WELCOME TO FFI

For more than thirty years, the Family Firm Institute (FFI) has engaged in educating, connecting, and inspiring professionals who serve family enterprises. FFI is the leading association worldwide for family enterprise professionals and the organization of choice for the advisers, consultants, educators, and researchers who help perpetuate trans-generational family business enterprise.

In adopting a multidisciplinary and global perspective, FFI understands family enterprise as a fundamental driver of global economic growth, prosperity, and stability.

FFI's mission is to be the most influential global network of thought leaders in the field of family enterprise. We provide research-based learning and relevant tools for advisors and consultants, academics and owners to drive success.

MEMBERSHIP PROFILE

FFI has more than 1800 individual and organizational members in 80 countries.

- ▶ 65% of the members are family enterprise advisors and consultants; 30% are educators, researchers, and students; and 5% family enterprise members.
- ▶ Members' practices range from niche-oriented sole practitioners to small boutique consulting firms to major professional companies and related professional associations worldwide. Members serve families of wealth and family enterprises at all levels — from local entrepreneurs to international Fortune 500 companies.
- ▶ More than 100 academic institutions worldwide have created family enterprise research and/or educational centers or specialized family business-oriented curriculum. Educators, researchers and directors of these centers are active participants in FFI.
