Disclosure Statement:

This educational activity is approved for 16.0 contact hours. The International Association of Forensic Nurses is an approved provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. In order to successfully complete this course, participants sign in each day, attend the program in its entirety, and complete an evaluation. Presenters, planners, and any persons in the position to control content for this educational activity disclose no conflicts of interest.

Adult/Adolescent Didactic and Clinical Training Components:

According to the SANE Education Guidelines (2018), both didactic and clinical training are required to prepare the registered nurse as a sexual assault nurse examiner (SANE).

- A minimum of 40 hours of didactic coursework that yields a minimum of 40 continuing nursing education contact hours from an accredited provider of nursing education, or academic credit or the national equivalent from an accredited educational institution; and
- Clinical components, including simulated clinical experiences, that are completed in addition to the coursework and are not calculated as a part of the 40-hour didactic course.

This course meets the requirement for clinical development, but should not replace the opportunity for precepted experience. According to the SANE Education Guidelines (2018), "Simulated medical forensic examinations should not be used exclusively for teaching or
