

**NATIONAL NURSE PRACTITIONER
ENTREPRENEUR NETWORKSM**

April 10-11, 2026

Hilton Tampa Downtown
211 North Tampa St, Tampa, FL

Welcome

Dear 2026 Conference Attendees,

The Florida Association of Nurse Practitioners (**FLANP**), in collaboration with the National Nurse Practitioners Entrepreneur Network (**NNPEN**), is honored to welcome you to the **2026 Annual Conference: Advance. Lead. Transform. Strength in Unity.**

This premier event, taking place **April 10–11, 2026 in Tampa**, Florida, is more than a conference—it is a powerful gathering of nurse practitioners, NP entrepreneurs, students, and healthcare visionaries committed to elevating clinical excellence, business innovation, and advocacy within our profession.

Over the course of this event, you will have the opportunity to:

- **Advance** Your Clinical Practice
- **Engage** in evidence-based sessions, hands-on learning, and updates on the latest clinical advancements impacting patient care across all specialties.
- **Strengthen** Your Business & Leadership Skills
- **Learn** directly from experienced NP entrepreneurs and leaders about practice management, ownership, financial strategies, and innovative models of care.
- **Transform** Through Collaboration & Advocacy
- **Join** discussions that bridge clinical care, entrepreneurship, and policy—affirming our collective voice in shaping the future of healthcare.
- **Unite** with Peers and Mentors
- **Build** connections with colleagues across the state and nation, sharing insights, challenges, and successes that empower our profession forward.

As attendees, **you are at the heart of this movement.** Together, FLANP and NNPEN are creating a platform that celebrates every dimension of the nurse practitioner role—from bedside to boardroom, from solo practice to policy leadership.

We are thrilled to have you join us on this journey of growth, inspiration, and unity. Your presence embodies the strength and future of our profession.

With appreciation and excitement,

S. Lon Ratner, DNP, APRN, FNP-C
FLANP Board President

Lynn Rapsilber, DNP, ANP-BC, APRN, FAANP
CEO, National Nurse Practitioners Entrepreneur Network (NNPEN)

General Information

This year, we move with purpose—bringing together nurse practitioners from every corner of practice to focus on growth, leadership, and innovation in both clinical and business arenas.

As our profession continues to evolve, so does our mission. FLANP and NNPEN are committed to creating a space where education, entrepreneurship, and advocacy intersect, empowering NPs to shape the future of healthcare.

Over the next two days, you'll engage with expert speakers, gain practical tools, and build the connections that fuel progress. Thank you for being part of this movement—stronger together, ready to advance.

Please follow & connect with us on social media! #flanp #advocacy #nursepractitioners

FLANP is an approved CE provider through CE Broker #50-31002.

FLANP is an automatic CE reporter for FL, AR, GA, KY, MI, MS, SC, WV, ND, NM, & DC.

Our Theme

Advance. Lead. Transform. Strength in Unity.

This year's theme reflects the evolution of the nurse practitioner profession and the powerful direction in which we are heading. **It is a call to action**—rooted in our history, shaped by our present, and driven by the future we are building together.

To Advance is to never settle.

We continue to push the boundaries of clinical excellence, bringing innovation, evidence-based practice, and patient-centered care to every community we serve. ***Advancement is not a milestone—it is a mindset.***

To Lead is to step forward with purpose.

Nurse practitioners are redefining leadership, not only in the exam room, but in boardrooms, businesses, classrooms, and legislative halls. We are proving that leadership in healthcare can be visionary, entrepreneurial, and deeply compassionate.

To Transform is to reimagine what's possible.

Whether through new models of care, practice ownership, policy change, or mentorship, NPs are actively reshaping the healthcare landscape. Transformation happens when courage meets collaboration—and ***our profession is ready for both.***

Strength in Unity is the power that carries us forward.

From students to seasoned practitioners, from clinical experts to business pioneers, our collective strength lies in standing together. When we unite our voice, our values, and our vision, we do more than participate in change—***we lead it.***

This conference is not just an event. It is a gathering of momentum, a movement of leaders. Together, we honor how far we have come—and ignite the path for what comes next.

This is our time to advance, to lead, to transform—TOGETHER!

**Welcome to the 2026 FLANP &
NNPEN Annual Conference!**

Why Join FLANP?

Because you care, you are committed, & you collaborate, just like us!

Because the only way to advocate, is through ACTION!

Not only is being a part of your smaller, local chapters or groups important, but joining your statewide association is also important. We focus on different areas, and for FLANP a primary focus is legislative changes.

To see changes for APRNs, we need to work together, and we need more APRNs to get involved legislatively. This doesn't mean you have to know what you are doing or go to Tallahassee or run for a position, but as a voter in your district, you can help educate your legislators and the public.

We are focused on educating our members on how to get involved, who to talk to, what to say, and how to follow the bills and rules that are being written and voted on.

With over **44,000** APRNs in the state of Florida, our membership reaches only a small portion.

We need **YOU** to get involved!

We need **YOU** to become a member!

We need **YOU** to get educated on the legislative process!

We need **YOU** to take action!

We need **YOU** to share the message!

NATIONAL NURSE PRACTITIONER ENTREPRENEUR NETWORK

NNPEN was created from firsthand experience: a nurse-led startup that struggled to find the business guidance, investment support, and entrepreneurial training needed to succeed. That challenge revealed a larger gap—NPs are taught to lead change, but not to launch and run businesses.

NNPEN was founded to bridge that gap. Led by a consortium of nursing leaders, we connect Nurse Practitioners with the business tools, education, and support needed to build sustainable, thriving practices. Our goal is simple: accelerate nurse-led startups to strengthen workforce satisfaction, expand revenue opportunities, and increase access to high-value, NP-led care. A win for NPs—and a win for communities.

NP DIRECTORY

NP Directory is a national platform connecting patients, Nurse Practitioners, and NP students in one easy-to-navigate hub. The directory helps patients find trusted NP-led care, supports students in locating preceptors, and gives NPs greater visibility to grow their practices and professional networks.

Designed to strengthen access to high-quality, nurse-led healthcare, NP Directory serves as a central resource that elevates NP practice, expands opportunities, and builds a stronger NP community nationwide.

The graphic features a dark blue background with a faint image of a nurse. In the top right corner is the NP Directory logo, which is a teal circle containing a network diagram and the text 'NP DIRECTORY'. The main text 'NP DIRECTORY' is in large white letters. Below it, a white text block reads: 'Join Destination NP, Inc., the first nationwide directory of NP-owned practices, and help shape the future of NP care.' To the left of a nurse's portrait, the text 'Key Benefits:' is followed by a bulleted list: '• More visibility for your practice', '• Stronger bargaining power', and '• Opportunities for referrals & preceptorships'. Below the list is a blue button with the text 'REGISTER NOW'. At the bottom left, the website 'npdirectory.org' is displayed in white. At the bottom right is a large QR code.

Pre-Conference Workshops

We are offering 4 workshops to Conference Attendees.

Workshops are an add-on ticket and must be pre-purchased. Each workshop is scheduled for a specific time noted below.

Blueprint to Profit: Build the Business Plan Your Practice Deserves \$399 (4/9, 8am-12pm)

Lorraine Bock, DNP, ENP-C, FNP-C, PHRN, CEN, FAANP will run this interactive workshop walks you through building (or refining) a business plan that attracts funding, drives growth, and keeps your operations on track. Whether you're expanding services, adding staff, or preparing to scale, you'll leave with a clear, actionable roadmap tailored to your NP-led business. Don't just run your practice—lead it strategically.

The Business Behind the Chart: Advanced Billing & Coding for Nurse Practitioners \$399 (4/9, 1pm-5pm)

Allow *Lynn Rapsilber DNP, APRN, ANP-BC, FAANP* to help you get a head start on the conference and invest in your business success. This intensive pre-conference workshop focuses on the financial side of clinical care—billing, coding, and documentation practices that ensure your time and expertise are valued. Led by an NP who understand the NP perspective, you'll leave with actionable insights to improve reimbursement, reduce denials, and enhance your bottom line.

Regenerative Medicine in Practice: Empowering NPs to Lead the Next Era of Healing by My Injection Training - \$349 (4/9, 8am-12pm)

Join *Karen Rea, FNP-BC*, regenerative medicine expert, author of "Regenerative Medicine in Practice: Clinical Integration and Advanced Techniques for the Modern Provider" and co-founder of My Injection Training, for an immersive half-day workshop designed specifically for Nurse Practitioners ready to integrate regenerative therapies into clinical practice.

(Regenerative Medicine in Practice continued)

Participants will gain a foundational understanding of the science related to PRP, A2M, bone marrow, adipose stem cell, Wharton's Jelly, and Exosomes — along with practical protocols, patient selection strategies, and ethical considerations. Attendees will leave with a clear roadmap for incorporating regenerative services into their current practice while maintaining high standards of safety, compliance, and patient outcomes. Includes hands on training with PRP and A2M (for OA) processing techniques.

VA Exam Training - \$299 (4/9, 1pm-5pm)

This four-hour advanced workshop provides a comprehensive clinical and regulatory framework for conducting VA Compensation & Pension (C&P) examinations. Participants will receive structured instruction on 38 CFR legal requirements, M21-1 procedural guidance, proper DBQ completion, compliant medical opinion writing, and case-based application. The session integrates lecture, demonstration, regulatory interpretation, and hands-on practice to prepare APRNs for accurate, defensible, and regulation-compliant evaluation of veterans.

Our Top APRN Legislative Objectives

1. Psychiatric Mental Health Nurse Practitioners (PMHNP) need to be autonomous to address the mental health crisis in Florida.
2. Addressing “Justice in Payment” and “Discrimination Compensation” for health care services rendered by the Autonomous Advanced Registered Nurse Practitioner (A-APRN).
3. A-APRNs and Autonomous Psychiatric Mental Health Nurse Practitioners (PMHNP) need to be able to write 30-day prescriptions for mental health treatment.
4. A-APRNs need to be able to supervise non-autonomous APRNs.
5. Any willing Provider Language in healthcare related Florida Statutes. 35 other states already have this and Florida trails. <https://healthcare-wiki.com/2023/06/29/35-states-with-any-willing-provider-laws/>
6. Reduce barriers to access of care for Floridians.
7. Gain A-APRN recognition as an acceptable solution to the healthcare provider crisis in Florida. Ask us how and learn what we can do. Our scope of practice affords A-APRNs to answer the need.

DELAY & DENY

INSURANCE COMPANIES ARE CREATING ACCESS OF CARE BARRIERS FOR FLORIDIANS

The Big Picture

- Insurance companies make it difficult for Floridians to get the care they need by refusing to allow Autonomous Nurse Practitioners to practice as in-network providers, requiring unnecessary prior authorizations that delay care and allow pharmacy benefit managers to decide and dictate care.
- Limiting in-network providers forces patients to go to the emergency room or quick care clinics. No continuity of care means more dollars spent on healthcare and poorer outcomes.
- Per patient profit is maximized for the insurance companies and coverage, rather than PCPs, end up dictating care. When the health insurance company delays care, where is the accountability for harm to the patient?
- Floridians are unable to see physicians timely, sometimes waiting more than 5 months or more to establish. In some rural areas, patients have to travel more than 50-80 miles to see a physician. There are numerous primary care providers that can fill this void, they are autonomous nurse practitioners.
- Between 2020 and 2021, the rate of depression/anxiety increased in the U.S. by 27.6%. Most rural and urban markets have no psychiatrists. Psychiatric Mental Health Nurse Practitioners (PMHNPs) can fill the void now.
- Patients want to be allowed to choose their healthcare provider. Remove insurance discrimination of the autonomous APRN.

The Facts

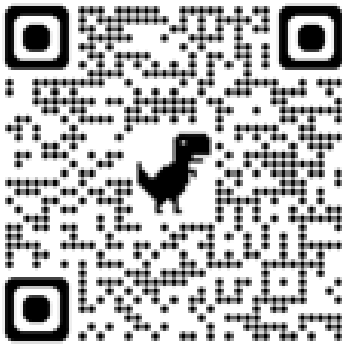

- Florida has 7,951 primary care physicians in practice today. 14% will retire in the next 5 years (1).
- A shortage of 5,974 primary care providers by 2035, enough to only cover 76% of the growing population (1).
- 2013 to 2019, the # of PMHNPs increased by 134.1% compared w/14.9% increase of psychiatrists (8).
- In all but Miami, demand for care will exceed supply of providers by 20% or more by 2030 (1).
- There are currently 44,566 practicing Advanced Practice Registered Nurses (Nurse Practitioners) in the state of Florida. Of which 11,201 are autonomous (MQA data retrieved 1.16.24).
- Autonomous Nurse Practitioners can fill the projected provider deficit but only if they can practice to their fullest ability (6). Only if insurance companies grant them in – network privileges.
- States with Full Practice Authority, APRNs are more likely to work in provider-shortage areas (2).
- States with Full Practice Authority, there is an increase in the supply of APRNs in areas with fewer practicing physicians by 60% (3).
- Removing barriers for autonomous APRNs will improve access to healthcare without compromising quality or increasing costs (4, 5).
- 2018 UnitedHealth report on primary care found if all states were to allow APRNs to practice to the full extent of their education and advanced training the primary care shortage would decline by 70% (6).

Dinner & Awards

We are excited to celebrate another PHENOMINAL year with Nurse Practitioners from across Florida & beyond!

**Please keep in mind that the Gala & Dinner requires the pre-purchased ticket. We are unable to accommodate any late additions.*

We will be presenting the following awards & scholarships at the Gala:

Advocacy in Action Award

- This statewide award recognizes the excellence among nurse practitioners involving their advocacy in various aspects of their work, community impact, and professionalism.

Susan Lynch Leading by Example Award

- This award, named in honor of one of FLANP's founding members, seeks to recognize and incentivize excellence, dedication, and impactful contributions to the organization by its board members.

NP Entrepreneur of the Year Award

- The NP Entrepreneur of the Year Award honors a nurse practitioner who has demonstrated exceptional entrepreneurial spirit, innovation, and leadership in advancing NP-led healthcare initiatives.

Legislator of the Year Award

- This award seeks to recognize a current or past Florida Representative or Senator who has shown support of nurse practitioners within the legislative process such as writing a bill or amending a bill to help us break barriers to practice and serving Floridians.

Dr. Loretta Ford Trailblazer Scholarship

- The Dr. Loretta Ford NP Trailblazer Scholarship, named in honor of the NP founder, a dedicated nurse practitioner who made significant contributions to advocacy of advanced practice nurses in Florida, seeks to support the educational and professional development of aspiring and current nurse practitioners in the state. This scholarship provides financial assistance to deserving individuals who embody the values of excellence, compassion, dedication to patient care, and a passion for advocacy.

Best Workplaces for Nurse Practitioners (NEW)

- This award recognizes outstanding employers that demonstrate excellence in supporting, advancing, and empowering Nurse Practitioners. This initiative aligns with FLANP's three pillars—Legislative Advocacy, Clinical Excellence, and Business & Leadership Development—to elevate the standards of NP practice and education statewide.

Best Schools for Nurse Practitioners (NEW)

- This award recognizes outstanding academic programs that demonstrate excellence in supporting, advancing, and empowering Nurse Practitioners. This initiative aligns with FLANP's three pillars—Legislative Advocacy, Clinical Excellence, and Business & Leadership Development—to elevate the standards of NP practice and education statewide.

Release of Liability & Permissions

I am attending this Event of my free will and wish to be considered for registration for the FLANP & NNPEN 2026 Annual Conference, hereafter termed the “Event”. By completing the conference registration online, I consent to participate in the Event. I agree to indemnify, defend, and hold harmless FLANP & NNPEN, its employees, officers, directors, administrators, agents, instructors, speakers, members, other participants, exhibit/sponsoring agencies, all of which are hereafter referred to as “Released Parties”—from any and all liability for any and all claims; judgments; costs, including attorney's fees; demands; losses; or damages on account of injury, death, or damage to property incurred in connection with any action brought in any way connected with the Event, except when caused by the negligence of Released Parties. This agreement is specifically intended to operate as a waiver of liability to the fullest extent allowed by law. I hereby acknowledge that I have read and agree to be bound by the terms of this Release.

I also agree not to allow any other individuals to attend the conference in my place. I consent to FLANP & NNPEN using any photos, other images taken of me, and any results of conference related activities that occurred during the conference for media outreach efforts, promotional campaigns, various publications/communications, or other business purposes as determined by FLANP & NNPEN. In the event that FLANP should find it necessary to cancel or postpone this conference for any reason, including but not limited to low registration, strikes, acts of nature, war, terrorists’ acts, or other circumstances beyond FLANP's control, then FLANP's liability shall be limited to refund of registration fees paid to FLANP.

I understand that if I am determined to be a disruption to the Event, I may be asked by FLANP, NNPEN or its Released Parties, to cease disruptive activities and/or I may be removed from the Event. If such a situation occurs, I understand that I may not receive a refund for my attendance.

Advanced Practice Nursing and the healthcare/medical field are ever-changing. Standards of care, practice, evidence-based guidelines, institutional policies, and professional scope of practice change frequently. The data presented during the Event is for informational purposes only. Each licensed practitioner is responsible for his/her own practice. The presenters, FLANP & NNPEN have made every effort to ensure that the material presented is accurate and up to date. The individual practitioner is responsible for determining the best course of action in clinical practice. FLANP, NNPEN and Released Parties cannot be responsible for any direct or indirect outcomes that may be or perceived to be a result from the use or application of information provided during the Event.
