COVID-19 RESOURCES

The way we approach our daily lives has had to change drastically over the last few months. If you're finding it difficult to maintain a sense of normalcy right now, we get it and we are right here to support you, our members, sponsors, and students who participate in our educational programs.

Today, give yourself permission to take a breath and enjoy life. It may be hard to predict what is coming tomorrow but here are a few ways to keep calm and stay ahead of the game (career-wise at least):

15 Skills LinkedIn Says are Most Likely to Get You Hired in 2020 – Plus the Affordable Online Courses You Can Take to Build Them – [Business Insider](#)

FWA PODCAST RECORDING

Discovering Your Personal Productivity Style

In celebration of International Women's Day, the FWA launched its first podcast on March 9, 2020. Our first guest speaker was Carson Tate of Working Simply, a dynamic teacher and coach who is known for igniting personal transformation through her simple, powerful and actionable

Carson Tate

Peggy Decker

strategies and tools.

Working Simply

Knowledge- Sources

"You cannot outwork your busyness using one-size-fits-all-time management solutions. The latest app, prioritization tip, or email management strategy will not work if it's not personalized for you, aligned with the way you think and process information. It's time to get personal about your productivity!" - Carson Tate

OTHER EVENTS

Jointly sponsored by the Financial Women's Association(FWA), and SCORE
In our new reality, most of us now work from home as a small business owner, freelancer, consultant or startup. If you are, too, and want better results, this free webinar is for you.

Whether you are new to working from home or have been doing this for a while, this webinar will help you become more effective and successful *in just one hour*. Offering both productivity-enhancing strategies and tips on the latest in digital tools, it will fill in gaps in your knowledge about this rapidly evolving new reality.

PROGRAM NEWS

Wall Street Exchange Program - Application Period Now Open

The Wall Street Exchange (WSE) is a career development program designed to augment and coincide with the summer internship experience of qualified rising college seniors working as summer interns in the New York metropolitan area. WSE is not an internship opportunity.

The Wall Street Exchange (WSE) is a career

"The program was one of the best experiences I was

development program designed to augment and coincide with the summer internship experience of qualified rising college seniors working as summer interns in the New York metropolitan area. WSE is not an internship opportunity.

ever a part of. So much networking, so many new skills learned. "

Olena Hauser, Pace University Class of 2020

The program consists of a series of events hosted by top firms and companies for professional and personal development. We invite you to share this information with prospective qualified young male and female applicants.

For the first time in the program's 38-year history we are excited to announce that this year's Wall Street Exchange Program will be held online! To ensure everyone's safety, the 2020 Wall Street Exchange Program will be conducted virtually with highly interactive and engaging webinars and meetings hosted by our partner firms.

Applications are due **Friday, May 15, 2020**. There is no cost to students to apply or participate.
