- Roll
Save Water

The world is in your hands.

Conserve every drop of water.
Water is a treasure

Save it!
Everything needs water! Let's work together to save water!
Conserve Water!!
Don't waste
Give flower
Save water
It's easy!

A glass of water is shown with a flower, indicating conservation and saving water. The image illustrates the importance of not wasting water and making it easy to conserve resources.
Fix pipes when they are broken.
Save water! What would we do without it?
Save our water
Be a Water Bucket Filler!

don't Waste Water
Elephants take short showers.

Be like an elephant.
Don't waste water
Save water
It Starts With Water...

- Wash full loads
- Take short showers
- Fix leaks
- Turn off water when brushing teeth

Every Drop Counts!

Let's Conserve It!
sav wobri!
Use less water.

By watering in the evening.
Save water

Be a Super Saver!!!

That is good water!

Help!
Conserve Water

Take Shorter Showers
Every second counts!

SAVE WATER!
Water is Life
Don't hog Water!
# Save Water

To save water, take shorter showers.

Install water-saving shower heads.

Don't leave the water on while brushing your teeth.

Waste less water on your lawn - only water it once a week.

20 mins
Save The Water!
Every Drop Counts!
Water is Precious
Safe Water
Every Drop Counts

Save Water
Save the Water Queen, Save the Earth Queen.
Wash yer dog in the grass.

Take a 5 min. shower.
Honey, you left the sink on!
Conserving our water is preserving our planet... our home.
Turn the water off if you're not using it.

Sweep the driveway, don't hose.

Use a broom.

If you are brushing your teeth here is one way to save water. Turn it off.

When it rains use a bucket to recycle the rain.

Recycled the rain!

Only wash your clothes when it's a full load.

Don't take so long to wash your hands.

Are those full?

Turn off the water.

Don't throw water away.
Use a little bit of water!!!!

Take a 5 minute Shower.

bad

good

A shower is shown as a good option, while a cup of water is marked as bad.
Water is the Life

Conserv Water
Water Means everything

Respect Earth's Water
HELP THE DROP TO MAKE IT STOP

Good job water police?

STOP
Don't be a drip
Don't waste water, reuse it and put it back in the Earth.
Don't waste water! Water is good!

You need water to help you to live a long life. Yes, water is good for you! Never waste water!
Keep to five minutes showers.
You can make the earth a better place.

Save water.
Conserving Water

1. You could... Turn off the water while you brush your teeth.

2. You could also... Take shorter showers.

3. Ways to conserve water.

Don't ever stop doing a good job for our world!

Then you can... Only use washing and drying machines for full loads.

Not only our family, but our community, we are helping the world to be a better place when we conserve water.

Fact: If we conserve water we will have water to live. If we don't have water we can't live.
Water is a game changer. Don't waste it!
SLOW
the
FLOW
SAVE H₂O
Have a Heart,

Be Water Smart!
H2O: The Source to Life

If water was money, would you save it?

MR. DROP
Stop that Drip
Every Drop Counts!

It's my Turn!!!
WATER IS THE FIRST PIECE TO THE PUZZLE.
SAVE WATER  SAVE LIFE  SAVE EARTH

"EVERY DROP COUNTS"
Save Water  Save Lives

I better make sure the water is not on.

Thank you for saving my life.
It starts with water. Let's conserve it!
Time your shower to keep it under 5 minutes. You'll save up to 100 gallons each month.
Don't Waste It Reuse It
Put your water-skills to the test. Give your tap a rest.
NO WATER

NO LIFE
Conserve Water

Every Drop Counts!
Every Drop Counts
WATER CONSERVATION
Every drop counts

$1
$2
$3
WATER = MONEY

POMPANO BEACH

I LOVE TO SAVE WATER
Save Water: It's going to Waste

It's not funny, don't waste your money!
LESS WATER

LESS PAYMENT

Used less water

Used more water
Now do you get it?

Drip... Drop... Drip...

All clean and filtered...

Wasted water or waste in water... it's all
