WELCOME to the FSHP 47th Annual Meeting at the Hilton Orlando in Orlando, Florida!

It has been my sincere honor to serve you as President this past year, and what an amazing year it has been. The Executive Committee, Board of Directors, Council Chairs, Committee Chairs, and Task Force Chairs have put in a tremendous number of long hours over the past twelve months serving you, our members. These many tireless volunteers have worked hard to address their charges as well as the Resolutions brought forth through the House of Delegates. A huge thank you goes out to our Regional Society Leadership, as they are the life-blood of FSHP keeping in direct contact with our members throughout the state. I want to express my sincere appreciation to all of the Regional Society Officers for the work they do to support the mission of FSHP and bring forward the ideas and opinions of local members.

My deepest appreciation goes out to all of the FSHP Delegates for taking their time to serve in the FSHP House of Delegates on Thursday August 1, 2013. These Delegates voice the thoughts and opinions of our membership through Resolutions brought to the floor that will ultimately improve our Society's structure and our profession's place in the healthcare arena.

This year's program "**THE FUTURE IS NOW.... MAKING IT HAPPEN**" is designed to help you prepare for the future, and to position our profession and ourselves to take on new and expanding pharmacy roles. It is with great pleasure that I announce **Dr. Robert Brooks, MD, MBA, MPH**, a nationally recognized scholar, researcher, and educator in the areas of patient safety, health informatics, and policy as our Keynote Speaker with his presentation "**Health Care Reform**". He is a former Secretary of the Florida Department of Health, Chief Medical Officer for the state of Florida, and member of the Florida House of Representatives, and thus immensely qualified to speak to us on this very important subject. The next three days of continuing education programming is jam packed with great, relevant topics presented by speakers who are experts in their fields. Our Educational Affairs Council has done another outstanding job in planning this meeting. FSHP uses the recommendations and suggestions from members to develop the continuing education programming, so we encourage members to continue to provide constructive feedback on areas of interest, knowledge gaps, and possible future C.E. topics. We sincerely hope that the C.E. provided in this Annual Meeting will serve you well by closing those identified knowledge gaps and provide education for those areas of interest.

So now, a quick review of some of the highlights of the meeting...

FSHP Networking Bingo: FSHP is starting the meeting off right, holding a Networking Bingo event on Thursday, August 1st at 6:45pm. We all know the format of Bingo, well, we have tweaked that old favorite. Come check it out and meet some new people!

Directors Workshop: Because of the overwhelming success of this workshop, the tradition will continue! It has become so popular that we now run three concurrent sessions. The program uses sharing of best practices and group to tackle some of the major challenges facing pharmacy leaders.

FSHP PAC Luncheon: The FSHP-PAC contributor recognition luncheon is scheduled for Saturday, August 3rd at 11:30am. The Keynote Speaker at the luncheon will be **Representative Matt Hudson**. Representative Hudson is Chair of the House Health Care Appropriations Subcommittee and Vice Chair of the Patient Protection and Affordable Care Act Committee. In these capacities, he exercises significant leadership in all health care legislation. He is a Republican residing in Naples and represents House District 80. Space is limited for this event.

FSHP SPLASH BASH: All meeting attendees are invited to join us on Saturday, August 3rd at 7:00pm for our Family Night event at the pool! Come out and enjoy a luau setting with festive food, dancing, games and MORE!

Remember to stop by the ***Exhibition Hall*** to speak with representatives and learn about the exciting new products, robotics, software and other many services they have available! In addition, on Saturday morning stop by the ***Student Quiz Bowl*** to cheer on your alma mater, or just your favorite students during the Student Track.

On Sunday, ASHP Immediate Past-President, Kathryn R. Schultz, Pharm.D., FASHP, will be filling in for ASHP President Gerald Meyer, Pharm.D., FASHP speaking on Transforming Pharmacy Practice. This will be followed by the installation of the new Board of Directors and our new President. Please mark your calendar to attend this significant occasion!

I would like to take this time to thank our extremely dedicated FSHP Office Staff for all of their efforts to create an amazing and successful Annual Meeting, year after year. Pam and Meka are extremely talented and devoted people! After the office staff transition in December of 2012, Pam and Meka stepped up to the plate and kept the organization running smoothly. These individuals have exemplified endless dedication to FSHP and its members, often answering calls 24 hours a day, 7 days a week. Working closely with the office staff has given me a greater appreciation of the significant behind-the-scenes work that they do to make everything run seamlessly for the members and the Society. Even though the words THANK YOU do not seem sufficient for the work that they do, please take a moment to thank Pam and Meka when you see them during the meeting.

FSHP Leadership, over the years, has created our Society with the mission of making a difference- in patient lives, member lives and our profession. We continually search for new leaders to work with us to advance the role of the pharmacist and pharmacy technician as we transform pharmacy practice! If you want to become involved or increase your level of involvement with FSHP, please contact any of the FSHP Executive Committee, Board of Directors or Office Staff for more information.

Now, let's enjoy the meeting!

ADOPT-A-STUDENT MEET AND GREET!

Student sponsors, meet up with students that you adopted for the Annual Meeting during specific Breakfast and Break times indicated in your Program Agenda.

FSHP RESEARCH AND EDUCATION FOUNDATION RAFFLE

Support the FSHP Research and Education Foundation by stopping by the FSHP Foundation Raffle Table. The items to be raffled will be in the Exhibit Hall during the exhibit program. Tickets can be purchased at the raffle table, \$10 for one ticket, \$25 for three tickets (cash, checks, and credit cards are accepted). Raffle winners will be announced on Saturday, August 3rd at 1:15pm in the Exhibit Hall. **YOU MUST BE PRESENT TO WIN!**

FSHP RESEARCH AND EDUCATION FOUNDATION 2ND ANNUAL WINE TOSS

Test your tossing skills by trying to get a plastic ring over the neck of a bottle of wine in the Exhibit Hall. A large selection of choice wines have been donated for this special event. The Wine Toss is a "win-win" event. You get to keep your bottle of wine and The Wine Toss is open to all Annual Meeting attendees. You do not want to miss this! Ring amounts: \$2 for one ring, \$5 for three rings.

Friday, August 2nd, 11:50am-2:30pm
 Saturday, August 3rd, 11:30am-2:30pm

Your donations support the FSHP Research and Education Pharmacy Student Scholarship Award and other student/mentor related programs.

POSTER PRESENTATIONS

Visit and support our two poster sessions this year. The Transitions of Care Poster competition will be held on Friday, August 2nd from 11:00am-1:00pm. The FSHP Poster competition will be held on Saturday, August 3rd from 11:00am-1:00pm.

FSHP RESIDENCY SHOWCASE

On Saturday, August 3rd from 1:00-2:30pm come and see what your colleagues are doing across the state at the FSHP Residency Showcase. The Showcase provides the opportunity to learn about the many diverse and exciting residency programs offered in Florida. Preceptors and Program Directors will be available to answer questions regarding their programs.

FSHP CYBER CAFÉ

The FSHP Cyber Café provides workstations with internet access where you can browse the web and send and receive emails (printing not available).

SPECIAL ASSISTANCE

It is the policy of FSHP to comply with the Americans with Disabilities Act. Contact an FSHP Staff member for special accommodations.

NO SMOKING POLICY

For the comfort and health of all attendees, smoking is not permitted at any function. Please confine smoking to designated areas.

CONTINUING EDUCATION

The FSHP Annual Meeting programming has been designed to enhance the knowledge, skills, and abilities of pharmacists and associated personnel in healthcare settings as we focus on important issues relevant to contemporary pharmacy practice.

TARGET AUDIENCE

The FSHP Annual Meeting programs were developed to meet the needs of pharmacists and pharmacy technicians in a variety of practice settings.

GENERAL C.E. (GCE)

The Florida Society of Health-System Pharmacists, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The continuing education programs for this meeting are Application and Knowledge-Based Continuing Pharmacy Education (CPE) activities, which means that information that is provided will be in at least 60 minutes lectures or presentations of facts that participants should be able to apply by means of learning assessment questions.

7.0 hours max of C.E. for Pharmacists and Pharmacy Technicians on Friday, August 2, 2013

8.0 hours max of C.E. for Pharmacists and Pharmacy Technicians on Saturday, August 3, 2013

5.0 hours max of C.E. for Pharmacists and Pharmacy Technicians on Sunday, August 4, 2013

CONSULTANT RE-CERTIFICATION (CRC), MEDICATION ERRORS, & HIV C.E.

The Florida Society of Health-System Pharmacists is approved by the Florida Board of Pharmacy as a provider of Consultant License Re-Certification, Medication Errors and HIV C.E. **CE Broker Tracking # 20-396494**

6.0 hours max of CRC C.E. on Friday, August 2, 2013

C.E. CREDITS

Upon completing courses in their entirety, attendees will complete a Request for Continuing Education form to verify attendance, as well as an Evaluation Form to assist FSHP in assessing the educational needs of participants. Forms should be turned in to an FSHP representative upon leaving the meeting. C.E. Statements will be distributed 5-6 weeks after the conclusion of the program.

Meeting attendees must provide an NABP eProfile ID and month and date of birthday to receive C.E. credits.

Sign up for your ID at www.nabp.net

NEW!! CE@Renewal

There have been changes to the license renewal process. Please visit www.CEAtRenewal.com to learn more. This year CE Broker will be implementing a new process whereby when you renew your license online the system will check to make sure that you are in compliance. For this year, it is considered a 'soft renewal', you will not be considered non-compliant if you do not have all credits reported at the time of renewal. You will be notified of your C.E. status (complete or not), but still able to renew.

PRESENTER DISCLOSURE STATEMENTS

FSHP requires faculty, planners and other individuals who are in a position to control the content of continuing education activities to disclose to the audience any real or apparent conflict of interest related to the activity. All identified conflicts of interest are thoroughly reviewed by FSHP to ensure fair balance, objectivity, and scientific rigor in all educational activities. FSHP maintains all disclosure information from all presenters of FSHP sponsored educational programs, including speakers and poster abstract authors.

ACPE NON-COMMERCIALISM STANDARD

The ACPE Standards for Commercial Support adopted in 2007 from ACCME require complete separation of continuing education and promotion. Instructional materials for C.E. activities, including presentation slides, undergo an intensive review process by FSHP to ensure compliance with the Standards for Commercial Support. Disclosures of relevant financial interest by speakers have been included on slides or will be announced in sessions, and in accordance with these Standards, any actual conflicts of interest were resolved prior to the C.E. activity taking place.
