# COVID-19 ALERT

---

## **Senate Passes Updated Economic Relief Plan for Individuals and Businesses**

---

On March 25, 2020, the United States Senate passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The CARES Act will move to the United States House of Representatives this week, and the president is expected to sign it after it's passed by Congress.

---

The CARES Act is one of several phases of legislation meant to address the various impacts of the coronavirus pandemic in the United States and contains the following key provisions:

- Economic Stabilization and Assistance for Severely Distressed Sectors
- Keeping American Workers Paid and Employed Act
- Unemployment Insurance Provisions
- Rebates and Other Individual and Business Provisions
- Supporting America's Healthcare System
- Coronavirus Relief Fund and Miscellaneous Provisions

Read on by clicking below to learn more about the CARES Act and what this new legislation could mean for you and your business. Be sure to check our website often as CRI will continue to monitor the U.S. government response to the COVID-19 pandemic and other actions to keep you as informed as possible.
