Information from Kentucky Vital Statistics

Vital Statistics will be closing our front customer service desk to walk-in traffic this evening March 16, 2020 at 4:30.

All initial orders for death certificates should be placed through KY-EDRS.

The \$2.00 fee for placing orders within KY-EDRS will be waived throughout this emergency.

To allow for system programming changes, the fees will be waived by A.M., Tuesday, March 17, 2020.

If anyone needs assistance with the ordering process, they can call the STATLINE, [1-800-451-3781](tel:1-800-451-3781).

We are hopeful that our state mail services and UPS services will continue; however, if state mail services or UPS is impacted, I will let you know as soon as possible.

CDC provided guidance for cause of death, and I have attached for your information.

OVS is working on an "Announcements" link within KY-EDRS (on the left-hand side) as a source for continuing updates from OVS.

Thank you!!
