

Formed in 1998, the FWA President's Circle serves as the official corporate sponsorship program of the Financial Women's Association. Through these strategic partnerships, the FWA and its top corporate sponsors jointly focus on the FWA's core mission to promote professionalism in the financial industry and leadership roles for women. This is accomplished by exchanging best practices regarding women in business, showcasing industry thought leaders, creating interesting programmatic content, and enhancing the mentoring, scholarship, and professional development initiatives offered to young women and men.

#### Advantages of Firms participating in the FWA President's Circle:
