**Cost:** No charge, attendees purchase their own beverages and food.

### BE A MENTOR

**Make a New Resolution This National Mentoring Month**

January is National Mentoring Month and we're challenging you to get involved as one of your resolutions this New Year.

Consider this, studies have proven that students who are at risk of falling off academically but paired with mentors are 130% more likely to remain in school and eventually go on to hold leadership positions. That's not all, students who have participated in mentorship programs are also less likely to use illegal drugs or drink alcohol.

Although the FWA's Mentoring Programs are responsible for many successful mentoring relationships, we'd like to expand our programs by inviting you to become a mentor.

**House Financial Services**

*New House Committee Rules Create a Diversity & Inclusion Subcommittee for Financial Services*

According to Waters the Committee will "ensure that appropriate safeguards are in place to prevent another financial crisis and will encourage responsible innovation of financial technology". While the influence of the new subcommittee remains unclear, the proposed new rules package would include a clear ban on discrimination based on sexual orientation and gender identity; ensure religious expression by clarifying that religious headwear is permitted to be worn in the House chamber; the creation of a diversity office to facilitate a workforce that reflects Members and the districts they represent; and the creation of a subcommittee within the Committee on Financial Services to oversee D&I within the financial services space.
