

Florida Coalition of Advanced Practice Nurses

ADVOCACY LECTURE SERIES 2021

Join us for the 2021 Coalition Lecture series to educate advanced practice nurses, students and the community about APRNs in Florida

Florida has a healthcare problem, and Advanced Practice Registered Nurses are a part of the solution.

✓ This series of discussions and lectures will address key issues affecting healthcare in Florida, the role and scope of Advanced Practice Nurses, and evidence demonstrating effective strategies to improve healthcare access and outcomes.
