Tell us more about your forensic nursing role:

Khara's nursing experience spans over 14 years. She has emergency department, critical care, woman's health, and clinical forensic nursing experience. She entered the profession of forensic nursing to ensure patients are kept at the center of care. She currently is full-time in academia educating future nurses regarding the various roles of nursing including forensic. In addition, she teaches SANE-A/P didactic and clinical and various topics.

Stacy Drake shares her reasoning behind "Spotlighting" Khara:

Khara is selfless. She not only serves as our Chapter President, she is a board member of the IAFN, and provides mentorship for other members to engage in promoting the profession of forensic nursing. Khara provides transparent and clear leadership. Importantly she is accountable and reliable and serves with positive energy. It is an honor to work and serve with her.
