*Note: Dues to the Florida Psychological Association are not deductible as a charitable contribution for tax purposes, but may be deductible as an ordinary and necessary business expense. A portion of the dues, however, is not deductible as an ordinary and necessary business expense because the Association engages in lobbying activities. FPA estimates that 13% of dues are allocated to lobbying activities and are nondeductible. If you have any questions, please contact the FPA Central Office, 850-656-2222.*
