

Stan Whittaker, MSN, APRN

Stan Whittaker is a Family Nurse Practitioner and the current Chair of Legislative Committee within the Florida Association of Nurse Practitioners (FLANP) as well as the President of the Florida Panhandle Nurse Practitioner Coalition. Stan leads the legislative efforts of FLANP and regularly meets or contacts state and federal representatives.

Stan has a total of 40 years in the medical field of which 12 years were spent in Independent Practice in Bush, Alaska. Stan's experience has been shaped by his progression through health care beginning as a founding EMT of the new (at that time) Emergency Service. Years of service as a Paramedic, Registered Nurse, and Nurse Practitioner has shaped his dedication to providing care for all people.

Stan has preferred to work in areas of high need such as Rural Health Care, Emergency Room, and Critical Care Flights. Stan currently works in Rural Health Care setting providing Urgent and Emergency Care to citizens of rural Florida.
