Survey coming to your mailbox soon

The FWA President's Circle Advisory Council (PCSAC) is conducting research focused on better understanding inclusion in the financial services industry and how it specifically impacts the advancement and retention of women. As an FWA member, we want to make sure that your experiences and voices are heard as well.

Soon you will receive an email from our consultant, Aleria PBC, with a link to a completely anonymous survey. The survey will ask about your unique experiences in the financial services industry and should take no longer than 10 minutes to complete. We hope that you'll take the time to participate and look forward to sharing insights from the research with everyone soon.

Annual Directors Reception

"Savvy Financial Services Boards Employ the Compliance Edge"

Please join us for one of the FWA’s premier (25+ years and running) and impactful annual events – an informal, off-the-record discussion on board service. This year our panel of compliance experts and leading best practice directors will provide their personal insights on how company management and boards can use insightful analysis and reporting from ever more sophisticated compliance management as a proactive strategic advantage to shape the future of the business, driving strategy and decision making.

Come hear our expert panel of directors and compliance officers, moderated by Holly Gregory of Sidley on how other professionals are dealing with these challenges.

**Date and Time:** Wednesday, April 3, 2019 | 5:30 PM-8:00 PM

**Location:** Sidley | 787 Seventh Ave | NYC

**Cost:** $50 FWA Members | $80 Non-Members

_**Includes generous hors d’oeuvres, drinks, and great company**_

Who should attend:

- Corporate directors interested in a closed-door session with governance experts
- Seasoned directors, senior business leaders, and financial executives working in complex compliance environments, in any industry
- Board ready candidates preparing for a board service and interested in high-stakes challenges facing today’s directors
- Investors evaluating the role and performance of boards in overseeing compliance, overall and in crisis
- Senior executives working with boards who would benefit from listening to experienced speakers sharing their view from the top
