Why Join AWWA

Collaborate to Strengthen the Water Sector

Partner Agency Membership connects your organization with the global water community to advance shared goals for safe and sustainable water.

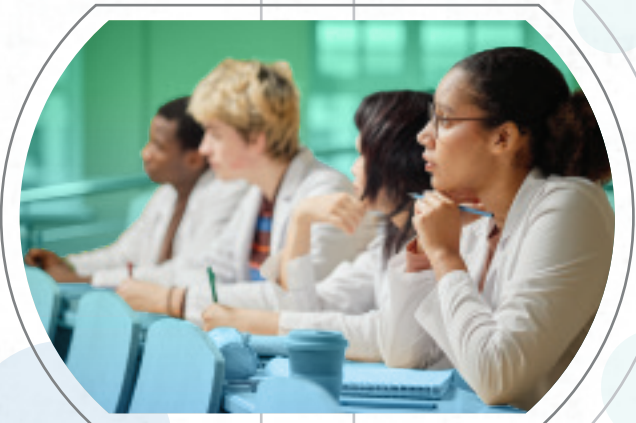

This membership is designed for:

- Governmental agencies
- Nonprofit organizations
- Industry and professional associations
- Research and academic institutions
- Public health and environmental organizations (e.g. Environmental Protection Agencies, Bureau of Indian Health Agencies)
- Libraries

Your agency plays a critical role in shaping policies, programs, and research that guide the future of water management. AWWA provides the technical expertise, advocacy resources, and professional network to help your organization expand its influence and achieve greater impact.

As a Partner Agency & Institution Member, your organization can:

- Collaborate with leaders across the water community on shared initiatives and best practices.
- Access trusted AWWA standards, research, and policy tools.
- Contribute to industry-wide programs that shape the future of water management.
- Stay informed on evolving regulations, infrastructure challenges, and sustainability trends.
- Engage in professional development, leadership roles, and global partnership opportunities.

Payment

Annual Dues (A1) \$ **1,850**

Section Dues (A2) \$

Total \$

Payment Method

☐ Email me a click-to-pay invoice

(Once we receive your membership application, we will process it and email you an invoice you can click-to-pay online)

Email:

☐ Check enclosed (make payable to AWWA, US currency only, US bank only)

Your membership will be activated when payment is received.

Benefits

Your benefits package includes:

- AWWA Standards
- 2 Individual Memberships
- Discounts for all employees

AWWA Standards License

Your membership provides you with free access to a complete library of current AWWA Standards on envoi. Please contact us if you have questions about access to envoi by emailing us at membership@awwa.org.

envoi is a comprehensive library for online technical content, making it the go-to source for information on all things water. envoi replaces the AWWA standards CD benefit of your organization membership and provides access to 180+ current ANSI-accredited AWWA standards online.

AWWA Standards describe the minimum requirements for products and processes. By using Standards, you are laying the foundation for quality.
