

Florida Psychological Association

Pinellas Chapter

Hello!

by Christina Brown, Psy.D.

I would like to introduce myself as your new chapter president, stepping into the shoes filled for so long by our Dr. Harold Shinitzky. I don't want to spend too much time on myself, but I look forward to meeting each of you and hearing your ideas for how to make the most of our FPA chapter. I will be at the upcoming training, helping out with registration, so please come by and introduce yourself.

Here's what you need to know about me:

- ❖ I previously served as Membership Chair- you may have received some emails from me, reminding you to renew or introducing you to our chapter
- ❖ I live in downtown St. Pete—came here from Sarasota in 2012
- ❖ I work in Tampa—at the Florida School of Professional Psychology as Associate Director of Training & Assistant Professor

- ❖ My interests are in assessment & treatment of interpersonal violence & trauma; psychology of women; and treatment of severe mental illness and personality disorders.
