

## **Margaret Spivey, PMH-NP, CNS**

Margaret Spivey is a psychiatric mental health nurse practitioner/clinical nurse specialist (PMH-NP/CNS) with 30 years of experience as a nurse. Recently, she moved from Virginia to Florida and joined FLANP. She volunteers at Turning Points Medical Clinic as a PMH-NP. She plans to contribute her extra time serving the board to help optimize the full scope of practice for APRNs here in the state of Florida. She is empowered to be involved with FLANP helping promote positive change for the practice of APRNs, health care policies, legislation, and access to quality health care.
