

CEU AT SEA

Join FLASHA Onboard RCL's Mariner of the Seas for Our Annual Convention!

Call For Papers/ Posters is Open

Here is your time to shine! FLASHA invites you to submit your proposal now! We are offering a variety of formats to include presentations between 1 and 3 hours in length as well as posters.

Topics can include but are not limited to the following:

- Audiology & Related Issues
- Autism & Related Issues
- Clinical Issues
- Language & Literacy
- Medically-Based Disorders
- Professional Issues
- Special Populations
- Swallowing Disorders
- Supervision & Leadership

All proposals must be submitted via the on-line submission system at flasha.org by 11:59 pm (EST) on October 16th.

Remember, submitting a proposal to present at the FLASHA CEU at Sea, you explicitly agree that all presenting authors will register for the Convention.

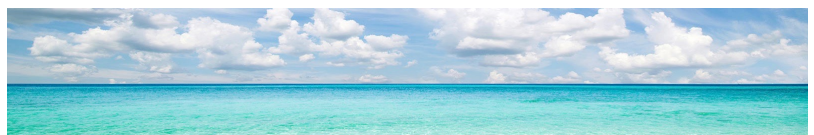

We're Making Education Fun

FLASHA has decided to try something completely different this year and we want everyone to participate in this experience. You do NOT have to be a member of FLASHA to take advantage of this offer (although membership does have benefits). Registration is open to any SLP/Aud throughout the country. So here is your opportunity to enjoy the fabulous amenities of the ship while you satisfy your licensure continuing education requirements.

Copy and paste the link below into your browser to access more information and to reserve your preferred cabin NOW as we anticipate a sell-out. You don't want to miss this opportunity to get your SEA-EUs!
