Governor's EO 21-47 Vaccine Administration

On Monday 03-01-2021 Governor DeSantis issued Executive Order 21-47, also regarding vaccine administration, which amends EO 21-46. Under 21-47, all providers administering any COVID-19 vaccine shall only vaccinate the following populations:

- Long-term care facility residents and staff; (already in-progress)
- Persons 65 years of age and older; (already in-progress)
- Health care personnel with direct patient contact; (already in-progress)
- K-12 school employees 50 years of age and older; (NEW)
- Sworn law enforcement officers 50 years of age and older; and (NEW)
- Firefighters 50 years of age and older. (NEW- previously only Paramedics/EMT’s)

In addition to hospital providers, physicians licensed under chapters 458 and 459 FSS may also vaccinate persons whom they deem to be extremely vulnerable to COVID-19. Advance practice registered nurses under chapter 464 FSS and pharmacists licensed under Chapter 465 FSS may vaccinate persons determined by a physician to be extremely vulnerable to COVID-19. Such physician determinations shall include a statement that the patient meets the defined eligibility criteria established by a form prescribed by the Florida Department of Health. (NEW)

Governor’s Executive Order 21-47 attached.
WHEREAS, on March 9, 2020, I issued Executive Order 20-52, subsequently extended, declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

WHEREAS, the State of Florida is leading the effort to distribute the vaccine to the elderly and vulnerable populations of the State; and

WHEREAS, the State of Florida has successfully provided vaccines to over two million individuals over the age of 65 and additional individuals.

NOW, THEREFORE, I, RON DESANTIS, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section 1(a) of the Florida Constitution and by the Florida Emergency Management Act, as amended, and all other applicable laws, promulgate the following Executive Order:

Section 1. Effective March 3, 2021, Executive Order 20-315, as amended by Executive Order 21-46, is amended to include the following:

During this first phase of vaccine administration, all providers administering any COVID-19 vaccine shall only vaccinate the following populations:

- Long-term care facility residents and staff;
- Persons 65 years of age and older;
- Health care personnel with direct patient contact;
- K-12 school employees 50 years of age and older;
- Sworn law enforcement officers 50 years of age and older; and
- Firefighters 50 years of age and older.
In addition to hospital providers, physicians licensed under chapters 458 and 459, Florida Statutes, may also vaccinate persons whom they deem to be extremely vulnerable to COVID-19. Advanced practice registered nurses under chapter 464, Florida Statutes, and pharmacists licensed under chapter 465, Florida Statutes, may vaccinate persons determined by a physician to be extremely vulnerable to COVID-19. Such physician determinations shall include a statement that the patient meets the defined eligibility criteria established by a form prescribed by the Florida Department of Health.

Section 2. Except as amended herein, all portions of Executive Order 21-46 are ratified and reaffirmed.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 1st day of March, 2022.

RON DESANTIS, GOVERNOR

ATTEST:
