MEMBER BENEFITS IN ACTION

Member2Member Mentoring Application Period Extended Through Monday, November 21st

Mentoring has become one of the fastest growing career coaching platforms. The FWA Member2Member mentoring program supports the FWA mission of accelerating the leadership and success of women in the financial community by pairing members with extensive career experience with members looking to advance their careers and build leadership skills.

If you have at least five years of professional work experience and are interested in participating in the program as a mentee, please follow the link to complete a short application and upload your resume:

This program is offered, at no charge, to qualifying members of the FWA.

The Application period is open until Monday, November 21st

Mentee Application

Eligible mentee candidates may be required to participate in an interview, which will be used as a basis to match each mentee with a mentor. We look for common areas of interest and/or experience to guide us in the matching process. After submitting your application, we will contact you if an appropriate match is identified for you. Based on the availability of mentors, applicants may be placed on a wait list.

In addition to the one-on-one meetings that mentees will schedule with their mentors, applicants should do their best to make themselves available to attend the following three events in person or virtually from 5:30 p.m. to 7:00 p.m. in NYC (location(s)/log-in information and dates to come):

Kick-Off Event: Jan 2023 | Check-In: Mar 2023 | Closing: Jun 2023

If you have questions about the program or are interested in participating in the program as a mentor, please contact either of our three Co-Chairs:

Jennifer Covell – jenco@icloud.com | Ariel Boverman – abovhr@gmail.com
Annette Stewart – stewart.annette.g@gmail.com

Our FWA Member2Member mentoring program is available to FWA members who can attend the above three events in person in New York City. Student members are not eligible for the Member2Member mentoring program.

Our goal is to establish meaningful Mentor and Mentee partnerships through which the pair works together to empower the Mentee by helping to identify abilities and opportunities. We also encourage networking among the members of the Cohort.

**IN-PERSON EVENT**

**Get in the Game Part 2: Join Us for an FWA Financial Women’s Long Island Committee Golf Outing**

*New Date: Event moved to Thursday, December 8th*

The seasons are changing, but that doesn’t mean the golf season has to end!

As a follow up to our annual outdoor golf event, we invite you to join us at our first annual INDOOR golf event at X-Golf in Commack, NY.

We know that playing on a golf course can be intimidating for first time golfers. Playing indoors, there will be nobody rushing you to your next shot, no way to lose a ball, and you can even hit the Mulligan button if you want to redo a shot! This is a perfect way for those learning to play to continue their education, and for those of you who already play golf; test your skills on some of the world's 50 top golf courses!

On November 17th, starting at 5:30 pm join us for a fun-filled night of networking at the beautiful, new X-Golf facility where you can play 9 holes of golf, show off your long drive and putting skills, get instruction from golf professionals, or...if you're not into golf, hang out in the bar and lounge area and sip on craft cocktails.

**When:** Thursday, December 8, 2022 | 5:30–8:00 pm EST

**Cost:**

**Golfers:** $145 FWA Members | $160 Non-Members  
**Non-Golfers:** $95 FWA Members | $110 Non-Members
