STUDENT

American Water Works Association

Membership Benefits
Water Knowledge, Resources, and Community
To Start Your Career as a Water Professional, AWWA Membership is the Solution.

Join AWWA for only $20!
Student Membership is for:

➤ A degree-seeking individual attending an accredited educational institution enrolled in the number of hours required by the institution for half-time or full-time status

The Water Sector Faces Greater Challenges Than Ever Before
From finding long-term water supply availability to water treatment and distribution practices, you need to be ready to tackle these issues. AWWA Student Membership provides you with technical information to help you with your schoolwork, resources to help you achieve your career goals, and ways to help support the water profession.

➤ Jump-start your career
➤ Connect with water professionals
➤ Gain experience
➤ Stay informed
➤ Make a difference

About AWWA
Established in 1881, the American Water Works Association is the largest nonprofit, scientific and educational association dedicated to managing and treating water, the world’s most important resource. Through membership, AWWA creates products, services and information that help utilities with day-to-day operations, inform the public, improve public health, protect the environment, strengthen the economy and enhance our quality of life.
Join online at awwa.org/join

Jump-Start Your Career
Get help with your schooling by applying for one of the many scholarships AWWA offers.

Find the books and resources you need for class through the AWWA Store; members get up to a 30% discount on books, research reports and more.

When you are ready to look for a job, visit AWWA’s Career Center. In the Career Center you can:

➤ Search new job opportunities in your area
➤ Post your resume so potential employers can contact you
➤ Access career resources

Connect With Water Professionals
Make a connection that could lead to your next job. Meet a mentor at a local event. Network with water-sector leaders at conferences across North America. These are just some of the opportunities available when you join one of the over 80 AWWA Student Chapters!

Your school doesn’t have one? Follow these three easy steps to get started:

1. Recruit five Members
2. Find a faculty or staff advisor from your college/university to support your group
3. Communicate with your local Section, the AWWA Student Program Manager, and your college/university student clubs/organization office that you are ready to get started!

Scholarships
AWWA provides over $200,000 annually in scholarships and awards. We recognize the importance of investing in students as the future of the water industry. AWWA’s Water Equation manages the more than 20 scholarships to support student water industry education.

Below is a description of a few of the scholarships available. For a full list of opportunities, details, and to apply—please visit awwa.org/scholarships.

AWWA ABEL WOLMAN FELLOWSHIP
This two-year fellowship provides an annual $30,000 stipend to students in the United States, Canada, and Mexico who are pursuing advanced training and research in the field of water supply and treatment. To accomplish this objective, a doctoral fellowship funds up to two years of research studies for one outstanding student. The initial award for one year is $30,000, with a second year of support available if needed.

Deadline: Early December

AWWA LARSON AQUATIC RESEARCH SUPPORT (LARS) SCHOLARSHIP
Provides financial support to graduate students preparing for careers in the fields of science or engineering.

Awarded annually. Will provide one-time funding for two scholarships: $5,000 for a master’s student
$7,000 for a doctoral student

ADDITIONAL AWWA SCHOLARSHIPS
The AWWA Scholarship program provides opportunities for students seeking undergraduate and graduate degrees. Please view a full list at awwa.org/scholarships.

SECTION SCHOLARSHIPS
AWWA Sections award more than 100 scholarships to local students ranging from $100 to $5,000. These scholarships are in addition to the AWWA Scholarships.
Community Engineering Corps
Help underserved communities make local improvements. Community Engineering Corps harnesses the technical expertise of volunteers to help improve local infrastructure and community quality of life in the United States. Join and get involved today!
communityengineeringcorps.org

Your Local AWWA Section
AWWA Membership includes membership in your local Section and provides access to:
➤ Local events and conferences
➤ Scholarships
➤ Networking opportunities in your community
➤ Region-specific news and information
➤ Ways to directly impact local water issues

Gain Experience
Enhance your technical knowledge with advanced courses and online resources on issues not always covered in your classes. Members receive up to a 30% discount on resources! You can also share your knowledge by submitting a poster at a conference or contributing to a magazine article or research report.

Stay Informed
You can find the latest news and research reports at awwa.org. Check out Journal AWWA, AWWA Water Science and Opflow articles to help you with school projects. You will also get updates on new resources through AWWA Connections, a bi-weekly newsletter that features community news, colleague profiles, career tips and more.

Make a Difference
Share your passion about water with others. From participating in a Community Engineering Corps project to joining your local Section’s Young Professional Committee, AWWA has the right volunteer opportunity for you. There are over 160 volunteer committees to join.

I said to myself while I was at the conference, ‘these are my kind of people.’ There’s something about people that work in the water industry.”

Emily von Hagen, EIT

Phone: 407.979.4806

Section 3 Member Information

What one business activity best describes your company? (Please check only one)
A ☐ Public Water Supply Utility— Municipally Owned
B ☐ Public Water Supply Utility— Investor Owned
C ☐ Government— Federal, State, Local
D ☐ Consulting Firm
E ☐ Contractor
F ☐ Private Industrial System or Water Wholesaler
G ☐ Manufacturer of Equipment & Supplies (including representatives)
H ☐ Distributor of Equipment & Supplies (including representatives)
I ☐ Educational Institutions (faculty and students), Libraries and other related organizations
J ☐ Fully Retired
K ☐ Research Lab
L ☐ Other, allied to the field (please specify)_ __________________________

What one category best describes your job title? (Please check only one)
A ☐ Executive (General Manager, Commissioner, Board Member, City Manager, Municipal Supt., Mayor, President, Vice President, Owner, Partner, Director, etc.)
B ☐ Management/Non-Engineering (Division Head, Section Head, Manager, Chief Engineer, Dept. Head, Comptroller, etc.)
C ☐ Design and Engineering/Both Managerial and Non-managerial (Chief Engineer, Civil Engineer, Mechanical Engineer, Elect. Engineer, Environmental Engineer, Planning Manager, Field Engineer, System Designer, etc.)
D ☐ Scientific/Non-managerial (Chemist, Biologist, Biophysicist, Researcher, Analyst, etc.)
E ☐ Purchasing (Purchasing Agent, Procurement Specialist, Buyer, etc.)
F ☐ Operations (Foreman, Operator, Maintenance Crewman, Service Representative, etc.)
G ☐ Marketing & Sales/Non-managerial (Market Analyst, Marketing Representative, Salesperson, Sales Representative, etc.)
I ☐ Professorial (Educator, Teacher, etc.)
Z ☐ Other (please specify)_ __________________________

All applicants must complete this section.

CHECK FIELD SERVED: (Please check only one)
1 ☐ Both Water Supply & Wastewater
2 ☐ Wastewater Only
3 ☐ Water Supply Only
4 ☐ Other

Completion of this information is optional. AWWA maintains profile data for use in developing additional programs and services to meet the diverse needs of our members.
Birth Year __________________________
Race/Ethnic Identification (check one)
☐ 1 American Indian/Alaskan Native
☐ 2 Asian/Pacific-Islander
☐ 3 African American
☐ 4 Hispanic
☐ 5 White (Non-Hispanic)
☐ 6 Other
 Gender (check one)
☐ F Female ☐ M Male

Applicant’s Signature __________________ Date __________________
By joining AWWA, you grant the association, through implied consent, authorization to send you commercial electronic messages. Your communication preferences can be updated at any time at www.awwa.org under “My Account.”

Section 4 Areas of Interest

What areas of the water and wastewater industry are of current interest to you? Circle all that apply.

Asset Management ☐ Desalination ☐ Preparedness/Security ☐ Public Info./Communications ☐ Training/Career Development ☐ Water Research
Climate Change ☐ Distribution/Plant Ops. ☐ Laboratory ☐ Reuse ☐ Water Wastewater ☐ Workforce Strategies
Conservation/Efficiency ☐ Drought ☐ Membrane Treatment ☐ Small Systems ☐ Water Loss ☐ Young Professionals
Customer Service ☐ Emergency ☐ Public Health ☐ Stormwater ☐ Water Quality/Treatment

† MULTI-SECTION MEMBERSHIP OPTION

In addition to your own section membership, you may also join other AWWA section(s). This allows you to receive information on events and activities from other local sections. If this is of interest to you, call 1.800.926.7337 for multi-section information and fees.

Dues and section assessment rates valid through Dec. 31, 2020. Dues are not deductible as charitable contributions for income tax purposes. Dues may be considered ordinary and necessary business deductions. The following is for USPS periodical mailing requirements only: in some AWWA sections, a portion of the section allotment equal to 50% or more of the domestic subscription rate charged for the section periodical will be allocated toward a subscription to that periodical. Allocation for each publication recipient authorized—Journal AWWA = $50; Opflow = $16.

NOTE: Members’ phone numbers, fax numbers, and email addresses are protected under AWWA’s Privacy Policy.
Resources for you
Water professionals must increasingly manage water in all its stages. AWWA has the information and experts to help you effectively and efficiently manage water from source to tap to reintroduction into the environment. Find out about current issues, technical resources, and educational opportunities, all in one place. Subjects include:

- Asset Management
- Climate Change
- Distribution System O&M
- Engineering Modeling Applications
- Groundwater
- Reuse
- Source Water Protection
- Wastewater
- Water Conservation
- Water Loss Control
