# WELCOME

From FLANP President Vernon Langford

Dear Colleague,

The Florida Association of Nurse Practitioners (FLANP) is pleased to welcome you to our 2021 FLANP Annual Conference. At the request of and concern for the safety of our members, this conference, our first ever to be held 100% virtually, offers educational opportunities in a format designed for the working professional. With the pandemic and ever-changing responsibilities, FLANP recognizes the need to be able to conveniently meet your continuing education (CE) needs while juggling the duties of an advanced practice nursing professional. This conference offers the opportunity to obtain over 20 CE credits and will be live from September 13-26, 2021. As we welcome the members, students, speakers, sponsors, and distinguished guests to this conference, it is our sincere hope that you will gain valuable insight into clinical practice, professional advocacy, and personal wellbeing as an NP.

FLANP seeks first to recognize the courageous and self-less acts of our nursing discipline through the past 2 years of this pandemic and want to recognize those who sought to ensure the safety and wellbeing of their families, friends, communities, patients, and colleagues often at risk of their own health and safety. Called upon to do the impossible with resources in short supply, nurses and nurse practitioners answered the call and stemmed the tide of this crisis with efforts that can only be referred to with one title, SUPERHERO!

Join us for an exciting conference with guest speakers from the Florida House of Representatives and the Florida Board of Nursing (BON). Representing the FL House is Rep. Rene "Coach P" Plasencia, a native of Orlando, Florida who taught and coached for a local high school before pursuing office. A passionate advocate for education, Coach P has been an advocate for nursing and the ability for advanced practice registered nurses to practice to the full scope of their education and licensure. We are pleased to have him as an ally and a partner in legislative progress.

We will also have representatives of the Florida Board of Nursing. We are pleased to have Joe Baker Jr., a seasoned leader in Florida healthcare regulation and he is the Acting Bureau Chief for Health Care Practitioner Regulation at Florida Health and the Executive Director of the Florida Board of Nursing. He has previously served and lead health care regulatory boards across the state and was also Director-at-Large to the NCSBN Board of Directors. A tireless supporter of nursing, his efforts help advance the discipline of nursing and he has provided this extraordinary leadership for Florida for over 25 years. He will be providing insight into the healthcare regulatory landscape in Florida.

We are also pleased to have Dr. Jose D. Castillo III, a Certified Registered Nurse Anesthetist (CRNA) with a decorated history of working in the hospital setting, academic institutions, and the health care industry at-large. He is a passionate advocate for APRN autonomous practice who was recently appointed to the Florida BON. Dr. Castillo III is the Past-President of the Florida Association of Nurse Anesthetists and an Assistant Professor at Texas Wesleyan University. He will be discussing the process of professional advocacy by seeking involvement through platforms like the BON.

We at FLANP look forward to meeting with everyone in person for future conferences but are thrilled to offer this conference format as an alternative. I sincerely look forward to seeing everyone online over the course of the conference and hope you enjoy this content immensely!

Respectfully

Vernon M. Langford MSN, APRN, FNP-C

President, Florida Association of Nurse Practitioners

# WELCOME TO THE 2021 FLANP ANNUAL CONFERENCE

FLANP is excited to present our FIRST ever virtual conference for all Florida NPs! The past year and a half has been challenging and everyone has had to make difficult decisions. We are looking forward to the next year, moving forward and continuing to grow!

The 2021 FLANP Virtual Conference will be a great opportunity to learn, ask questions, earn CE credits, and gain inspiration from speakers. The conference begins on September 13<sup>th</sup>. We have a variety of presentations scheduled over the following two weeks, ending on September 26<sup>th</sup>. Most of the presentations will be live, and we will then post the recorded version so you can watch again or watch for the first time if you missed it. Our FLANP Members will continue to have access to some of the presentations after the end of the conference. Be sure to register prior to September 13<sup>th</sup>!!

FLANP is an approved CE provider through CE Broker #50-31002.

## FLANP MISSION

Through aggressive grassroots involvement in the legislative process the Corporation will:

- Educate the public on the advanced practice of nursing.
- Remove obstructions to the advanced practice of nursing.
- Work to remove barriers and gain access to health care for all Floridians.
- Foster and promote civility, mutual respect, and collegial support among nurse practitioners.
- Be a good steward of contributions received for these purposes.

# RELEASE OF LIABILITY

I am attending this Event of my free will and wish to be considered for registration for this online virtual conference, hereafter termed the “Event”. By completing this conference registration, I consent to participate in the Event. I agree to indemnify, defend, and hold harmless FLANP, its employees, officers, directors, administrators, agents, instructors, speakers, members, other participants, sponsoring agencies,—all of which are hereafter referred to as “Released Parties”—from any and all liability for any and all claims; judgments; costs, including attorney's fees; demands; losses; or damages on account of injury, death, or damage to property incurred in connection with any action brought in any way connected with the Event, except when caused by the negligence of Released Parties. This agreement is specifically intended to operate as a waiver of liability to the fullest extent allowed by law. I hereby acknowledge that I have read and agree to be bound by the terms of this Release.

I also agree not to allow any other individuals to attend the conference in my place. I consent to FLANP using any photos, other images taken of me, and any results of conference related activities that occurred during the conference for media outreach efforts, promotional campaigns, various publications/communications, or other business purposes as determined by FLANP. In the event that FLANP should find it necessary to cancel or postpone this conference for any reason, including but not limited to low registration, strikes, acts of nature, war, terrorists’ acts, or other circumstances beyond FLANP's control, then FLANP's liability shall be limited to refund of registration fees paid to FLANP.

I understand that I am participating in a virtual online conference. My written, audio, and visual representations may be recorded during the Event. I grant FLANP to record my written, audio, or visual representations if I intentionally or accidentally transmit such data. If I do not want to be recorded, then I understand that I should not type into chat boxes, send chat messages, send audio messages, reply with my microphone, or turn my camera on. I understand that any harm, perceived or actual, which results from the recording of my written, audio, or video representation is my own responsibility, and I will not hold FLANP or any of FLANP’s Released Parties responsible for recordings of me or any harm that may come from such recordings.

I understand that if I am determined to be a disruption to the Event, I may be asked by FLANP or its Released Parties, to cease disruptive activities and/or I may be removed from the Event. If such a situation occurs, I understand that I may not receive a refund for my attendance.

Advanced Practice Nursing and the healthcare/medical field are ever-changing. Standards of care, practice, evidence-based guidelines, institutional policies, and professional scope of practice change frequently. The data presented during the Event is for informational purposes only. Each licensed practitioner is responsible for his/her own practice. The presenters and FLANP have made every effort to ensure that the material presented is accurate and up to date. The individual practitioner is responsible for determining the best course of action in clinical practice. FLANP and Released Parties cannot be responsible for any direct or indirect outcomes that may be or perceived to be a result from the use or application of information provided during the Event. By signing this Release, the participant agrees release FLANP and Released Parties from any liability due to harm, perceived or actual, that may occur to the participant or their clinical practice/patients/clients that may result from attending this Event.

By registering for this Event, I understand and agree with the above statements. **IF YOU DO NOT ACCEPT THESE TERMS, PLEASE DISCONTINUE YOUR REGISTRATION FOR THIS CONFERENCE.**
