

**FLORIDA ENGINEERING SOCIETY
2019 AWARD FOR CHAPTER EXCELLENCE**

FES is sponsoring a state level ACE Award competition again this year, which emphasizes individual chapter activities. The **FES ACE Award** will be presented to the winning chapter at the FES Annual Summer Conference and Exposition in July.

The emphasis on individual activities should allow for even competition between all chapters small, medium, or large. An activity shall be defined as one specific area of chapter involvement, for example, MATHCOUNTS® or Project Create; or it can be defined as a broad area of chapter involvement, for example, education, which could cover all chapter activities that benefit education including MATHCOUNTS®, scholarship fundraisers, high school career days, etc.

To apply for the FES ACE Award, use the enclosed application and include the Award Declaration Sheet. Entries must be submitted by **April 30, 2019** to Deanna Green at dgreen@fleng.org.

Guidelines for FES ACE Award competition:

1. The Leadership Advisory Committee will follow the judging criteria below. Entries will be ranked on voting members ballots as their First, Second and Third choices.
2. Chapters must submit an electronic copy of their application to state headquarters by **April 30, 2019**. Please note: The application includes 11 pages -- a title page, two pages for the application and eight pages (four sheets front and back) for description of the entry. Adherence to these rules will be considered in the voting. Any photos, reproductions of photos or illustrations must be included in the eight pages for description of the activity.
3. Awards: There will be a first place, second place, and third place.
4. The Judging Criteria states that you may claim a membership bonus. A copy of the March 31, 2018 Membership Report is included on the last page; this will help you complete section VI of the application.
5. Entries will be reviewed and award winners selected by the Leadership Advisory Committee by the end of May.
6. The state awards will be presented at the Annual Summer Conference in July.
7. Judging Criteria for the FES ACE Award will be as follows:

A. Activity Quality 40%

1. Engineering Value
2. Community Impact
3. Planning/Organization

B. Public Exposure 40%

1. Total of non-member participants
2. Student participation (K through graduate school)
3. Public presentation/awareness
4. Percent of membership actively participating

C. Presentation of Entry Application..... 20%

1. Clarity
2. Conciseness
3. Professional

Entries are to be judged on the entered activity, which may be for a single project or an overall program. Entries will be ranked by preference as First, Second and Third choices based on the above criteria. Please contact Deanna Green by phone at 850-224-7121 or by email at dgreen@fleng.org.

**2019 ENTRY DECLARATION SHEET
FES ACE AWARD**

Entry Title: _____

FES Award for Chapter Excellence

**Presented by the
FES Leadership Advisory Committee**

Deadline for Application: April 30, 2019

FLORIDA ENGINEERING SOCIETY

APPLICATION FOR 2019 FES ACE AWARD

I. Chapter: _____

Administrative year from: _____ to _____

President: _____

Address: _____

II. Provide a brief description of the activity.

III. Provide a summary of the plan or timetable for the activity:

IV. Provide a brief statement of the purpose of the activity.

V. Provide a statement as to how this program could serve as a model activity, which could be adopted by other FES chapters.

VI. Membership as of March 31, 2018

Members: _____

Membership as of March 31, 2019

Members: _____
