Need AICP Credits? You Asked, We Delivered!

Several ASLA Florida members contacted us about the possibility of partnering with the Florida Chapter of the American Planning Association to obtain credit maintenance approval for ASLA Florida courses at our 2019 Conference + Expo at the Loews Sapphire Falls Resort on July 11-13, 2019 in Orlando.

American Planning Association
Florida Chapter

Creating Great Communities for All

Always looking for better ways to serve our members, our Education Committee, chaired by Helen Cohen, and our Conference Committee, chaired by Daniel Rodriguez, reached out to our friends at the APA Florida to collaborate. Their response, was perfect..." The APA Florida Chapter is proud to sponsor the AICP CM credits for designated sessions of this conference."

Through those efforts, we were successful in obtaining approval for AICP credits for the following 10 courses:

- Out of the Crucible; Into a New Paradigm —Joy in the Journey (Leveraging Technology to Create a "Virtual" Office)
- Priming Urban Renewal; A look inside the City of Jacksonville's Amazon HQ2 Submittal
- American Cities Climate Challenge Bloomberg Philanthropies Award to St. Petersburg and Orlando
- Oviedo on the Park – Adding Value and Resiliency to the Public Realm
- Beyond Diversity – Integrating the Unique Cultural Needs of Communities in Design
- Passion-Practice: The Creative and Strategic Drivers of Four Women-led Businesses
- Unveiling Climate Change at Ground Zero
- Victory Pointe Park — Not Your Typical Stormwater Pond (Tour)
- Green Infrastructure for Streets and Cities: from Outlier to Mainstream
- Resiliency Planning: the Florida Adaptation Planning Guidebook

We hope this effort will assist our members in achieving their educational needs and goals, as well as encourage planners and other design professionals to join us at this year's conference!
