Activities

- Presidents Reception - Friday evening, March 29**
Mingle with your colleagues and enjoy light dinner and beverages prior to attending the evening CME activity.
- FPS Alliance Breakfast Meeting - Saturday morning, March 30**
Spouses and partners of FPS members are invited to attend a relaxed breakfast sponsored by the FPS Alliance. Please join us, see old friends, make new ones and learn about the FPS Alliance's programs and history. The Alliance grant program helps recipient FPS RFM Members attend FPS meetings.
- Reception, Dinner, and Award Ceremony - Saturday evening, March 30**
Plan for a fun-filled evening featuring FPS' reception, dinner, and the always popular Wine Ring Toss. Toss the rings and take your bottle or bottles of wine home with you!
- Lunch & Learn - Saturday, March 30**
Lunch & Learn programs are complimentary, non-CME presentations that provide the opportunity to hear scientific information directly from industry. Lunch & Learn programs may concentrate on a specific product, service or device. Seating may be limited and require registration.

Required Relicensure and Telepsychiatry

March 29 - 31, 2019 ~at the~ Renaissance Orlando at SeaWorld

Join the Florida Psychiatric Society for three days of live CME, "Required Relicensure and Telepsychiatry". The FPS Spring CME Meeting is devoted to providing HIV, Medical Errors, and Domestic Violence courses for required relicensure. We will also explore the use of Telepsychiatry as a legitimate component of a mental health delivery system of psychiatric assessment and care through telecommunications technology. "Telepsychiatry" is helping meet the needs of underserved communities for convenient, affordable, and readily-accessible mental health services. It has changed the way we interact with patients in a positive way.

Join us for an expert slate of speakers on topics related to these themes. As always, our meetings are informative and fun, and they offer an opportunity to connect or re-connect with colleagues.

Meeting Accreditation

The Florida Psychiatric Society is accredited by the Florida Medical Association to provide Continuing Medical Education for physicians. The Florida Psychiatric Society designates this live activity for a maximum of **12.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FPS Mission Statement

The Florida Psychiatric Society will continuously seek to improve the ability of its members to provide quality treatment for persons with mental illnesses.

Meeting Disclosure

The Accreditation Council for Continuing Medical Education (ACCME) has mandated that all speakers must disclose financial relationships with any commercial interest that produces, markets, re-sells, or distributes health care goods or services consumed by or used on patients, that has a direct bearing on the subject matter of the CME activity in which they are involved. Having a financial interest in or affiliation with any corporate organization providing support for a program does not prevent a speaker from making a presentation, but the relationship must be made known in advance to the audience in accordance with the Standards for Commercial Support of Continuing Medical Education of the ACCME.
