

FSHP ANNUAL MEETING BREAKFAST SYMPOSIUM

An Innovative Approach to Hazardous Medication Risk Assessment in Healthcare Organizations

This session will explore the key principles of hazardous medication risk assessment and illustrate how **Rpharmy's USP <800> software, Rhazdrugs**, can enhance these practices and ensure compliance.

See why Joint Commission calls this a best practice!

PRESENTED BY:

ERICA BANE

Medication Safety Officer
Scripps Health

SATURDAY, AUGUST 9

7:00 AM – 8:00 AM

MAGNOLIA 10-12
