Re: FIRE Legislative Report – Week Ending May 1, 2020

## Legislative Update

As the Assembly prepares to begin conducting hearings in the Capitol next week and with the Senate scheduled to return the following week, several bills of interest have been amended.

[Assembly Bill 1945 \(Salas\)](#) would define first responders as an employee of the state or local public agency who provides emergency response services, including peace officers, firefighters, paramedics, EMTs, public safety dispatchers, public safety telecommunicators, or emergency response communication employees.

[Assembly Bill 2092 \(Rodriguez\)](#) would require a private emergency ambulance employee the right to request safety devices and other safeguards from his or her employer.

[Assembly Bill 2131 \(Rodriguez\)](#) would require a private emergency ambulance provider to provide employees who request mental health treatment for critical incident stress management or post-traumatic stress disorder.

[Assembly Bill 2450 \(Grayson\)](#) would require the Department of Health Care Services to set and maintain supplemental Medi-Cal payments for air ambulance services according to a specified payment schedule.

[Assembly Bill 2654 \(Cervantes\)](#) would require the 10 most populous cities in their emergency plans to integrate access and functional needs of citizens, including foster youth, into their emergency plans.

[Assembly Bill 2836 \(Chen\)](#) is the private ambulance-sponsored bill to mesh the current QAF requirements governing private emergency Medi-Cal transporters with the recently enacted [Assembly Bill 1705 \(Bonta\)](#); [Chapter 544, Statutes of 2019](#) applicable to public transporters.

[Assembly Bill 2908 \(Low\)](#) would prohibit a company providing navigational apps from directing traffic within a 1 mile radius of a very high fire hazard severity zone and require the company to include a notification on the app that warns drivers that a specific emergency event is occurring in the area described above.

[Assembly 3074 \(Friedman\)](#) is a major fire prevention bill which would require, in high fire hazard areas, the establishment of an ember-resistant zone within the first 5 feet of a structure to exclude vegetation and other fuels to reduce ignition of structures by embers.

[Assembly Bill 3123 \(Gonzalez\)](#) would prohibit an employer from discriminating or retaliating against an employee for complying with an isolation or quarantine order issued by a public health official due to a public health emergency.

[AB 3256 \(E. Garcia\)](#) would place on the November Ballot a \$4 Billion bond measure to address climate risks, including catastrophic wildfire.

**Summary:** Current law requires the Department of Housing and Community Development to propose building standards to the California Building Standards Commission, and to adopt, amend, or repeal rules and regulations governing, among other things, apartment houses and dwellings, as specified. This bill would require the department to propose small home building standards governing accessory dwelling units smaller than 800 square feet, junior accessory dwelling units, and detached dwelling units smaller than 800 square feet, as specified, and to submit the small home building standards to the California Building Standards Commission for adoption on or before January 1, 2021.

**Summary:** Would require the Department of Housing and Community Development, with the assistance of the Office of the State Fire Marshal, to investigate possible changes to the building standards that would require provision of a 2nd method of egress from a newly constructed residential garage or a newly constructed detached garage located adjacent to a single-family dwelling. The bill would authorize the department to submit proposed building standards to the commission for approval and adoption if, after its investigation, the department determines that changes that mandate provision of a 2nd method of egress from a newly constructed residential garage or a newly constructed detached garage located adjacent to a single-family dwelling can be incorporated into the code without significantly increasing construction costs.

1st House				2nd House							

**Summary:** Current law establishes a program within all cities and all counties and portions thereof located within seismic zone 4, as defined, to identify all potentially hazardous buildings and to establish a mitigation program for these buildings. The mitigation program may include, among other things, the adoption by ordinance of a hazardous buildings program, measures to strengthen buildings, and the application of structural standards necessary to provide for life safety above current code requirements. Current law requires the Alfred E. Alquist Seismic Safety Commission to report annually to the Legislature on the filing of mitigation programs relating to building construction standards from local jurisdictions. This bill would require the commission, by specified deadlines, to identify funding and develop a bidding process for hiring a third-party contractor to create an inventory of potentially vulnerable buildings, as defined.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

**Summary:** Current law, until January 1, 2026, authorizes a development proponent to submit an application for a multifamily housing development, which satisfies specified objective planning standards, that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit. Current law requires a local government to notify the development proponent in writing if the local government determines that the development conflicts with any of those objective standards by a specified time; otherwise, the development is deemed to comply with those standards. Current law provides that if a local government approves a project pursuant to that process, that approval will not expire until a specified period of time depending on the nature of the development. This bill would, notwithstanding those provisions, authorize a development proponent to submit an application for a development to be subject to a streamlined, ministerial approval process provided that development meet specified objective planning standards, including that the development provide housing for persons and families of low or moderate income

Desk	<b>Policy</b>	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

**Summary:** The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. That law requires the planning agency of a city or county to provide by April 1 of each year an annual report to, among other entities, the Department of Housing and Community Development that includes, among other specified information, the number of net new units of housing that have been issued a completed entitlement, a building permit, or a certificate of occupancy, thus far in the housing element cycle, as provided. This bill would require a planning agency to include in that annual report specified additional information regarding housing development projects located within the jurisdiction, and information related to local requirements or incentives for proposed housing development projects, as provided, thereby imposing a state-mandated local program.

1st House				2nd House							

**Summary:** Would require a city, county, special district, water corporation, utility, or other local agency, except a school district, to reduce an impact fee or other charges imposed on the construction of a deed restricted affordable housing unit that is built pursuant to a density bonus, to amounts that are, depending on the affordability restriction on the unit, a specified percentage of the impact fee or other charge that would be imposed on a market rate unit within the development. The bill would exempt from these provisions units that are required to be affordable pursuant to a local inclusionary housing ordinance. The bill would define "impact fee" for purposes of these provisions. By imposing requirements on local agencies with respect to density bonuses, this bill would impose a state-mandated local program.

1st House				2nd House							

**Summary:** The Mitigation Fee Act requires the local agency to make available to the public, at least 10 days prior to the meeting, the data indicating the amount of cost, or estimated cost, required to provide the service for which the fee or service charge is levied and the revenue sources anticipated to provide the service, as specified. The act also authorizes the local agency to provide notice via electronic notification to those who specifically request it, and authorizes the legislative body of a local agency to establish a reasonable annual charge for sending notices based on the estimated cost of providing the service. The act authorizes any party to protest the imposition of a fee, dedication, reservation, or other exactions imposed on a development project within 90 or 120 days of the imposition of the fee, as applicable, and specifies procedures for those protests and actions. The act imposes the same requirements on a local agency for a new or increased fee for public facilities. This bill would increase, for fees and service charges and for fees for specified public facilities, the time for mailing the notice of the time and place of the meeting to at least 45 days before the meeting

1st House				2nd House							

**Summary:** Current law requires the Department of Finance to issue a finding of completion to the successor agency upon payment of specified amounts, but prohibits a successor agency that fails by December 31, 2015, from paying or entering into a written installment payment plan with the department for the payment of the amounts determined by the department, or as specified, from ever receiving a finding of completion. This bill, notwithstanding the prohibition on a successor agency from receiving a finding of completion for failure to pay specified amounts by December 31, 2015, would specify that the successor agency, with the approval of the department, is eligible for a finding of completion if it has entered into an agreed-upon written installment payment plan with the department and is in compliance with that plan.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

**Summary:** The California FAIR Plan Association is a joint reinsurance association formed by state insurers licensed to write and engaged in writing basic property insurance within this state to assist persons in securing basic property insurance and to formulate and administer a program and FAIR Plan for the equitable apportionment among insurers of basic property insurance. Existing law requires each insurer to participate in the writings, expenses, and profits and losses of the association in the proportion that its premiums written bear to the aggregate premiums written by all insurers in the program, as specified, but requires the plan to provide for a method for insurers who voluntarily write basic property insurance on risks located in areas designated as brush hazard areas to be proportionately relieved of the liability to participate in the plan. This bill would add to the insurers that are proportionately relieved of the liability to participate in the FAIR Plan those voluntarily writing basic property insurance on risks in high or very high fire hazard severity zones, as determined and mapped by the Department of Forestry and Fire Protection.

1st House				2nd House				Conc.			

**Summary:** The Medi-Cal Emergency Medical Transportation Reimbursement Act imposes a quality assurance fee for each emergency medical transport provided by an emergency medical transport provider subject to the fee in accordance with a prescribed methodology. Current law exempts an eligible provider from the quality assurance fee and add-on increase for the duration of any Medi-Cal managed care rating during which the program is implemented. Current law requires each applicable Medi-Cal managed care health plan to satisfy a specified obligation for emergency medical transports and to provide payment to noncontract emergency medical transport providers, and provides that this provision does not apply to an eligible provider who provides noncontract emergency medical transports to an enrollee of a Medi-Cal managed care plan during any Medi-Cal managed care rating period that the program is implemented. The bill would provide that during the entirety of any Medi-Cal managed care rating period for which the program is implemented an eligible provider shall not be an emergency medical transport provider, as defined, who is subject to a quality assurance fee or eligible for the add-on increase, and would provide that the program's provisions do not affect the application of the specified add-on to any payment to a nonpublic emergency medical transport provider.

1st House				2nd House								

**Summary:** Existing law requires a public water system with 10,000 or more service connections to undertake specified actions, including, among other things, to review and revise its disaster preparedness plan to ensure that it is sufficient to address possible disaster scenarios and, following a declared state of emergency, to furnish an assessment of its emergency response within 6 months thereafter and implement related recommendations in a timely manner. Existing law also requires the Office of Emergency Services to establish emergency response and recovery plans in coordination with public water systems. This bill would instead require an urban water supplier, as defined, to review and revise its emergency response plan as required by federal law. The bill would require the Office of Emergency Services to establish emergency response and recovery plans in coordination with urban water suppliers. Because the bill would require local agencies to perform additional duties, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

**Summary:** The California Community Care Facilities Act provides for the licensure and regulation of community care facilities by the State Department of Social Services, including, among others, adult day programs, group homes, enhanced behavioral support homes, and crisis nurseries. Current law requires a residential care facility for the elderly to have an emergency and disaster plan that includes specified components, including evacuation procedures. Current law requires the facility to train employees on the plan, conduct emergency drills at least quarterly, review and update the plan, and make the plan available to certain individuals upon request. Existing law also requires the facility to have specified information readily available to staff during an emergency and to have specified emergency precautions in place. Current law requires the State Department of Social Services Community Care Licensing Division to confirm during annual licensing visits that the plan is on file and includes required content. This bill would make the emergency and disaster preparedness provisions that are applicable to a residential care facility for the elderly, as described above, applicable to an adult residential facility and certain types of a children's residential facility licensed under the California Community Care Facilities Act, a residential care facility for persons with chronic life-threatening illness, and a child daycare facility.

1st House				2nd House							

**Summary:** Current law requires every peace officer to participate in expanded training prescribed by the Commission on Peace Officer Standards and Training that includes and examines evidence-based patterns, practices, and protocols that make up racial and identity profiling, including implicit bias. Once basic training is completed, current law requires specified peace officers to complete a refresher course on racial and identity profiling at least every 5 years. This bill would require those peace officers currently required to take the refresher course every 5 years, and additional peace officers, as specified, to instead take refresher training on racial and identity profiling, including the understanding of implicit bias and the promotion of bias-reducing strategies, at least every 2 years.

**Summary:** Current makes an employer liable only for the percentage of permanent disability directly caused by the injury arising out of and occurring in the course of employment. Current law requires apportionment of permanent disability to be based on causation, and requires a physician's report addressing the issue of permanent disability to include an apportionment determination in order for the report to be considered complete on that issue. Current law exempts certain injuries, including the above-described injuries, from the provisions requiring apportionment. This bill would define "injury," for certain state and local firefighting personnel, peace officers, certain hospital employees, and certain fire and rescue services coordinators who work for the Office of Emergency Services to include being exposed to or contracting, on or after January 1, 2020, a communicable disease, including coronavirus disease 2019 (COVID-19), that is the subject of a state or local declaration of a state of emergency that is issued on or after January 1, 2020.

1st House				2nd House							

**Summary:** Would create the Wildfire Resilience Task Force, which would include the Insurance Commissioner, the Director of the Office of Emergency Services, and the State Fire Marshal, or their designees. The bill would require the task force to establish minimum standards for fire-hardened homes and communities, and would authorize the commissioner to promulgate regulations to implement specified exceptions to those standards. The bill would require an admitted insurer that offers or sells residential property insurance to, at a minimum, offer or sell the existing residential property insurance coverage it most commonly offers or sells to an applicant or insured who owns a residence that has an estimated replacement cost consistent with the insurer's underwriting guidelines, meets the minimum standards established by the task force, and was built before those standards were established.

Fire Prevention

**SB 1154 (Nielsen R) Fire prevention: very high fire hazards.**

**Current Text:** Introduced: 2/20/2020 [html](#) [pdf](#)

**Introduced:** 2/20/2020

**Status:** 3/5/2020-Referred to Com. on RLS.

**Location:** 2/20/2020-S. RLS.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

**Summary:** Current law requires the Director of Forestry and Fire Protection to identify areas in the state as very high fire hazard severity zones based on consistent statewide criteria and based on the severity of fire hazard that is expected to prevail in those areas. Current law provides that the purpose of this law relating to the classification of lands is so that public officials are able to identify measures that will delay the rate of spread, and reduce the potential intensity, of uncontrolled fires that threaten to destroy resources, life, or property, and to require that those measures be taken. This bill would make a nonsubstantive change to this latter provision relating to the purpose of the law.

Desk	<b>Policy</b>	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

**Summary:** Current law, until January 1, 2025, authorizes local agencies, as defined, to use the design-build procurement process for specified public works projects with prescribed cost thresholds. Current law states that it is the intent of the Legislature that existing law provides general authorization for local agencies to use design-build for certain projects. Current law establishes procedures for a contract awarded under these provisions on the basis of best value, including a requirement that competitive proposals be evaluated by using only the criteria and selection procedures specifically identified in the request for proposals. Current law further requires that prescribed minimum factors be weighted as the local agency deems appropriate. This bill would modify the intent of the Legislature to specify that design-build for these purposes includes conventional, progressive, and target price. The bill, with regard to best value evaluation, would require the prescribed minimum factors be included only if applicable to the delivery method.

**Summary:** The Ralph M. Brown Act requires meetings of the legislative body of a local agency to be open and public and also requires regular and special meetings of the legislative body to be held within the boundaries of the territory over which the local agency exercises jurisdiction, with specified exceptions. Current law authorizes a person to request that a copy of an agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. This bill would require, if the local agency has an internet website, a legislative body or its designee to email a copy of, or website link to, the agenda or a copy of all the documents constituting the agenda packet if the person requests that the items be delivered by email. The bill would require, where the local agency determines it is technologically infeasible to send a copy of all documents constituting the agenda packet or a website link containing the documents by electronic mail or by other electronic means, the legislative body or its designee to send by electronic mail a copy of the agenda or a website link to the agenda and mail a copy of all other documents constituting the agenda packet in accordance with the mailing requirements.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

**Summary:** Current law authorizes the legislative body of a local agency, as specified, that has money in a sinking fund or in its treasury not required for immediate needs to invest the money as it deems wise or expedient in certain securities and financial instruments. In this regard, current law authorizes investment in prime quality commercial paper issued by entities meeting certain criteria. Current law prohibits local agencies, other than counties, from investing more than 25% of their moneys in eligible commercial paper and further prohibits these agencies from purchasing no more than 10% of the outstanding commercial paper of any single issuer. This bill would establish distinctions in local agencies in connection with their investment in commercial paper, as described above. The bill would prohibit local agencies that have less than \$100,000,000 of investment assets under management from investing more than 25% of their moneys in eligible commercial paper.

1st House				2nd House							

**Summary:** Current law regulates the issuance of refunding bonds by a local agency, which are issued for the purpose of refunding other indebtedness, as specified. Current law defines "bonds" for these purposes, among other things, as bonds, warrants, notes or other evidence of indebtedness of a local agency or any improvement district, the principal and interest of which are payable from the proceeds of ad valorem taxes or ad valorem assessments that may be levied, without limitation as to rate or amount, upon property in the local agency or any improvement district subject to taxation or assessment. This bill would revise the definition of "bonds" in connection with issuing refunding bonds to specify that it does not mean bonds to be issued, on and after January 1, 2021, for the purpose of funding pension obligations.

1st House				2nd House							

**Summary:** Current law, the Planning and Zoning Law, establishes in each city and in each county a planning agency with the powers necessary to carry out the purposes of the law. Current law authorizes the legislative body of each city and county to assign the functions of the planning agency to a planning department, one or more planning commissions, administrative bodies or hearing officers, the legislative body itself, or any combination thereof, as it deems appropriate and necessary. This bill would make a nonsubstantive change to those provisions.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

**Summary:** The Proposition 218 Omnibus Implementation Act prescribes specific procedures and parameters for local jurisdictions to comply with these requirements and, among other things, authorizes an agency providing water, wastewater, sewer, or refuse collection services to adopt a schedule of fees or charges authorizing automatic adjustments that pass through increases in wholesale charges for water, sewage treatment, or wastewater treatment or adjustments for inflation under certain circumstances. Current law defines, among other terms, the term "water" for these purposes to mean any system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water from any source. This bill would specify that "water" for purposes of the Proposition 218 Omnibus Implementation Act also includes the public fixtures, appliances, and appurtenances connected to an above-described system of public improvements intended to provide for the production, storage, supply, treatment, or distribution of water from any source.

**Summary:** Current law provides a separate formula for the allocation of apportionments of state funds to community colleges, which uses the numbers of full-time equivalent students as its basis, for use for apportionments for noncredit instruction and instruction in career development and college preparation. This bill would provide that instruction by community college districts under instructional service agreements with public safety agencies, as defined, would be funded under the apportionment formula used for instruction in career development and college preparation. The bill would also make various nonsubstantive changes.

**Summary:** Current law authorizes the Insurance Commissioner to make certain examinations, investigations, and prosecutions and, upon making a determination of the existence of certain conduct, conditions, or grounds, to issue orders reasonably necessary to correct, eliminate, or remedy the conduct, conditions, or grounds. Current law also prohibits insurers from engaging in unfair or deceptive acts or practices, including advertising insurance that an insurer will not sell. A violation of that prohibition is a misdemeanor. Current law exempts from the requirements set forth in the Insurance Code firefighters', police officers', and peace officers' benefit and relief associations that comply with specified criteria, including, among other things, a requirement that the membership consist solely of certain state or local peace or law enforcement officers, members of police or fire departments, and emergency medical personnel employed by fire departments, as specified. This bill would impose reporting, reserve, and disclosure requirements upon those associations described above that offer long-term benefits, as defined.

**Calendar:** 5/5/2020 10 a.m. - State Capitol, Room 437 ASSEMBLY PUBLIC EMPLOYMENT AND RETIREMENT, RODRIGUEZ, Chair

**Summary:** Current law authorizes a member of PERS, who is credited with less than a certain number of years of service and who enters employment as a member of another public retirement system supported by state funds, within 6 months of leaving state service, to elect to leave their accumulated contributions on deposit in the retirement fund. Current law specifies that a member's failure to make an election to withdraw accumulated contributions is deemed an election to leave the member's accumulated contributions on deposit in the retirement fund. Current law provides that a member may revoke their election to allow accumulated contributions to remain in the retirement system, except under specified circumstances. Current law requires a member who is permanently separated from all PERS covered service, who meets specified conditions, and who attains 70 years of age, to be provided with an election to withdraw contributions, or, if vested, an election to either apply for service retirement or to withdraw contributions. This bill would instead require a member permanently separated under the circumstances described above to attain 71 1/2 years of age before being provided with those election options. This bill would also correct an obsolete cross reference.

**Calendar:** 5/5/2020 10 a.m. - State Capitol, Room 437 ASSEMBLY PUBLIC EMPLOYMENT AND RETIREMENT, RODRIGUEZ, Chair

**Summary:** The Public Employees' Medical and Hospital Care Act, which is administered by the Board of Administration of the Public Employees' Retirement System, governs the funding and provision of postemployment health care benefits for eligible retired public employees and their beneficiaries. The act deems a surviving spouse or other eligible family member of certain firefighters or peace officers, whose deaths occur as a result of injury or disease arising out of their official duties, to be an annuitant, as specified, for purposes of enrollment in a health benefit plan, if the spouse or family member is uninsured. Current law requires the employer of the deceased firefighter or peace officer to notify the board within 10 business days of the death of the employee, among other things, if that spouse or family member may be eligible for enrollment. This bill would reduce the period within which an employer is to provide notice to the board, as described above, to within 7 calendar days.

1st House				2nd House							

**Summary:** Would establish new procedures under PERL for cases in which PERS determines that the benefits of a member or annuitant are, or would be, based on disallowed compensation that conflicts with PEPPRA and other specified laws and thus impermissible under PERL. The bill would also apply these procedures retroactively to determinations made on or after January 1, 2017, if an appeal has been filed and the employee member, survivor, or beneficiary has not exhausted their administrative or legal remedies. At the threshold, after determining that compensation for an employee member reported by the state, school employer, or a contracting agency is disallowed, the bill would require the applicable employer to discontinue the reporting of the disallowed compensation.
