement liabilities of the agency if the agency contracts with a public retirement system, and would eliminate an authorization for a party to a joint powers agreement to separately contract or assume responsibilities for specific debts, liabilities, or obligations of the agency.
