Co-Editor in Chief, American Journal of Preventive Cardiology

Margo B. Minissian, PhD, ACNP, FAHA, FNLA

Executive Director, Geri and Richard Brawerman Nursing Institute

Simms/Mann Family Foundation Endowed Chair in Nurse Education, Innovation and Research

Assistant Professor, Cardiology

Cedars-Sinai

Los Angeles, California

PROGRAM OVERVIEW

The Florida Association of Nurse Practitioners cordially invites you to attend a CME/CE-certified presentation titled, **“Managing Elevated LDL-C Levels to Reduce ASCVD Risk: Primary and Secondary Prevention.”** This activity will provide primary care providers with the necessary knowledge to identify and treat patients who would benefit from ASCVD risk reduction. Learn about the latest treatment recommendations, including nonstatin therapies, LDL-C goals, and best practices in developing a personalized multidisciplinary treatment plan to optimize patient care.

LEARNING OBJECTIVES

- Assess the efficacy, safety, and mechanism of action of nonstatin agents approved to manage LDL-C levels
- Devise individualized evidence-based primary prevention plans for patients with elevated LDL-C levels
- Develop personalized strategies for secondary prevention for patients with elevated LDL-C levels using evidence-based guidelines
- Escalate treatment of elevated LDL-C levels by incorporating approved nonstatin agents when statins alone do not achieve 2018 blood cholesterol guideline goals

ACCREDITATION STATEMENT: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of USF Health and Rockpointe. USF Health is accredited by the ACCME to provide continuing medical education for physicians.

PHYSICIAN CREDIT DESIGNATION STATEMENT: USF Health designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC RECOGNITION STATEMENT: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 Medical Knowledge MOC point in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

AMERICAN ASSOCIATION OF NURSE PRACTITIONERS (AANP) CREDIT DESIGNATION

This education activity will be submitted to the American Association of Nurse Practitioners® for approval of up to 1.0 contact hours of accredited education.

AMERICAN ASSOCIATION OF PHYSICIAN ASSOCIATES (AAPA) CREDIT DESIGNATION

This program is not yet approved for CME credit. Conference organizers plan to apply for 1.0 AAPA Category 1 CME credits from the AAPA Review Panel. The total number of approved credits is yet to be determined.

AAFP CREDIT DESIGNATION STATEMENT

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

FEE AND RECEIVING CME CREDIT/MOC POINTS: There is no fee for this activity. To receive credit, participants must register, view the live CME/MOC activity in its entirety, and then complete the posttest, with a score of 70% or better, and evaluation. The estimated time for completion of this activity is 1 hour. To receive a certificate, participants must demonstrate mastery of the presented material via the posttest. Participant is allowed to take the posttest multiple times.

Disclosures will be made known to participants before the activity.
